the Lailoon a wender some lifty feet high holds by two. And nov. " added M. Codard, Aglees

your heart bear (Nothing yet? replied his companien with an air which approached closely to im-

"The devil " exclaimed M Godard . you have really, my dear sir the most perfect qualifications to be an erronaut?" The balloon still ascended, when 1 000 feet highet M Godard interrogate is third; glune his companion

· And now ! "Nothing, nothing, not the shadow of a fear whatever!" answered the traveler, ar! with a tone positively discontinued and like

a inno who had experienced a profound decoption
Conducts me 'so much the worse then,"

to descend "To descend ?"

"Certainly: there would be danger in mounting higher."

"That does not make the slightest differ ence to me : I do not choose to descend " "You what ?" asked M Godard.

** F say 1 wish to ascend higher; keep on mounting. I have given one thousand frances to experience some emotion : I must do so, and I will not descend before I have felt some emotion."

M. Sodard commenced to laugh : he heved at once that it was all a joke.

"Will you ascend once more ?" demand ed the traveler, seizing him by the throat and shaking him with violence ... When shall I feel some emotion "

M Godard Alates that at this moment he felt himself lost. A sudden and dreadful revelation broke upon him in regarding the strangely dilated eyes of his companion ; he had to do with a madman!

nave been capable of defending himself ;but it is not usual for people to furnish themselves with instals for a voyage in a balloon, and certainly one would not dream L -Lucky John, Line Harriet, Linder of meeting with a warbke encounter in the stars The earth was five thousand feet beneath most horrible depth ; and the least movement of the new furious madman might

cause the car to capsize. "Ah! sh! you are mocking me, my fine fellow." continued the madman, without, "Is your horse perfectly gentle, Mr Dabloosening his gripe. "Ah! you think ster?" to rob me of one thousand frances, as well "Perfectly gentle sir; the only fault he as emotion. Very well, be quiet. It's my bas got, if that be a fault, is a playful habit turn to laugh. It's you now who are going of extending his hinder hoofs now and then.

M. Godard did not even attempt to defend but it's only a slight reaction of the muscles, it can be procured consistently with nation-

a disease rather than a vice." himself.

BELLEFONTE, CENTRE COUNTY, PENN'A., THURSDAY, APRIL 21, 1859. "What do you wish from me?' asked he,

with a calm tone and submissive air · Simply to amuse myself in seeing you have an idea. I wish to see if I can't find it is too shirty, they white Lecause it is too some emotion un there. I must out mi self. astride on the semicircle

the upper part of the balloon. Just in speak- they are still living, they white because ing he commenced to climb along the cords which held the car attached to the bal-

If you wish it, I will came along glanced into the shop to see if and throws over an enormous quantity of anything when he was re- be a drunkard as certain as I go to Wash- ried grab for the iron. His finger nails came ington I can yet escape If I pass this off rather the worse for the contact; and point I never can. I can enter the minus try, which I ought to have done long ago, weys in soperation with a menarcon with a mena ened himself up with drunken dignity, "who and my soul from he'l. But you shall de-

cide."
"His poor wife unwilling to relinquish said the Mayor; there, try to walk along the glittering prize in view, replied, weeping that she could not see why he could not be a great man and a Christian too. But the balloon for the purpose of allowing any excess of the bydrogen gas to escape, and the started to try it, but doubled over the after prayerful reflection, she would not inexcess of the bydrogen gas to escape, and the started to try it, but doubled over the after prayerful reflection, she would not inexcess of the bydrogen gas to escape, and the started to try it, but doubled over the after prayerful reflection, she would not inexcess of the bydrogen gas to escape, and the started to try it, but doubled over the current reflection, she would not inexcess of the bydrogen gas to escape. "You know it am talant shake the floor against his conscience, to go into the itineracy and she would go with him. To the astonishment of the whole State, a letter RULES FOR THE HARD TIMES - Stop grum- from him appeared in the papers, just bebling. Get up two hours earlier in the fore the meeting of the Legislature, declinmorning, and begin to do something out of ing the office, and aunouncing his retirement your regular profession. Mind your own from political life. The next thing that was

How pleasant a thing it is to have a friend dog Smole your cigars through an air to whom we can unbosom our feelings when stove. Eat with moderation and go to bed the world is harsh to us, and darkness has carly. Talk less of your peculiar gifts and settled on the face of nature. The out gushvirtues, and more of those of your friends ings of love and tenderness revive and and reflected down to carth. and neighbors. Be cheerful. Fulfill your brighten the heavens again. He who has promises Pay your debts. . Be yourself one friend cannot be driven to despair. The all you would see in others. Be a good man world, dark as it may sometimes be, will always contain one bright spot-it will grow brighter and brighter till the stricken heart partakes of the fullness of loy and is cast down no more.

If men break their promises, remeinber that God never breaks his. He prom- it." It is supposed he stopped " the talk ises "As thy days so shall thy strength be." about it," Over the left.

Have I Come to This. How painful must be the reflection, o a number of Congress, familiar with party | Young man who has enjoyed the privilege, of secrety moral instruction and faithful advice, falling into the path of abomination. and at last to find himself arrested in his wicked career by the arm of justice, and selves worth one hundred. Some men are about to receive the penalty of the law for led by a glass of greg; others sell them, his crimes while comparing the past advanselves only for a thousand pieces of glitter, tages with the present circumstances. Indeed, he may well sar, ' Have I come to

> This is not an imaginary case. It so happened that the writer of this was present when several convicts arrived at one of our State Peintentiaries Among the number was a young man about the age of twenty. four years, of good appearance and well

On going into the prison, he involuntarily

exclaimed " Have I come to this?" Alas' too late to avoid, the punishment justly due him for his crimes. What instruction such a scene and such language i calculated to afford youth. It should teach them to obey the first commandment with a promise to avoid vain company a and in a word to remember their Creator in the days of their youth. And to a parent who possesses a deep interest in the welfare of a son just entering upon the scenes of active life, who knows the evil propensities of the natural heart, and the exposedness of youth to the shares of the world a scene like this must occasion a degree of anxious solicitude lest on some future day he should have occasion to hear from that son the melanchols reflection, " Have I come to this v

The Heart of Man.

Could the eye but penetrate into its depths and gain access to those secret cells, which numery consecrates unto her own sacred cuse, it would behold with all their brightmes still olinging around them, as whom they saik from the dold gaze of the world nover denoted them. You can not doubt them. You would as soon expect the pile into seeming death. Sorins and things that lars of the universe to ermille as to the done possessed a realness, and dazzled for a they could fail in their trut. They would white the mind with their too wild brightness-tenants of those silent chambers of

the teeling Years may change the hopeful, too confiding boy into a scoffing, iron ruled man life's dark storms may sweep around him with them harkening breath, until his nature becomes infected with the taint of his heart, and impressions that have slun bered, there, called forth by the deathless tires of an Immoral fore

last a pian named John Knox, while engaged in parating on the third story of a house, fell to the ground and was taken up for dead. He was conveyed to his restdence, faid out, and his afflicted relatives and friends in due time proceeded to make the mjuses sustained by the fall.

AN AIRIL FOOT JOKE A blacksmith, nc* when he heard the laugh of the sons of Vulcan within, he blaspheined quite earnestly during the marning, with the same unfortunate result. At noon, however, the proprietor of the shap went to dinner, and one of his men took a hammer and knocked the shoe off. When the party reassembled for the afternoon, he drew the shoc out of his pocket, remarking that he had found it in tho street, and sold it to the owner for twenty five cents. Chicago Press.

VIRTUE -The creation of the sculptor may moulder into dust ; the wreath of the bard may wither : the thione of the conqueror may be shivered into atoms by an opposing nowar: the fame of the Warriof that no more be heralded by the recording minstrel; the hope of the youth may be disappointed , but that which hallows the cottage and sheds glory around the palace-virtue-shall not decay. It is celebrated by the angels of God -it is written on the pillars of Heaven,

A man in Troy who wanted a sowing machine, sold his wife for the purpose of obturning one. . He found that she had discovered an "affinity" in one of her friends, so like a shrewd dealer, at once traded her off, · that anitffly." for a sewing machine and a litttle cash, offering to throw in a child or two "rather than to have, any talk about
