

THE WATCHMAN.

S. SERLY AND J. S. BARNHART, ROITORS. BELLEFONTE, PENN'A.

CHURADAY, JANUARY 27, 1859.

The Latest News. recommendation contained in similar to the one offered by Mr. Scibeta, 12th inst., says giving the Pro-meyr all the necessity power and means to act with vigor in the premconsiderable opposition; and it was agreed, come un in open Sarate for debete.

as an assure is entrusted its being undertaken at the present time

We may, therefore, hereafter regard the zation of Arizona, with the boundaries in dicated by its delegate, Lieutenant Marky | ted by the Administration There are five other Territories applying for organization, under the names of Colona, Dakotah Laramie, Nevada, and Ontonagon The Territory of Colona is that which embraces the new gold diggings of Pike's Peak, and it is the only one, of the five we have named, that is likely to have the luck of Arizona, and get in during the present gession. The name of Colour is given to it in honor of Columbus, whose Spanish designation was Christoval Colon The general proceedings of Congress have not been otherwise interesting, except in the agreement to report a bill abolishing the franking priv ilege, giving each number instead of it, \$100 worth of postage stamps per annum This would doubtless lead to the saving of

a vast amount of money of the foreign portions of Mr. Bichinan a news, and, on all sides, we hear complaints recent Message. The Spanish papers de ritory, and every attempt to enlarge, the nounce it in a tone of offended pride, and it is authoritatively stated, in a London journal, that the Court of the Tuilleries has of ficially informed the British Government that if England should think fit to take any measure trecogniciant the American their hands, and it is earnestly to be hoped policy indicated in the President's address that they never will have. The Baltimore

Insurroction broke out at Gonzales out the discontinuities of the Interior and Insurroction broke out at Gonzales out the Commissioner of Patents have assembled 22d of December The movement was start-1 you here upon this important mission. The el by a General GEFFARD, and agented to be other interests of the country are pressing forward. The farmer stays at Home, follows a rather spontaneous atlair. The Government of this plough, and minds his own business, a rather spontaneous magic. The covering this plough, and minds his own onsness, and we hear very little of him in public and the forced to resign, and, on the second day of the movem such the republic was processing and the flared declared to be its processing and the enterprise of our national character, it is magniculture very often ineffectually exerted without the necessary skill and sequences. Fincial President. At the last accounts the ence to produce the effect which is so much insurrection was spreading North and South, desired, for science combined with practi was thought the revolutionists would soon be strong enough to take the field gainst the imperial troops. Some que was real the imperial troops. Some que was real with a abstract the great truths which

A Capital Speech.

We thank the Han. George Taylor of New York, for a copy of his masterly speech on the abrogation of that great national hu miliation, the Clayton-Bulwer treaty, delivered in the House of Representatives, at Washington, on the 9th December. It covers the whole debateable ground and leaves not a peg to hang a doubt upon. This effort will very greatly add to his well carned reputation for ability and fidelity to Democrat ic principles. The following epitome to another speech, recently delivered before the same body curbodies our own senti-

" Mr Jenkins, of Va , said that while the law and therefore was very properly accept ter is now negotiating a treaty with Central America, and from this proceeding we shall share like the doves from the protecting care of the hawk. He advocated the reso-A Good Move in the Right Direction.

At last there is a gleam of light from the City of Washington. At last a move has a move has a light move the control of the Chyton-Bulker treaty. been made which looks to the vindication, which was the result of European diplomacy of our national honor, and the protection of He contended that we derive no advantage from it, and asserted that England was unfaithful in its fulfilment, and that it is a contended to the charge of the contended that we derive no advantage from it, and asserted that England was unfaithful in its fulfilment, and that it is a contended to the charge of the contended that we derive no advantage from it. bill has been introduced by the Chairman of stant and fruitful source of irritation and the Committee on Foreign Relations, in_the ammosity between the contracting parties. Senate, authorizing the President to sustain. The treaty should be abrogated for two the honor of the nation and protect our citi-zens abroad. We carnestly hope the bill no rights in Central America outside of the treaty, and second, because her pretensions to protectorate over portions of Central America are founded solely on the treaty

LEGISLATIVE FUN.—The business of appointing magistrates for the State of North pointing magistrates for the State of North Carolina, was carried into Sunday last week.

Philadelphia Markets.

Jan. 26 -- Evening-The Flour market is The following are the most important proceedings of the Pennsylvania Legislature, during last week.

Horse, —Mr. Wiley, of Philadelphia, introduced a series of joint resolutions urging upon Congress is a revision of the present Tariff, with a view to afford ample protection to American labor."

Mr. Lawrence, of Washington, also intro-Tariff with a view to afford ample protection to American labor."

Mr. Lawrence, of Washington, also introduced resolutions of the same import, which on his motion, were referred to a Select Committee of five, consisting of Messrs. Lawrence, Gritman, Wood, Rohrer and Patterson.

Mr. Lawrence, of Washington, Chairman of the Steet Committee, to whom was referred the resolution relating to the tariff made the following report:

1.100. un visited to the home trade are buying the processing of the process and firm, at previous quotations. A sale of Brandywine Meal was made, in hids, yesterday at a price kept private. Wheat is included the process of the process o

A. Mourning Dog. -The Boston Transcript says a police officer pointed out a rare instance of canne affection to day. A handsome Scotch terrier has for two or three recks past watched beside a grave in King's hapel burying ground, night and day without cossistion, save only obcasional intervals of short duration, when obliged to absent himself in quest of food to prevent actual staryation. During the last severe snow the humane officer first discovered the dog at his devoted duty, and endeavorrid to call him away for the purpose of giv-ing him shelter; but the faithful animal would not leave the sacred spot, and responded only in wailing deeper and melancholy than those of the storm. Even the subsequent intense cold weather, with the thermometer at 15 degrees below zero, did not drive him from his guard, and he may still be seen daily at his post o his guard, and watchfulness over the remains of some be in the adjustment of the state loved human being whom he has enshrined he must be constantly watching for his coming.

A ROSE WATER MIDDLY CETTING A SWELL-Young Pintee Alfred, of England, having chosen to enter the naval service, has recentful made by first royage as "Middy" and run termining, on the road between Bellefonte and ly made his first voyage as "Middy," and has received royal receptions and other welcome demonstrations at various ports where the ship in which he sailed, has touched.—
The English press take exceptions to such honors being paid to one so humble as a The London Times expresses its desire that the Prince, instead of being a strange compound of "Midshipman Easy and of the princely hero of a Court Circular, should become a skilful and self-reliant sea-

man and adds.

"He was sent out to be trained to salt water, and it is upon rose water that his first lesson in navigation is taking place. What has a young middy to do with royal recept tions, and royal salutes, and royal fiddle faddles of every description? If he be treated from the first as the Queen's son and not as a undshipman of the Euryalus, he may be nominally promoted in the service as an incident of his birth, but he will never be fit to take the royal yacht across from Portsmooth to Osboin without a real sailor at his clow."

In the Board of Directors present to the members the following statement of the affairs of the Company for the past year, formity with the 15th Section of an Act of Assembly, entitled, "An Act for the incorporation of the surface Companies," Approved the 2nd day of April, A D 1856
