HOSTETTER'S
STOMACH BITTERS.

It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that, which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any Bilious Complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentery, Colic, Cholera Morbus, &c., these Bitters have no equal.

Diarrhœa, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive orgâns, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bitters of some kind; then why not use an article known to be useful.

All nations have their Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great preparation in the realm of medical science.

FEVER AND AGUE.—This trying and provoking disease, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him physically and mentally useless, can be driven from the body by the use of HOSTETTER'S CELEBRATED BITTERS. Further none of the above stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they neither create a nause nor offend the palate, and render unnecessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healthy digestion, the complaint is removed as speedily as is consistent with the production of a thorough and permanent cure.

For Persons in Advanced Years, who are suffering from an enfeebled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy in all cases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the virtue of the Bitters, will recommend their use in all cases of weakness.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

☞ Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, Canada, South America, and Germany.

DR. MOTT'S
CHALYBEATE RESTORATIVE
PILLS OF IRON.

An aperient and Stomach preparation of IRON purified of Oxygen and Carbon by combustion in Hydrogen Gas and by the highest Medical Authorities, both in this country and the United States, and pronounced in their practice a great acquisition to the materia medica. Every day brings proof that no preparation of Iron can be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions in both sexes, flow in their every conceivable form.

In each of all maladies in which it has been tried it has proved absolutely curative in each of the following complaints viz:

In Debility Nervous Affections, Emmenagogue Dyspepsia, Constipation, Diarrhœa, Dysentery, incipient Consumption, Scrofulous Tubercular Cachexies, Liver Complaints, Chronic Headache, Rheumatisms, Intermittent Fevers, Pimples on the Face, &c.

In Nervous Affections of all kinds, and for resorting whilst to medical men its operation must necessarily be salutary, for unlike the old oxides, it acts on the system without being exciting and overpowering, but by its regularly operant even tonic effect on the nervous without exciting the irritable or producing adverse excitement.

It has been a property among others which makes it so much in demand as a remedy for Piles upon which it also appears to exert a distinct and specific action by dispersing the local tendency which forms them.

In Dyspepsia innumerable as are its causes, a single box of these Chalybeate Pills has often sufficed for the most inveterate habitual cases, including the attendant Constipation.

In order to keep within a few when advised to Physicians and medical counsellors and also for those who have been long subject to the use of Mercury, they can be taken with the same safety as the mildest aperient, as they have in no instance been known to salivate.

In Diseases of the Kidneys and Urinary Organs they have also proved themselves a most valuable remedy, and in Gravel, Dropsy, Inflammation of the Bladder, Retention of Urine, Stone in the Bladder, Pain in the Back, Loins and Groin, Weakness of the Spine, Nervousness, Sleeplessness, Horrors, Dimness of Vision, Pain in the Eyeballs, Blotches on the Face, Pimples, Blotches and Eruptions on the Skin, Scrofula, Scurvy, Erysipelas, Rheumatism, Gout, Neuralgia, Tic Doloureux, Female Irregularities, Obstructions, Suppressions, Hysterics, Fits, Spasms, Sick Headache, Jaundice, Dizziness, Drowsiness, Coldness of the Extremities, Numbness, Paralysis, Universal Debility, Trembling, Nervous Irritability, Low Spirits, Confusion of Ideas, Indecision, Timidity, Dread of Society, Love of Solitude, Hypochondriasis, Melancholy, Derangement of the Digestive Functions, Loss of Memory, Blushing, Wakefulness, Involuntary Emissions, Sexual Debility, Impotency, Barrenness, Loss of Power, Decay, Wasting of the Organs, Indurated Testicles, Ulceration of the Urethra, Gleet, Stricture, Syphilis, Mercurial Disease, Secondary Symptoms, Blood Spots, Ulcers, Tumors, Cancer, Tetter, Scald Head, Ringworm, Scurf, Itch, Barber's Itch, Blotches, Boils, Carbuncles, Pimples, Blotches and Eruptions on the Face, &c.
