as a private citizen, to carry the Banner of the Democracy of the Old Keystone onward to victory; and we individually, and collectively hereby pledge ourselves to use every honorable effort to secure his election.

Resolved, That in view of the effort now being made by that Giant monopoly, the Penna. Railroad, Company to secure the repeal of the Tonnage Tax, which amounts to a large sum of money, and which said company or corporation pay into the Treasury of Pennsylvania—we believing that Tax to be right and just, and that the repeal thereof would be highly injurious to the Tax payers of this State, by increasing heavily our Taxes, do hereby instruct our legislative candidate, in the event of his election, to use every effort to prevent so great a wrong being inflicted upon the hard working yeomanry of this Commonwealth, as the repeal of said Tonnage Tax would effect.

Resolved, That we fully and most heartily endorse the action of the State Central Committee, in its effort to harmonize the Democracy of Pennsylvania and believing that the energy of every true and patriotic Democrat, should be first directed to securing the defeat of the Republican Candidates for the Presidency and Vice Presidency of these United States, and feeling confident that the bases of Union adopted by the State Committee is the most feasable and likely to effect that object, we would most earnestly recommend to the Democracy of Centre County to lay aside all personal preferences, and to rally as a unit in support of the Union Electoral Ticket.

Resolved, That this Convention heartily endorse the unwavering, straightforward, and bold manner in which our two excellent Democratic papers of this County, the Reporter and Democratic Watchman have advocated the true policy of our time honored Democracy, by boldly meeting every opposition and laboring constantly for that union and harmony of action which alone can crown our efforts with success.

Resolved, That we do hereby pledge ourselves to support the nominations made by this Convention and to use every exertion to elect the entire Ticket

After the Resolutions were adopted, the Convention adjourned with three hearty cheers for the Ticket

Another Arrival from Europe.

Farther Point, Aug 20 The Montreal Company's steamship North American passed here this morning, having left Liverpool on the 9th inst

Her news is meagre and unimportant The English House of Commons had voted a subsidy to the Galway line, thereby confirming their mail contract and securing its permanency.

The Indian budget was to be presented in Parliament on the 13th, and it was reported that a large loan will be involved.

The Emperor Napoleon has given 300 000 to aid the Syrian sufferers

The latest advices from that quarter report quietness at Damascus but murders continued to be committed in the neighborhood Thirty thousand Christian women had been sold for the harems at twenty-five piastres each!

No further movement had taken place either in Naples or Sicily

Garibaldi writes to the King of Sardinia that he considers it a sacred duty to deliver Venetia, and that a navy as powerful as that of Naples would enable him to succeed.

General Lemoriciere had suppressed a demonstration favorable to Garibaldi at Lodi, and had taken the leaders prisoners.

Letters from Rome assert that a body of 15 000 Piedmontese had landed in the Papal territory at San Stephany

Londonderry Aug 9 Advices from Palermo of the 2d inst, report political troubles there Great numbers of persons had been furnished with passports to leave Italy

Favorable advices have been received from the North Atlantic Telegraph Expedition at Faroe Islands

Garabaldi was still at Messina on the 8th inst continuing his preparations

Appeals to the people to take up arms against the Government were posted at Naples on the 4th

Advice from Vienna says that active negotiations were proceeding between Austrian and Rome regarding the eventuality of Garibaldi invading the Pontifical States. The Duke of Modena promises, in that case, to unite his troops with the Papal army

STILL LATER FROM EUROPE

Halifax, Aug 20.—The steamer Arabia arrived with Liverpool advices of the 11th instant

Four hundred arrests had been made at Damascus and the immediate trial and execution of those found guilty of participating in the recent massacres had taken place The city was tranquil, and the Sultan's authority was returning

Garibaldi was at Messina preparing for his descent on the main land

St Johns N F, Aug 24

The steamship City of Baltimore, from Liverpool on the 15th, for New York, passed off Cape Race yesterday afternoon. Her advices, which are four days later, will be obtained by the news yacht. The steamers Jura and North Briton had arrived out

The Markets — Flour is steady. Wheat advancing. Provisions dull. Corn advancing. Consols 93¼.

The following political intelligence is furnished: Eighteen hundred men of Garibaldi's force have landed in Calabria. It is reported that Garibaldi has been to Naples to confer with the revolutionary leaders at that point. Naples has been proclaimed in a state of siege

It is reported that Austria will renounce the treaty of Villa Franca and actively oppose the operations of Garibaldi in Naples as threatening her interests in Venetia.

Fifteen hundred English troops have landed in Syria.

Henry D. Foster —The editor of the Centre Democrat, who warmly sustains the Republican nominees, thus alludes to the Hon. Henry D Foster. We commend it to the perusal of some of the politicians in this section

"We are sorry we are placed in a hostile position towards Gen. Foster, we like him very much, and come what may, no word or abuse shall escape our lips when speaking of him, nor will we stand by and hear him traduced by any one. The man who maligns him in our presence, will be told he is mistaken; if he repeats his abuse, he will be told he is a liar; and if he reiterates a third time what we know to be false we will smash his teeth down his throat"

Watch whether the straight-out Committee, which now denounces and execrates fusion, does not make, or attempt to make, a fusion with some party in Pennsylvania before November.

Messrs Editors:—The death of A. J. Edmunson, having been announced to the A. L. Society of the Pine Grove Academy and Seminary—the following preamble and resolutions were adopted:

Whereas, it having pleased Almighty God to call our esteemed and beloved friend, who was a former member of our society, from this stage of action, to try the realities of a never ending eternity, therefore,

Resolved, That we bow in humble submission to this another dispensation of providence.

Resolved, That in losing him, we feel that we loose one who has mingled with us, previously, and one who ever manifested a profound interest for the cause of christianity—and whose deportment was ever, while a member of our society, to improve himself, and to advance the interests of it.

Obituary.

Died, On the 12th day of August 1860 Mrs Elizabeth Kobel aged 81 years less 27 days, relict of the late George D Kobel, of Harris township, Centre co. Her disease was dropsy of the chest

Mrs Kobel was an exemplary member of the Evangelical Lutheran Church for a period of sixty years or upwards Her sphere was "Home" and within its sacred precincts Nobly did she act out the part of a true woman We would speak of her many virtues of her unostentatious piety amiability of disposition—natural kindness and benevolence of heart of her humility of spirit, and tender solicitude for the welfare of others, but our pen refuses to do service, and we can only use the word of broadest meaning and call her "Good"

Her fine sensitive nature was always pained to hear detracting language about a fellow-being however true and she would mildly manifest displeasure by her countenance, or, by a word or soft reproof signify her disapproval She has left us now, and is gone to rest Peace to her memory

NEW TOPOGRAPHICAL MAP AND DIRECTORY OF CENTRE CO, PA.,

BY S D. TILDEN,

From actual measurement by Instrumental Surveys throughout the County

The undersigned propose to publish by order, a large and accurate TOPOGRAPHICAL MAP OF CENTRE COUNTY PA from a thorough and careful surveys, by H F Walling, Civil Engineer

Every road has been carefully surveyed by course and distance, and the location noted of all the PUBLIC ROADS, DWELLINGS, CHURCHES, POST OFFICES, HOTELS, STORES, SCHOOL HOUSES, FACTORIES, MILLS, SHOPS HILLS, PONDS, MARSHES, STREAMS, &c The names of PROPERTY HOLDERS generally—carefully including those who order the work—will be engraved upon the Map, showing the exact location of each

Extra maps of the PRINCIPAL VILLAGES will be engraved on the Margin of the Map; also a TABLE OF DISTANCES, showing the number of miles from each Post Office to every other throughout the County, together with the latest statistical information An ornamental border will surround the map.

The Map will be engraved by the most skillful Artists in the country, handsomly colored and mounted, and will be delivered to those who order for Five Dollars per copy

We are now actively engaged in forwarding the work, and shall endeavor to give every property-holder an opportunity of ordering a copy, and also of examining the work before its final completion, in order to make it entirely satisfactory as to accuracy &c.

The Map will contain all the information usually found in Town Maps, for each of towns in the County and it is obvious that the most liberal patronage is needed to sustain us in producing a work of so great magnitude and expense As it is evidently of such practical utility and interest to business men and citizens generally presenting so minute and distinct a representation of the County that even the child may readily acquire a correct idea of each town, village &c, and their true directions, distances from each other, we confidently solicit and expect the hearty co-operation of the intelligent and enterprising citizens of Centre County

These maps are sold exclusively by the publish of no variation in price No more maps will be put of than what are actually ordered.

S D Tilden Publisher,
308 Pearl St New York

We the undersigned, having examined the recent surveys and drafts of Centre county also Topographical Maps of other counties, published by Mr S D Tilden, take pleasure in recommending a Topographical Map of this county which is very much needed being of great practical value to business men and citizens generally, and from the united testimonials and recommendations they have from distinguished gentlemen where they have made surveys and published county maps

We feel confident they will furnish an accurate, reliable and useful Map and Directory well worthy of liberal patronage

We hope the citizens of this county will interest themselves sufficiently in this enterprise so that the Publisher may engrave upon the margin of the map extra plans of the villages in the county upon an enlarged scale

Considering the expense of such a survey of the whole county, and it being entirely a local work we think it is offered to the citizens on very reasonable terms
