JOY TO THE ADMIRERS OF A FINE HEAD OF RICH GLOSSY HAIR.

Talk of beauty, it cannot exist without a fine head of hair, Then read the following and if you ask more, see circular around each bottle, and no one can doubt

PROFESSOR WOOD'S HAIR RESTORATIVE.—We call the attention of all, old and young, to this wonderful preparation, which immediately brings back to its original color, gray hair covers the head of the bald with a luxuriant growth—removes the dandruff, itching, and all cutaneous eruptions causes a continual flow of the natural fluids, and hence if used as a regular dressing for the hair will preserve its color and keep it from falling to extreme old age, in all its natural beauty We call them upon the bald, the grey, or diseased in scalp, to see it, and surely it's trying will not, as they value the flowing locks, or the well kept hair they can be without it Its praise is on the lips of thousands

The Agent for Prof Wood's Hair Restorative in New Haven received the following letter in regard to the Restorative, a few weeks since

DEEP RIVER CONN, July 24 1856

Mr Lowenworth—Sir—I have been troubled with dandruff or scurf on my head for more than a year my hair began to come out scurf and hair together I saw in a New Haven paper about Wood's Hair Restorative as a cure I called in your store on the 1st of April last, and purchased one bottle to try it and I found to my satisfaction it was the thing it removed the scurf and new hair began to grow if not two or three inches in length *when it was all off* I have great faith in it I wish you to send me two bottles more by Mr Post the bearer of this I don't know as any of the kind is used in this place, you may have a market for many bottles if that is known here

Yours with respect, RUFUS PRATT

PHILADELPHIA, Sept 9 1856

Prof Wood Dear Sir—Your Hair Restorative is proving itself beneficial to me The front, and also the back part of my head almost lost its covering—in fact bare I have used but two half pint bottles of your Restorative and now the top of my head is well studded with a promising crop of young hair and the front is also received its benefit I have tried other preparations without *any benefit whatever* I think from my own personal recommendation I can induce many others to try it Yours Respectfully,

D R THOMAS M D
No 104 Vine street

PROF WOOD As you are about to manufacture and send your recently discovered Hair Restorative I will state for whomsoever it may concern, that I have used it and known others to use it that I have for several years been in the habit of using other Hair Restoratives, and that I find yours vastly superior to any other I know I entirely cleanses the head of dandruff, and with *one month's proper use* will restore any person's hair to the original youthful color and texture giving it a healthy soft and glossy appearance and all this, without disordering the hands that apply it or the dress on which it drops I would, therefore recommend its use to every one desirous of having a fine color and texture to hair

Respectfully Yours, WILSON KING
