They carried the State by less than nine thousand majority, and what is a most disgraceful fact, four teen thousand real negroes a cast their votes for the Black Republican ticket. Here is a triumph which is degrad ing to the white man and one which almost makes us feel ashamed of our country. The Cleveland Plaindealer speaks plainly on the subject:

"Full blooded negroes voted in siteral of the wards yesterday. At the Second Ward negroes as black as coal peddled tickets.—Negroes hired carriages and carried white men to the polls. Negroes were everywhere. The refrain commencing, "Sheep's meat's too go of for negroes," is an absurdity. Here on the Western reserve roast beef is hardly good enough for them. They sit at the first table and white min are forced to lap up the crumbs at the second. That's the stylc here. That's what alls us. We have met the Africana, and we are theirs!

As if this was not strong enough, we find the following paragraph in the Boston Courier.
