stand the attacks of other duscases; consequently, vast numbers perish by disorders which, although not berofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or are aggravated by the same cause.
One quarter of all our people are scrotulous; their persons are invaded by this lurking infection, and their health is undermined by it. To cleanse it from the system we must renovate the blood-by an alterative medicine, and invigorate it by healthy food and exercise. Such a medicine are supply in

AYER'S Compound Extract of Sarsaparilla,

the most effectual remedy which the medical skill of our times can devise for this every where prevailing and fatal malady. It is combined from the most active remedials that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not-only scrotule, but also those other affec-GROCERIES OF ALL KINDS,

FOR ALL THE PURPOSES OF A FAMILY PHYSIC.

FOR ALL THE PURPOSES OF A FAMILY PHYSIO, are so composed that disease within the range of their action can rarely withstand or evade them. Their senetrating properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitalities. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is anomshed, to find his health or energy restored by a remedy at once so simple and inviting. Not only do they cure the etery-day complaints of every body, but also many formulable and daugerous diseases. The agent below named in fleased to furnish grafts my American Almanae, containing certificates of their cures and directions for their use in the following complaints. Contreness, Hearthurn, Headache arising from dioretered Stomach, Nausea, Indigestion, Pain my and Mabid Inaction of the Bowels, Flatitiency, Loss of Appetite, Jamilice, and other kindred complaints, arising from a low state or a body.

Ayer's Cherry Pectoral, FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive

Patients in advanced stages of the discase.

So wide is the field of its usefulness and so numerous are the cases of its cures, that almost every section of country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When since tried, its superiority over every other medicine of its kind is too apparent to escaps observation, and where its virtues are known, the public no longer heaitste what amidute to employ for the distressing and dangerous affections of the pulmonary organs that are incident to any climate While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits. Patients in advanced stages of the on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.
