WOOL! WOOL!! WOOL!!! BY SPRING ORREK WOOLEN MANUFACTORY.

OF OBERT KENDALL, in connection with Bamuel Houser, has commenced business anew at the old stand on Spring Creek, under the firm of Kendall & Houser, where our highest ambition will be to render satisfaction to all who may favor us with a leek of wool or otherwise. The public generally may rely upon obtaining goods of a superior quelity from our wagons, or at-the establishment, as we purpose not to be surpassed by any similar concern in the country. Our long connection and business transaddment at this place for the future. You will all please remember that our wagons will be a round in due season to exchange goods for wool, of which we anticipate a very generous pile. Oloth, Satinet, Flannest, I and some money always un hand to exchange for wool and all marketable produce. Roll Carding done well at 6‡ cents per pound.

The Benior partner would embrace this opportunity and make agknowledments to his numerous friends and former coustomers, knows of no good reason why old friends should not meet again in a coat of the same eloth.

MICHABL RUNKLE.

Scrofula, or King's Evil

Its effects commence by deposition from the blood of corrupt or ulcarous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which genders in the blood, depresses the energies of life, so that scrothlous constitutions of the surface and surface and surface and surface are sufficient corrections. the energies of life, so what scrofulous constitu-tions not only suffer from scrofulous com-plaints, but they have far less power to with-stand the attacks of other diseases; conse-quently, vast numbers perish by disorders which, although not scrofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumption which de-cimates the human family has its origin directly in this describing contempration; and the

cimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver, htdneys, brain, said, indeed, of all the organs, arise from or are aggravated by the same cause.

One quarter of all our people are scrofulous; their persons are invaded by this lurking infection, and their health is undermined by it. To cleanse it from the system we must removate the blood by a mileterative medicine, and in the blood by an alterative medicine, and in-vigorate it by healthy food and exercise. Such a medicine we supply in

AYER'S

Compound Extract of Sarsaparilla,

the most effectual remedy which the medical skill of our times can devise for this every where prevailing and fatal malady. It is combined from the most active remedials that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only scrofula, but also those other affections which arise from it, such as BRUTTIVE and Sain Diseases, St. Anthony's Pier, Rose, or ERYSIPELAS, PIMPLES, PUSTULES, BLOTCHES, BLATTS and BOILS, TUMORS, TETTER and Salt RHEUM, SCALD HEAD, BINOWORM, BLOTOMES, BLAINS and BOILS, TUMORS, TETTER and SALT RIBUM, SCALD HEAD, BINOWOMS, RIBURATION, STPHILITIC and MERCURIAL DISABLE, DROPEST, DEPERSIA, DEBILITY, and, indeed, ALL COMPLAINTS ARISING PRON VITTATED OR LEPURS BLOOD! The popular belief in "impurity of the blood!" is founded in truth, for scrofula is a degeneration of the blood. The particular purpose and virtue of this Sarsaparills is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions.

Aver's Cathartic Pills.

FOR ALL THE PURPOSES OF A FAMILY PHYSIO, are so composed that disease within the range of their action can rarely withstand or evade them

are so composed that calesse within the range set their action can rarely withstand or evade them. Their penetrating properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitalities. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is astonished to find his health of energy restored by a remedy at conce so simple and inviting.

Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis my American Almanac, containing certificates of their cures and directions for their use in the following complaints: Costirenss, Heartburn, Headache arising from disordered Stomach, Nausea, Indigestion, Pasn in and Marbid Inaction of the Boscal, Platutency, Loss of Appetite, Joundes, and other kindred complaints, arising from a law gatan of the hody or a harmonical and a support of the complaints of the form a law gatan of the hody or a harmonical complaints.

Aver's Cherry Pectoral, . FOR THE BAPID OURS OF Coughs, Colds, Influenza, Moarseness, Croup, Bronchitis, Incipient Consump-tion, and for the relief of Consumptive

Patients in advanced stages of the So wide is the field of its usefulness and so nu-Bo wide is the field of its usefulness and so numerous are the cases of its cures, that almost every section of country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried, its superiority over every other medicine of its kind is too apparent to scape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.
