## len't it Worse for a Man, Father \$

It is two years since I left of the use of toany morning with a cigar in my month,

The way it huppened that I left off wat this: I had a little son about six years of age. He almost always hurried to be ready to watk down with me as far as his school. ways welcome, and he bounded along beside me chattering, as such dear little feldirty, uncared for boys, whose chief delight seems to be to pick up pieces of discarded ofgars and broken pipes, and with their hands in their pockets puff away in a very inelegant manner. One morning it seemed as if little Edger and I met a great many of these juvenile amokers. I beceme very much disgusted, and pointed them out to little Edget as an awful warning to youthful delinquency, talked quite largely, and said the city au-

thorities ought to interfere and brake it bp. A little voice, soft and musical, came up to me as I gave an extra puff from my auperb Havana. A bright little face was upturned, and the words, "Isn't it worse for a man, father?" came to my ears, I looked down on the little fellow at my side, when his timid eye fell, and the color mounted his cheek, as if he feared he had said something bold and unfitting. "Do you think it is worse for a man, Eiger?" I asked.

" Please, father, boys would not want to smoke and, chew tobacco if men did not de

Here was the answer I threw away thy cigar, and have never touched tobacco since in any form.

### A Difficult Question Answered.

Can anyhody tell why, when Eve was manufactured from one of Adam's ribs. & hired girl was't made at the same time to wait on her? - Exchange.

Wa can, easily. Because Adam pover came thining to Eve with a ragged stocking to be darned, or a collar string to be newed on, of glove to be mended "right away, quick now!" Because he shever read the newspan per until the sun got down behind the pales trees, and then stretched himself, yawning out, "ain't supper most ready, my dear?" Not he. He made the fire, and bung over the teakettle himself, we'll venture, and nulled the radishes, and neeled the bananas. and ue did everything also that he most to f-He milked the cows, and fed the chickens, and looked after the pigs himself. He never brought hime a helf-nedeten friends to dinner, when Eve hadn't any fresh pomegranstee, and the mange season was over! He never stayed out until 11 o'clock to a "ward meering." hurrahing for the out-and-out canwas sitting up and crying, inside the gates. To be sure he acted rather cowardly about apple garbering time, but then that don't depreciate his general hopefulness about the warden! He never played billiards, nor drove fast horses, nor choked Eve with signe smoke. He never loafed around corner grosceries while solitary Eve was rocking little Cain's cradle at home. In short, he did not think she was specially created for the purpose of waiting upon him and wasn't under the impression that it disgraced a man to

lighten his wife's cares a little. That's the reason that Eve lid not need & hired girl, and we wish it was the reason that none of her decendants did.

### The Prince Meets a Waterloo Veteran at Albany.

Lord Renfrew left this morning wery intercating interview took place at Congress Hall. Philip Mills, an old veteran of Waterleo, oue of the Guards to whom Wellington said, on that eventful day, "Up, Guards and at them." was presented to Lord Renfrew and his suite. He showed the Prince his Waterlo) medal, his certificate of honorable Aisconduct," and his cortificate of ten vente mervice in the police, in London. He also handthe superintendent of the London police, ad . dressed to the Covernor General of Canada. They were given to Mills in 1835, and their seals have remained unbroken till they were broken this morning by the Prince. They were found to contain the strongest possible
