Col. A. J. Dietrick has signified a willingness to spend a portion of his time in Centre County, and of whose appointments timely notice will be given.

D. G. BUSH, *Chairman.*

AN UNEXPECTED CALL FROM A VERY UGLY CUSTOMER.—A few evenings ago a couple of our colored population visited the chicken roost of our neighbor, Mr. Felix Lee, for the purpose of securing some of his poultry for their own particular benefit. Mr. Lee was awakened by the noise among his poultry and proceeded to investigate the cause, when he found two darkies, a large robust fellow, and a smaller one, cautiously engaged in filling a bag with chickens. The colored gentlemen when they found themselves discovered doubtless thought that "fleeing to the fastness of the Mountain," or some other place of security, would be the better policy, and acting upon this principle, immediately fled, carrying with them a portion of their ill-gotten treasure. Mr. Lee pursued them with a determination not to let the rascals escape so easily, and overtook them after a considerable foot race. With a courage that would have done honor in a more worthy calling, one of the worthless knights of the "chicken roost" pounced upon his pursuer, and a scuffle ensued in which the darkey found the athletic grip of his antagonist so firmly fixed upon his throat, that had the process been continued sufficiently long his coveted breakfast of poultry would certainly have been rendered impalatable in the morning.

We do not know what the result would have been, had not the calling for assistance on the part of Mr. L. caused the negro to make a most desperate effort to get loose, which he accomplished and then made for Bellefonte at a terrible rate of speed. In the scuffle Mr. Lee regained his bag of chickens.

GREAT REDUCTION IN PRICES.—A most unprecedented reduction in the price of AMBROTYPES has recently taken place at the Arcade picture Gallery of J. S. BARNHART, who has secured a large quantity of cases and other material necessary to prosecute the business. The public can now secure likenesses at the following low rates:

1 16 size Ambrotype,		$ 20
1 9 "	Common case	50
1 6 "	" "	1 00
1 6 "	" Gilt case	1 50
1 6 "	Silk velvet lined case	2,00
1-4 "	Common case	2,50
1 4 "	Silk velvet lined case	3,00

Pictures inserted in Lockets, Bracelets Rings, Breast Pins, and Cases of great variety, among which may be found the union case, the family union case, papier mache case, shell case, extra fine silk velvet lined case, oval velvet case, imitation of shell case octagon union case, and cupid case, which are of different sizes, and calculated for either double or single likenesses. The public will find it to their particular advantage to call at the Picture Rooms in the Arcade Cheaper, more durable and finely executed pictures have never been offered to the public.

Photographs and other pictures taken at various prices. Instruction given and apparatus furnished on reasonable terms.

Hours for operating from 9 A. M. to 5 o'clock, P. M.

NEW POST OFFICES.—Two new Post Offices have been recently established in this county, on the mail route leading from this place to Pine Grove. The one is located in the Houser neighborhood, and is called Benner. Our old friend Daniel Houser has been appointed Post Master at this Office. The other office is called Farm School, and is located at that institution. Mr. B. McClain formerly of this place has been appointed Post Master. We are glad to learn of the people in both neighborhoods securing local advantages of so much importance to them.

DEDICATION.—Our Methodist friends at Millheim, intend dedicating the new and beautiful church which they have erected in that place, on Saturday and Sunday the fourteenth and fifteenth of November next. A number of prominent ministers will be present and participate on the occasion.

A LARGE EEL.—Two young men named Musser and Houpt caught an eel recently in the mill dam of Mr. Musser, near Millheim, which weighed six pounds. Can any body beat this in their fishing experience in this neighborhood? If so we should be pleased to have the particulars upon record.

THE MOST important and lucrative situations in the city, are filled by the many graduates of the IRON CITY COLLEGE.—*From Pittsburgh True Press.*

TOO TRUE.—The Recorder of Chicago, Ill., in charging the grand jury recently, said: "during the past five years that I have held this court it has been my unpleasant duty to try and sentence to the State prison several hundred persons; and I am sorry to say that while it is an easy matter to find jurors, who are ready and willing to punish poor offenders without position or friends, it is with great difficulty that jurors can be found who appreciate the fact that one bad man of position and wealth can do more harm than one hundred poor men can, who are in the humble walks of life."

MORE THAN 50,000 DOLLARS
SOLD IN THE
NEW ENGLAND STATES
IN ONE YEAR.

The Secretary of PROF. O. J. WOOD'S Publishing House in New York, informed us recently that a new volume of this work might be given to all parts of the world and from the most intelligent to prove *Hair is Restorative*, but read the circular and you cannot doubt it and also the following.

For Fifty People have for centuries been offered what should be called the only remedy, but not one has ever been found to answer the purpose. Baldness is the almost universal curse. Every one of Professor Wood's Restoratives has been improved upon by Hair Tonics of different kinds. To all such persons we earnestly make the request, that they will try once again, for Wood's Restorative they will find is the only thing that We know to satisfy any bald white head. The article is short time and perfectly harmless. We have received numerous testimonials from all parts of the United States, and we challenge the world to produce its equal. We have numerous cases where Hair never grew before, and in a short time has grown to a length of several inches.

It is also without doubt one of the best articles for keeping the Hair in good condition, making it soft and glossy, removing dandruff, and in fact proves itself the greatest remedy to all the diseases of the hair.

It is the duty of every one to improve their personal appearance though some may differ in regard to the way of doing it, but every one will admit that a beautiful head of hair adds to man or woman a most important feature, and there being no one that should be left unable to obtain such an consideration.—*Woman's Advocate*, Philadelphia.

Carleton Ohio Nov 17 1856

O. J. WOODS & CO.—Gents: As I have been engaged in selling your Hair Restorative the last season for one of your locality agents (R. M. Hackinson) and having experienced the beneficial effects of it myself, I would like to obtain an agency for the State of Illinois or some State in the West, should you wish to make an arrangement as I am convinced *there is nothing equal to it in the United States for restoring the hair.* I have been engaged in the Drug business for several years, and have sold various preparations for the hair, but have found nothing that restores the secretive organs or invigorates the scalp as well as yours, being fully convinced that your restorative is what you represent it to be. I would like to engage in the sale of it, for I am satisfied it must sell.

Yours truly, S. T. STOCKMAN.

Wayland, Mass., Feb 5, 1857

PROF. O. J. WOOD & CO.—Gents: Having realized the good effects of your Hair Restorative, I wish to state, that finding my hair growing thin as well as gray, I was induced from what I read and heard, to try the article prepared by you, to promote its growth and change its color as it was in youth, both of which it has effected completely. In the operation I have used nearly three bottles.

Yours &c., JAMES FRANCIS.

IT IS A HUMBUG.
WHAT IS A HUMBUG?
THE GIFT BOOK SALE.

HOW can it be a humbug when you receive the value of your investment in the book which you purchased under gift of greater or less value, with every book purchased? There are questions that come within our hearing almost daily, but if people will give us a call, we will convince them that it is neither a humbug nor a lottery, as the books which we sell are bought at a great sacrifice, also the gifts, owing to the extravagancy in the money market which enables us to make these inducements to purchasers. The books which we sell are all of a moral and religious character.

P. S.—Orders from the country solicited, we will give a one dollar Book and Gift to any one who will get up a club of eight purchasers sent to one address, if ordered by mail send six stamps to prepay postage on every one dollar Book. Catalogues sent free.

Any newspaper publisher copying the above and forwarding a copy of his paper at the time of the first insertion shall be entitled to the regular advertising rates in Books and Gifts. For further particulars address SMITH & SIBLEY, Bellefonte Centre Co., Pa., late of READ & BOYLE.
