

HOSTETTER'S STOMACH BITTERS.

It is a fact that, at some periods, every member of the human race is subject to disease or disturbance of the bodily functions; but with the aid of a good tonic and the exercise of plain common sense, they may be able to regulate the system, as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any other Complaints, arising from a morbid action of the Stomach or Bowels, producing Cramps, Dysentery, Cholera, Morbus, &c., these Bitters have no equal.

Diarrhea, dysentery, or flux, so generally contracted by new settlers, and caused principally by a change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs, can be cured without fail by using

HOSTETTER'S STOMACH BITTERS in the directions on the bottle. For this disease every physician will recommend Bitters of some kind; then why not use an article known to be infallible? All nations have tried these Bitters as a preventive of disease and strengthening of the system in general, and will all testify to their utility.
