Miscellaneons, Mr. Doddridge's Dream.

Mr. Doddridge had been spending the evening with his friend, Dr. Watts. Their conversation had been concerning the future existence of the soul. Long and earnestly the conclusion that it could not be that they soul must necessarily be an individual, and and affection. As Doddridge walked home, httle cognizance of outward matters. In the fear of God, framing all his actions with mass. The time required for the proposition this state, he laid his head upon the pillow, that great day in view, when all decisions belongs to those inconceivable periods with child dreams -bul oh ! who can tell the soft and fell asleep. He dreamed that he was dying. He saw his weeping friends round secret shall be revealed, all mysteries solved, The resisting medium is so exceeding atten- frightened upor teny slarms of all that is his bed, and he wanted to speak to them, nothing concealed To one who has thus but could not Presently there came a lived, dying can only be like nightmare sensation His soul was about to leave his body ; but how would it get out? And Tying down to pleasant drams " This uneasy state passed away, and he . But Life ' O, Life ' what is it to live? found that the soul had left his body. He Not merely to cat, drink and sleep-it is to himself stood beside the bed, looking at his love, to rejoice, to mourn, to it el the keenest own corpse, as if it were an old garment land soriows, to know the greatest pleasuress aside as useless. His friends wept around "We live in doeds, not years , in thou shts, no the mortal covering but could not see him Infeelings, not in figures on a dial " While he was reflecting upon this, he passed Man dies, but his influence lives : it ceas out of the room, he knew not how, but pres ently found hunself floating over London as

es not with the pulsations of his heart, bu if pillowed on a cloud, born by gentle shall live and be felt even when he is forgot breezes. Far below him, the busy multi ten. This makes it a solemn, yes, a fearful tude were hurrying hither and thicker, like thing to live. O, who does not shutder at rats and mice scampering for crumbs. 'Ah, the thought of exerting an influence which than foolish appears this foolish scramble ! through all eternity ?

For what do they toil, and what do they Prof. Hitchcock, in his chapter on the "Telegraph System of the Universe," introduces the remark the theory that our words. London passed away beneath him, and he found humself floating over green fields and our actions, even our very thoughts, make blooming gardens. " How is it that I any an indelible impression upon the universe ; borne through the air ?" thought he. He that 'not a word has ever escaped from mor looked and saw a large purple wing, and tai hps, but it is registered indebbly upon in other words, the day is shortening with "Whither are we going ?" said he "To Heaven !" was the reply. He asked an influence, and that this influence is con- tell whether the latter is becoming shorter

Quit That.

Elopement of a White Woman with a The Game of Eachre and Life-An Ar-

We gave a brief account of the arrival of black man and white woman in the Camberland Valley train on Friday morning, whom the officers were ordered to arrest, by a telegraphic dispatch received from Cham bersburg. The facts in the case have been developed

Near Hagerstown, Md , resides an old laughter married a man named Foltz, against her father's protest She lived with Foliz for some years, and had four children. Latshe abandoned him and went to her father's house. Her father compelled her town block. must remain as they are made ; when every which geology and astronomy have to deal. ness of a child while it dreams in a sieep She then packed up a quantity of effects and induced a negro, the property of her brothcr-in-law, to steal a horse and wagon, in which the two want to Hagerstown, stopping at different places. Mrs Foltz bought two tickets, and also a suit of clothes for the rows of grief to the very soul of your child. hegro.

They got into the cars, and reached this How common a halut is this to teach chil a rescue by the negroes congregated at the play cautious, be satisfied with a plint .-depot, who had evidently got wind of the exactly known, but it was evident that the well slinned, Bob ; don't 'let 'em 'nig' on negro way a slave, from the fact that when woman stepped upon the platform of the Philadelphia car, a full suit of gray clothing. never get drunk, for no matter how good such as is usually worn by slaves dropped from the place of concealment-under the oman's skiris ! In Philadelphia they were promptly arrested. By the next train offi-

cers arrived, and at 11 o'clock they started time to sue out a hebeas corpus.

The negro was a very ill-visaged fellow and the woman paskably fair, so that many were charitable enough to suppose that she only took him along to aid her in her flight, without any criminal intent. But this supposition was dissipated by the fact that she

company was her husband. m Saturday, and apparently heart broken right if you get 'skunked "" at the unnatural conduct of his daughter --

The latter will be taken home, and the negro will in all probability be sent to a cotten plantation in the far South .- Patriot and beauty of the family don't invariably turn Union.

there's pardoned singers and unpardoned duct. On the occasion of a "military mus-

ing blood. You see on the bills I'm called dren, that we do not feel like patting these

Hon. Edward Everett voted in -B. made application for such a berth, for sons, | ward 7, | and on presenting himsel nephews, and second cousins. If I turned polls the cry was raised by those worse ; every soul, far and near, came to ssk ' Three cheers for Mr. Ever iny elevation ; and, like poor Actacon, I was gratifying to the recipie

How TO Kiss -hounds. I was obliged to how and smile, and play the courtier, while my very soul all round the wais was fretting imalf to shreds and statters ; thes; and then affell for it is among the horrors of greatness, in do. won't you let
