A BEAUTIFUL HEAD OF RICH GLOSSY HAIR,

COMPLETELY RESTORED TO THE GREATEST AGE!!

And who that is gray would not have it restored to former color, or bald, but would have the growth restored, or troubled with dandruff and itching but would have it removed or troubled with scrofula or old head or other eruptions but would be cured or with sick headache, mental gloom, but would be cured. It will also remove all impurities from the face or skin. Prof. Wood's Hair Restorative will do all this. See circular and the following

PROF O. J. WOOD. DEAR SIR. I have heard much said of the wonderful effects of your Hair Restorative, but have always doubted the truth of such extravagant representations. However, I was induced to try your Restorative on the score of economy, as I thought if it was worthless, I would not be much out of pocket. I am happy to say with the greatest confidence I can recommend it as a safe and quick remedy, and I met you in Lawrence county some few months since, when you gave me such an assurance as to the merits of your Restorative, as induced me to try it. The trial of one Restorative in my family fully bore out your assurance, and before exhausting one of your large bottles, her hair was restored nearly to its original color, and has become more youthful and luxuriant, and has not fallen out since. Prior to using your Restorative, her hair was dry and harsh, and had become so much so that it was impossible to comb it. Your Restorative has also had a beneficial influence upon the mind and mind of the lady, and I feel confident in saying that my family and friends are using your Restorative with the highest effects; therefore my skepticism as to its merits is removed, and I am a warm advocate of its unparalleled and unfailing merits, and can safely recommend it to all who would like to have their hair restored to its original color, and to all who are afflicted with scrofula or any eruptions on the face or skin, as a sure remedy for the same. All who would like to have beautiful hair, and to all those who are afflicted with baldness, I would say, use Wood's Hair Restorative, and you will have the hair in a few months. Yours truly and gratefully,

SOLOMON MANN.

Centre Hall, Pa. June 25, 1856.

I have used Prof. O. J. Wood's Hair Restorative, and have admired its wonderful effects. My hair was becoming so thin that it promised to grow bald by the use of the Restorative, it has restored its original color and I have no doubt permanently.

THE LIVER INVIGORATOR!

PREPARED BY R. D. SANFORD,

Compounded Entirely from GUMS,

IS ONE OF THE BEST PURGATIVE AND LIVER MEDICINES now before the public that acts as a *Cathartic*, cleaner, milder, and more effectual than any other medicine known. It is not only a *Cathartic* but a *Liver* remedy, acting first on the *liver* to eject the morbid matter, then on the *stomach* and bowels to carry off that matter, thus combining two purges effectually, with a wholesome tonic influence pertaining to the operation, and not *Cathartics*. It strengthens the system at the same time that it purges it, and when taken daily in moderate doses will strengthen and build it up with unusual rapidity.

The Liver is one of the principal regulators of the human body, and when its functions become deranged it forms its functions with it. The *stomach* and almost entirely depends upon the proper performance of the *liver* for the proper performance of its functions, when the bowels are all right. The stomach suffers in consequence, and the whole system of our organs suffers in consequence, having ceased to do its duty. For how many years, in which the Liver has made it his duty, of the proprietors in a practice of more than twenty years, to find some remedy to counteract the many derangements to which it is liable.
