YERMA \$1 5018 ADVANCE VOLUME 4 --- NUMBER 28.

(From the Milwankie (Wis) Sentinel, June 18] Dreadful Tragedy -- Murder and Suioide. Yesterday morning the police received intelligence of a frightful tragedy that occurred the previous evening about eight miles from the city, on the new road between the Howell and Kuboum roads. The circumstances as related to us by Chief of Police Beck, and others, are as follows :

Adam Rettig, hitherto a respectable and well-to do farmer, who resides in the locality above described, on Thursday evening between 6 and 7 o'clock, sont his two sons away to a neighbor's on som . erra ul. and thing else to do besides looking after the at the same time, directed his daughter to naughty boys. But fortunately near the go out in the yard red milk the cows top of these pews, and just about up to the Booner had the chillren got away from the faces of the little boys and girls, there were house than Rettig seized an ave, and while openings , and as my class was gathered in his w.fe's back was turned, (she attending a wing pew by the side of the pulpit, it was to some household work at the time,) ho ing her skull, and knocking her senseless to boys and girls, all glistening through the discharged it the bills, graz against the tib boues, passel up under the shoulder There was one class in the school that over- blade and came out at the top of the head

ted a good deal of attention. It was a class Not satisfied with this, the w etched min then took a kettle of boiling with an infour of twelve little girls, all nearly the same age - about seven or eight. Their teach r ed it over h r from her to fort while hfo bappily adapted all she said or did to their still livel, and shrick also torques work any intention either to rober destroy. He, mods She would take a stool, and sit, than douth. This does, R they then bent down in the centre of the new And Fire out to a smok chois; in his yard and takin; we see one advantage of the old fushioned in old rill, which he had proviously left pew -she could have her scholars all around their, already lowled with a long stick fire ber , her head we ild come up just about to tened to the trigger, placed the muzzle un der his chin an i blowed his own bisins out ! the heads of the little girls. She believed And thus ended the bloody dram i. ** in being on a level with her scholars in every

The daughter in the moantimo, hearing a way she could ; and there she would sit and noise, was coming towards the linuse, just look at them, and they would sit and look in time to see her father enter the amoke at her ; she would sit and talk to them, and house, but before she could reach the door they would sit and listen to her ; she would stand amile on them, and they would sit he had shot himself. This with droadful shock to the poor girl in leed, but who can and smile on her weye answering to eye. imagine her horror at the bloody spidtacla

that mether gaz, when she entered the One Sabbath there was more than usual house ! There lay her mother watering in interest. Afterwards I learned the mason blood, but still worthing withing. The It seems that one of their number whose name was Helen, "axpected to leave town the neighbors were alarmed, and medical aid next morning with her parents, for Illinois procured as soon as possible The poor woman, however, was past all hip but she -what was then the Far West -and the lingered through the night, though insensitescher suged uppit this circumstances to it. It is said that there is no hope of her recovher class, I presume, about parting and err.

meeting in a better world. There was a si-Rettig had lived in this country, for uplence for a moment ; when Relen, as if she wards of twelve years, during which time. had a mission to fultil, fixed her black eyes by prudence and economy, he had laid up upon her teacher, and with deep emotion the snug little sum of \$12,000, besides hav and flowing tears, said . ' My dear teacher, ing a well stacked and cultivated farm of if I go away, and am a good girl, when I eighty acres He was half brother of Matthicome to die, and go to heaven, shall I see as Stien, one of our oldest and most respecyou there ?' O, what a question from a ted citizens, and, as far as we can learn he Sabbath school scholar to her teacher !-lived an irreproachable life Of late years,

however, he had been characterized by ox-The next morning she left - and the first treme eccentricity on one subject, namely atelligence they had front her, a few months his wife's fidelity, and lately this idea worked upon him to such an extent that he frequently accused his best friends of designs upor her clustity, and this, no doubt, led to the dieadful deed. He was insane. His wife s said to have been a most excellent wo man-
