The Judgeship.

In Mr. LINES S manifesto, sava the Clintor Democrat, which we published at the time u was issued, he tool decided ground against party nominations for Judgeships, and also against candidates who would accept party nomination for that position - Yet within about two weeks from the date of his letter, he is himself nominated for Judge by all the Rpublican conventions of the district in which he is a candidate and these nominations he tacitly accepts by his failure to decline them His name is also paradoff at the head of every Republican paper of the district, as the candiant consequences of perverting the truth. date of that party. It's fair then, to assume that he has repudiated his own platform -that in two short weeks he has intirely changed not only his mind but the very principle upon his own politics, he must necessarily at which he expected to be elected-and the man of one mind to day and another to mor row wants to be a Judge of our Courts !
