

THE WATCHMAN.

8. SERLY AND J. S. BARNHART, SDITORS. BELLEFONTE, PENN'A.

BELLEFONTE, AUGUST 19, 1858 DEMOCRATIC STATE TICKET

SUPREME JUDGE.

WILLIAM A. PORTER. CANAL COMMISSIONER WESTLEY FROST.

### Congress and Senate

We have not yet heard of any one in this County who wast allow his name before the out of the way. Convention as a candidate for Congress and he has so creditably and wisely filled

able rules entitled to the Congressman were White is a Democrat, whose firmness, and tration. So also have we got rid of the British out nuplacability has grown into remark and standard bearer and although some may not be entirely satisfied with his Congressional charge, yet we hold that a love for the principles of the Democratic party a firm adhe rence to the Constitution of the United States, and a thorough repudantion of vile political heresies will lead us to support the nominees for the party's sake -for the love of the great and glorious principies for which we have so often marched into the battle

Mr. Winte is a Democrat of ancient days, Kansas outrages -no Mormon troubles no Broken front, and enter into the coming con-The has been weighed in the balance and not found wanting ' While we concede nothing of which to complain against the this nomination to Clinton County, we trust Democracy nothing whatever left over upon our banners that they with similar magnanimity and fairness will concede us the Schator.

It is, many years since the Democracy of Old Centre was permitted to present the clection by Col. Gregg. In 1852, J. W. the Nienraguan Assembly Quigne of Clinton County, was the Demo. + You (President Martinez) have insulted Cratic nomince, and was elected. In 1849, this tovernment by witholding the treaty. By coming a distinguished son who now does honor to the chair of State, ten. Win Packer, was nominated and elected. In all ting him on the Fulton, of hy were too late. hold our Record . She invariably perform ed her duty | did a'l she could

Now it has been understood for more than ing, that this year Centre would present a candidate and ask that he be nonmated Yet in the face of all these facts our nearly

Missouri Election - The returns of the foreshadow a total defeat of the opposition. In the St. Louis district J R. Barrett, demorrat, has beaten F. P. Blair by '600 ! ! feat is a great Democratic triumph - The State promises to be largely Democratic; - next Congress will be of the same faith.

The receipts into the United States Treasury, for the quarter ending the 30th of June, is over \$23,000,000, including \$9,850,000) the public debt and the payment of treasury

KANSAS ELECTION. - The news from Kan-

### What will they do ?

That is the question. What will the opthey make? They are in a quandary. All for agitation have, like ghosts of the night. flittered away. Kausas is so completely quieted that not another shrick or grown can be wrong out of her. The English bill has settled that matter; for whatever may be the result of the election in regard thereto, It puts the end to all further difficulties in of opinion among Democrats as to the expe-Territory. If the constitution is adopted upon the terms of the bill, Kansas becomes at once a State, and all further outside inerference with her affairs will be brought to an end. If it is rejected, her people will quietly attend to their own business, and ion under a Constitution which they will prepare without any intermeddling from abroad Kansas is therefore, emphatically

The Mormon troubles have likewise been we presume that the nomination will be con- disposed of, and in such a manner as to withcedel by acclamation to the Hon Allison hold from the Opposition the political guns White, of Clinton County Not because we and ammunition they so foully anticipated have no men in our ranks that would repressed from that source. The blunders sent us at Washington with distinction, but they predicted on the part of the Adminisbecause it would be a slar and an insult to tration were never made, and everything has Mr. While, not to return him to the position passed off smoothly and quietly as a summer's day. The troops were not frozen to Indeed this gentle man's re-nonmation and death in the mountains they were not triumphant ie election has long since heen a staived out or annihilated by the Morinous fore gone conclusion with us although old but on the contrary, the whole object of Democratic Centre is by all fair and honor. The expedition has been accomplished so as to reflect credit on its projectors, and withit not for the well established custom of re- out affording material for the most feeble turning a member the second term. Mr. howl against Democracy, and the Adminis-

when he believes himself right, all the powers on earth could not change him by any or anybody having suffered even as much people other means than by the weapons of logo He damage as a broken nose. What a glorious deserves again to be put forward as our thing it would have been to have come in conflict with England and received a few pretty hard knocks over the knockels air, and how terrible would have been the excoriations of the unfortunate powers at Washington! But even this small favor has been denied the opposition. Peace and quictness everywher prevails, and the Govcrament has proved itself as efficient as any the country has ever known

What, then, will the opposition do ! No internal commotions no foreign wai no test with a zeal worthy the cause in which which to weep, groan, howl, or shout !

# Rather Spicy!

The following is said to be the substance successful candidate for nomination. Three of tien Cass reply to President Martinez. Lecompton and Anti Lecompton to the dogs. years ago, Mr. Dietrick who now resides in of Nicaragua, who, it appears has refused, and go to work with a determination to Lycoming County, (then for Sullivan Co ) to sign the treaty between the United States | rush out the hydra-headed old demon, Fahad the nomination but was defeated at the and that Government, which was ratified by insticism, in any and every shape be may as by present exigencies

nigh numbered.

### Harmony.

The Camden Democrat makes some senonents do for thunder at the next election ! sible remarks in regard to harmony in the What cry can they raise ! What issue can Democratic party that are worthy-of serious consideration Laying aside it says, past he old causes, says the Patterson Democrat, differences of opinion as among the things that are no more, and looking forward to a certain triumph of the Democratic party, let us go to work as one man against our common enemy and success is certain. The "Opposition" entertain the delusive hope regard to Kansas beyond the limits of the diency of admitting Kansas under the becompton Constitution, they will succeed in engendering bitterness of feeling, distrust and discoul, and thereby drive from the support of the party, a portion of those who have always been true and steadfast. We cannot believe any true Democrats are to patiently await until the population war- be caught in any such net. They must see rants them to ask for admission into the United by the object of these "wolves in sheep's clothing," who are actuated by no other motive than that of "public plunder." Every Democrat who entertains an honest difference of opinion as to the policy of any one measure of his party, must yet see too much that meets the approval of this judgment in the principles of the party, to permit him to swerve from the line of duty, or be caught by any such bait as the "Opposition" preents. Let us present an unbroken front to the enemy, firmly, and definitely opposing sectionalism, secession and disloyalty to the

Our glorious old party stands to day where it has always stood, as the herald of the people, resisting all attempts at central izition in the Federal Government and over ready to life its mighty arm and strike a blow in defence of the rights of the people It has proved to the world the representative of all that conducts to the promotion of the best interests of a free and enlightened

Let us, then pernetuate the good old par ty that has moulded the institutions of our country ( that has accound to every township and county in this broad land the sov-What lamentations would have loaded the ereignty of the inhabitants; that has stretched our vast domain from the Atlantic to the Pacific: that has sustained the honor of the country abroad and her dignity at home that has whitened every sea with her commerce, and has ever stood up as the conservative expounder and defender of the Constitution -- let us, we say, perpetuate that good old party, by presenting an unwe are engaged, and victory will surely perch

But to do this, by gones must remain by gones. We must meet together as brothers. create no party tests on account of a difference of opinion upon any one measure, kick-

pleasure that we are under the necessity of forward and promptly discharged their in- dove, and in its gentle coories for power, debtedness, but of this we have been very no longer wears the senal of an invineble materially disappointed. The publication Sambo has changed his complexion, and of a weekly newspaper, such as the Demo- has had his wool cropped. cratic Watchman, is necessarily attended with considerable outlay, and publishers As regards Vested rights of American city depending for support upon definquent sub zette says that when political parties are comzens in Nicaragua, Gen. Cass also wrote stribers, and it we must confess rather of the district work in union, and will come up his one man to put Centre on to the back seat. We have only to say to our noigh bors and brethren that we have endured unit of bearance has almost ceased to be a wirture. Not only have we given the monit of Senator year after year but when year there was a Senatorial Delegate to the tree to be appointed by some scheme or other, apply with equal force to the same party, the advance price of the paper, must expect which, since the days of Jefferson, has been collars an a house an a lot " "Who somebody in Lock Haven or Williamsport, in this County, that there are scores of us to rigidly enforce the terms of arrearage inscribed with no other name than the eter good by e. # For the Democratic Watchman Sam and Sambo in Convention.

MESSES EDITORS: Sam and Sambo recently met, on terms of good followship, at Harrisburg; and their proceedings present some features which stand forth in strange and somewhat amusing contrast with former meetings of the same redoubtable individuals. Whoever will take the time and trouble to examine the issues presented by dark-browed Sam in and expectation that through the difference past campaigns will, we venture to say, be startled, if not amused, at the ridiculous display of terror evinced by that gentleman. over-the fact, as he said, that a few thousand foreigners were exerting an undue influence in the affairs of the government. " Americans must rule America, " was the loud shout of his devoted followers. , "  $\Lambda_{\rm s}^{(1)}$  mad ox, or collecting bills for printers. residence of twenty one years before citizenship," was the song one more foreigners sles to hold office," the chorus. Catholicism was painted as a "monster of such indeous mien" that it must be crushed out at once foundations of our liberty were rapidly being undermined, and our necks in danger of being placed beneath the iron heef of that terrible fellow, the Pope of Rome. Well, as we said, Sam was recently seen at Har. has both age and season against him rishing; but alas! so completely was he changed from the bold and defiant Sam of yore, that he could scarcely be recognized A poor, paltry, pitiful beggar for place, his fine fustian about those gallant "Americans" who were to "rule America" -those iniquitous naturalization laws," and that intolerable monster. Catholicism " o all scens to have been ignored, and he contents h himself with passing a little miscrable resolution about " foreign criminals " Sam has !

sadly degenerated But let us turn to Sambo, the other party to this remarkable Convention. How is in and he is a cypher with him? We all recollect how terribly is Human Devils. If men do seem dev perplexed Sambo has been deviled its, it is when made drunk and coattains to perplexed Sambo has been during the past two or three years about the evils of slavery The encouragements of slavery are too grievous to be any longer borne " Kansas Nebraska act of Congress is an imquity unheard of in the annals of legislation!" "Slavery shall not advance one foot farther " "No nigger driver shall twice as much as they say. The crack his whip over me." Volumes could also applicable to boys and women. scarcely tellall what Sambo had to say about one of those "twin relies" of which he spoke in the Convention which nominated unfortunate Mr Fremont Yell with all this, Sambo, like many other disappointed and strained at the for Congress, has the Conference viduals, allows his redgnation to subside of Chillon county will get Lycoming Sullivan and Potter "Pop goes the weasel." of Congress over the Territories, and ever permits his old friend in distress, Dred Scott, to pass silently by, without so much as a quiet wink of recognition. Sambo, like his half brother Sam is satisfied with a single resolution -- a resolution denouncing the President's Kansas policy - Lyidently Sam be would like to have a chance at the pubhe crib, and accordingly sets his sails to catch any breeze that may be put in motion

Sam and Sambo are doubtless both words awake" fellows, yet, we must confess We assure our subscribers it is with no look very small, extremely meek, and en frequently duming them. BRIGHAN LAYES IN A SQUARE MOCK.

Brighhan has a square block hear the center of the city, upon which he keeps his harmore item. A high, close board fence has been local form of the city.

A high close board fence has been local form of the city o built all around the block. What for I A ited by some soft-pated "Republican" who temporary woods is shed, two or three hundered feet long, about twelve wide and eight dred feet long, about twelve wide and eight feet high to the caves, with an ordinary inclined roof has been built, bordering upon the street on this square. There is not a window in this building on either of the cuds or ideal, the street why not?—

The control of the control of the cuds or ideal, the control of the cuds or ideal, the control of the cuds or ideal, the cuds of Some of the "sisters" tell me that the rooms and no dea that there was a party of such made of this mansion are only lathed up had no idea that there was a party of such more room can be heard in the adjoining one. They also represent that the interior of the should curs in Clinton county, nor did we can no room can be heard in the adjoining one. They also represent that the interior of the should be perpetrate such a fitter should be considerable portion of the "Republication of the should be comment."

feet ten mehres high, has a full red, cleanty shaved face, double chin, prominent mose; and a mild, blyish gray eye. His counte nance on the whole is agreeable. He wore a black coat, white vest, a small leaf figure in it, black silk necktied with his shirt collection and the depends a great deal upon the care of four citizens whether this healthy state shall continue. Dysensure is nevaling to some extent here, but the disease yields readily to prompt proper medical treatment. Cleanliness In church they free project ancheal treatment. Cleanliness and gham. Well after diet are a guaranty of health, while a viola from New York to walk up to meeting with the a short time since, was struck by highly him. When there, the latter gave the forming and before any preventive steps could mer a scat upon the preacher's stand be taken, was all in a blaze. The Good Will reproduce him at the above the forming and before any preventive steps could be taken, was all in a blaze. be taken, was all in a blaze. The Good Will promptly hurned to the spot, through the mud and rain but could help matte

child, whout live manners of while she went house in which she resided, while she went to the Darkey celebration to get her dinner ceptible. A woman who could thus leave her offspring alone, while she sought pleasure, must be possessed of about the Same amount of maternal affection as could be exner of the stand among a crowd of vomen HOW THE ALDENCE LOOKED.

Well, how did the audience look ! The question is more easily asked than answered indied it is very difficult to convey an expectation of the appearance of the people almost as difficult as it as so the boy who had seen an elephant for the first time in his life to describe it to his mother. They were a strange, harsh, hardy, severe looking people. In some repected from a brute, and should be treated

Order and quiet had been restored throughthemselves highly pleased with the torial officers.

Upon General Johnston's entrance into Sair Lake City the few remaining Mormons fied.

Messis Powell and McCulloch, the Peace

were any of the troops to enter the city under any protext.

The Pittsburg Journal says the bankingder any protext.
