A BEAUTIFUL HEAD OF RICH GLOSSY HAIR,

COMPLETELY PRESERVED

TO THE GREATEST AGE!!

And who that is gray would not have it restored to former color, or bald, but would have the growth restored or troubled with dandruff and itching but would have it removed, or troubled with scrofula, scald head, or other eruptions, but would be cured, or with sick head ache, (neuralgia) but would be cured It will also remove all pimples from the face and skin Prof Wood's Hair Restorative will do all this, see circular and the following

ANN ARBOR November 5 1856

PROF O. J. WOOD—Dear Sir I have heard much said of the wonderful effects of your Hair Restorative, but having been so often cheated by quackery and quack nostrums hair dyes, &c, I was disposed to place your first native to the same category with the rest and one bottly trumpeted quack remedies until I met you in Lawrence county some month since, when you gave me such assurance as induced the trial of your Restorative in my family first by my good wife whose hair had become very thin and entirely white, and before exhausting one of your large bottles, her hair was restored nearly to its original beautiful brown color and had thickened and become beautiful and glossy upon and entirely over the head, she continued to use it, not simply because of its beautifying effects upon the hair but because of its healthful influence upon the head and mind Others of my family and friends are using your Restorative with the happiest effects, therefore my scepticism and doubts in retrospect to its character and value are entirely removed, and I can and do most cordially and confidently recommend its use to all who would have their hair restored from white or gray by reason of sickness or age to its original color and beauty, and by all young persons who would have their hair beautiful and glossy

Very truly and gratefully yours SOLOMON MANN

FRANKSVILLE, Wisconsin, June 28 1858

DEAR SIR—It was a long time after I saw you at Prescott before I got the bottle of Restorative for which you gave me an order upon your agent at Galena and when I got it we concluded to try it on Mrs. Mary Shaw as the correct test of its power. It has done all that you assured me it would do, and others of my family and friends having witnessed its effects are now using and recommending it, are to which you are entitled to the highest consideration you claim for it

Again very respectfully and truly yours SOLOMON MANN

CARLYLE ILL. June 28 1858

I have used Prof O. J. Wood's Hair Restorative and have admired its wonderful effects My hair was becoming as I thought, prematurely gray but by the use of his Restorative it has resumed its original color and I have no doubt permanently so. S. BASSE ex Sec. for U. S.

MASON'S UNRIVALED BLACKING for sale by F. P. GREEN

Scrofula, or King's Evil,

is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children."

Its effects commence by deposition from the blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is termed the tubercles; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which genders in the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous complaints, but they have far less power to withstand the attacks of other diseases; consequently, vast numbers perish by disorders which, although not scrofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or are aggravated by the same cause.

One quarter of all our people are scrofulous; their persons are invaded by this lurking infection, and their health is undermined by it. To cleanse it from the system we must renovate the blood by an alterative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

AYER'S Compound Extract of Sarsaparilla,

the most effectual remedy which the medical skill of our times can devise for this every where prevailing and fatal malady. It is combined from the most active remedials that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only scrofula, but also those other affections which arise from it, such as ERUPTIVE and SKIN DISEASES, ST. ANTHONY'S FIRE, ROSE, or ERYSIPELAS, PIMPLES, PUSTULES, BLOTCHES, BLAINS and BOILS, TUMORS, TETTER and SALT RHEUM, SCALD HEAD, RINGWORM, RHEUMATISM, SYPHILITIC and MERCURIAL DISEASES, DROPSY, DYSPEPSIA, DEBILITY, and, indeed, ALL COMPLAINTS ARISING FROM VITIATED OR IMPURE BLOOD. The popular belief in "*impurity of the blood*" is founded in truth, for scrofula is a degeneration of the blood. The particular purpose and virtue of this Sarsaparilla is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions.

Ayer's Cathartic Pills,

FOR ALL THE PURPOSES OF A FAMILY PHYSIC,

are so composed that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitalities. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is astonished to find his health or energy restored by a remedy at once so simple and inviting.

Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named is ple
