

HOSTETTER'S STOMACH BITTERS.

It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able to regulate the system as to secure permanent health.

In order to accomplish this desired object, the true course to pursue is first to find that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any bilious complaints, arising from a morbid condition of the stomach or bowels, producing Constipation, Dysentery, Colic, Headache, Malaria, &c., these Bitters have no equal.

Diarrhoea, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent in all climates than any other, and the cause of which may always be attributed to derangements of the digestive organs, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle.

For Persons in Advanced Years, who are suffering from an immoderate constitution and infirm body, these Bitters, by their healthy and restorative effect on the system, and need only be tried to be appreciated. And to a mother while nursing her infant, are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is that the Bitters, as needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the nature of the Bitters, will recommend their use in all cases of weakness.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Cream Soda Bitters, and see that each bottle has the words "Dr. J. C. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metal cap covering the cork, and observe that our autograph signature is on the label.
