Hymenial.

MARRIED: In Milesburg, on the 8th inst., by the Rev. Mr. Bowers, Mr. JOSIAH HEEPS, and Miss SUSANNAH LYONS, of Spring township.

CHILLS AND FEVER! CHILLS AND FEVER!! — One of the greatest remedies that has ever been laid before the public, for Fever and Ague, and which have received the highest encomiums from the press and the people, is DR. J. HOSTETTER'S CELEBRATED STOMACH BITTERS. — Who would endure the terrible disease arising from this terrible disease, when it can be so easily cured? Who would endure sleepless nights, burning fevers and icy chills, alternately, when a remedy can be obtained for a mere trifle? And yet how many families linger out a painful existence under this deadly blight, and do nothing but gulp down quinine, until it becomes as common as their daily meals, and yet they are not relieved. None but the foolish and the weak would hesitate to procure these valuable Bitters, and save themselves intense agony. Sold by druggists and dealers everywhere.

Grape Culture at Hammonton.

A number of grape growers from Ohio have introduced the culture of the grape at Hammonton, New Jersey. It is twenty-five miles southeast from Philadelphia, and the soil and climate is considered by many the best adapted for the grape of any in The Union. Frosts never injure the vine and there is a high district of land between the little and the great Egg Harbor rivers, where they have never been known to suffer from mildew or rot. We understand that some vineyards were set out the past season, mostly Catawba and the Isabella.

The market here presents a great inducement, grapes bringing twice the sum they do in Cincinnati; being within but several hours of either New York or Philadelphia by railroad, the market is unlimited. Adjoining Hammonton is a bottle manufactory, and every appliance necessary for extensive wine making.
