A NOBLE SERTIMENT.—Some true hear has given expression to its generous nature In the following beautiful sentiment :- Nevor desert a friend when enemies gather around him-when sickness falls on the heart-when the world is dark and cheerless -is the time to try a friend. They who turn from a scene of distress betray their hypocrisy, and prove that interest moves them. If you have a friend who loves you and studies your interest and happiness be sure to sustain him in adversity. Let him feel that his former kindness is appreciated, and that his love is not thrown away. Real fidelity may be rare, but it exists in the heart. Who has not seen and felt its powers? They deny its worth who never loved a friend, or labored to make a friend happy.

HEARING. -- The art of not hearing should be taught in every well-regulated family. It is full as important to domestic happiness se a cultivated ear, for which so much money and time are expended. There are so many things which it is painful to hear many which we ought not to hear - very many, which, if heard, will disturb the tem per, corrupt simplicity and modesty, detract from contentment and happinesss ;that every one should be educated to take in or shut out sounds, according to their pleas-

Pagantreat. -The Presbytery of Hunting don held its semi-annual meeting at the Presbyterian Church of this place, on the 4th inst., at which time the fiftieth anniver sary of the Pastgrate of the Rev. Jas. Linu was celebrated with becoming ceremony -A large number of ministers were in attendance. Crowds of people attended during the services, many of whom were from distance.

flarrick & LUDICROUS anecdote occurred recently at the Book Store of Samuel F Schwartz & Co., for the truth of which we are not prepared to vouch. It appears that an unsophisticated lass called at their store on Bishop street for the purpose of purchasing some stationary, when Sam, who is a jovial inquisitive kind of a fellow, accosted her in this wise :- " Well Sal any one courtim wa you mow," to which she prohibity renited : - " Well Sam, a chap is sort o' courtin me and fort o' not, but it is rather more soft 3' not than sort o'." The last account we had of Sam the Book business was in a Hourishing condition.

AGRICULTURAL FAIR .- The annual exhibition of the Agricultural Society of this County, opened on Tuesday last at Boalsburg. We anticipate being present before the close of the Ethibition, and will give a more extended notice in our next issue. The crowded state of our columns previous to the election, prevented us from giving the Whites, those Pills will effect a cure when all other Agricultural Fair that attention which the means have failed, and although a powerful rough importance of the subject demands.

A FURNACE AND SAW MILL BURNED. Martha Furnace and the Steam Saw Mill adjoining, were entirely consumed not long since by fire. The property was owned by Mr. Jack Thompson, whose loss is consid erable. The fire originated in the Steam Saw Mill. We have not been informed of full particulars.

Rew Goods. Business in Bellefonto in beginning to brighten up. A number of our Merchants have been to the City, and laid in their Fall and Winter supply of new goods. Messrs. Tonner & Steel, Wilson & Brotners, and May & Lamb, are doing business very extensively, since their return from the Bast.

AMBROTTERS, DAGUERAROTTERS AND PRO-TOGRAPHS. -The Arcade Picture Rooms are still kept open, where every variety of pictures taken by the Heliographic art can be obtained. The proprietor has recently received a new and full supply of cases .-Hours for operating from 9 o'clock A. M., till 5 P. M.

DEDICATION .- We are requested to state, that the new M. E. Church at Harrisonville, will be dedicated on Sunday, the sixth of STRAY CALF.

CAME to the residence of the subscriber in Walker township, about the 15th day of September last, one black Helfer Calf, supposed to be about fifteen mouths old, with a silt out in the right car. The owner is requested to come forward, prove property, pay charges and take it away, or else it will be disposed of according to law.

Hubbersburg, Oct 26, 1859. November, proximo. Anumber of prominent ministers have been invited and will doubtless be in attendance.

WE UNDERSTAND that a fraces occurred on Bishop street, on Saturday evening be-fore the election, in which a man whose name we did not learn, had his nose bit

nearly off by another man. John Van. a colored man, was committed to Jail to await his trial, on Tuesday the
