## Miscellaneous.

The Homestead Bill.

Bill which passed the liouse of Representations for a pre-emption right prior to the tives on the 5th, and on first reading in the Senate on the 10th. This bill avoids the privileges of this act. objections made by the President in his vetaof the bill passed at the last session of the present Congress, and is likely to become a

A BILL TO SECURE HOMESTRADS TO ACTUAL SET TILKES ON THE PUBLIC DOMAIN. Be it enacted by the Senate and House of

Representatives of the United States of A. merica in Congress assembled. That any through, and before the clowd had dispersperson who is the head of a family, or who has arrived at the age of twenty one years and as a citizen of the United States, or who shall have filed his intention to become such, as required by the naturalization laws of the United States, shall, from and after the passage of this act, he entitled to enter, free of ost one hundred and sixty acres of unappropriat d public lands upon which said person may have filed a pre emption claim, stars to the Norf and the stripes to the Souff A Johnson. s made, be subject to pre-emption at one dollar and twenty five cents, or less per acre : or eighty acres of such unappropriated lands, at two dollars and fifty cents per acre; o be located in a body, in conformity to the egal aubdivisions of the public lands and after the same shall have been serreyed.

SEC. 2. And be it further enacted. That he person applying for the benefit of this; act shall, upon application to the register of the land office in which he or she is about to make such entry, make affidavit before the said register or receiver that he or she is the head of a family, or is 21 years or nore of age, and that such appli ation is made for his or her exclusive use and benefit and these specially mentioned in this act, and not directly or indirectly, for the use or benefit of any other purson or persons who insoever; and, upon filing the affidavit with the register or receiver, he or she shall there upon be permitted to enter the quantity of land specified ; Provided however, That no certificate given or patent issued therefor, until the Expiration of five years from the date of suck entry; and if at the expiration of such time, or at any time within two years thereafter, the person making any such entry - or, if he be dead, his widow; or, in case of her death, his heirs or devisee : "or, in ted the same for the term of five years im. Souf?" [Tremendous cheering] mediately succeeding the time of filing the she, or they, if at the time a citizen of the United States, shall, on payment of ten dollars be entitled to a patent as in other car ses provided by law : And provided further. That in case of the death of both father and

viving parent, and in accordance with the for no other purpose; and the purchaser murderer " shall acquire the absolute title by the purchase, and be entitled to a patent from the and sum of money herein specified

the register of the Land Office shall note all osed, after locking the door outside such applications on the tracts, books, and . Hearing of this, another Frenchman, of plats of his office, and keep a register of all very savage aspect, one night tried to room such entries and make a return thereof to with a tail raw boned gentleman from Ar., killing him instantly. The body fell down the General Land Office, together with the kansas, who had been rather free with his the companion way. As I turned to leap

tracted prior to the issuing of the patent evidently quaking with agitation. therefor.

Sac. 5. And be it further enacted, That for in the cold ?" said Pike, propping him. James Manmanus has associated with Wm. p
Macmanus. Esq. in the practice of Law Profestonal business intrusted to their care will receive prompt attention. They will attend the several and before the expiration of the five years loughts in the Counties of Centre, Clinton and aforesaid, it shall be proven, after due no.

cannot possibly live : they will starve .than eight or nine hundred a vest !! How sent that he could not understand how human beings could do what he was well aware was done by multitudes of wiser people than

"It is a cheap horse, that of Wiggins," remarked Mr. Piggins; it did not cost mily Figgins fancies that all who hear him will conclude that his own broken kneed back (bought for £25) cost at least £150 and took a seat in the cars. Oh, silly folk who talk big, and then think ou are adding to your importance don't him to New York, after a bountiful supply you know that you are only merely making had been served out in the cara. There precise fact is. He is too polite to contra-

No one believes the vanoring story told by another man; no, not even the man who funcies that his own vanoring story is beal lieved Every ne who knows anything of like Judge Norcon. At a bar supper, Judge the world knows how, by an accompanying Norton in an elaborate speech, referring to process of mental arithmetic, to make the deductions from the big story told which tice of that period, and the discomforts I h honestly declare that I never gave redence to a salable of what he said Re-

me of his remarkable adventure in the Bay of Never once did ! fail to listen with every mark of implicit bellef to my friends narra tive, but do you think I believed it ? And more than once has Mrs. O'Gallaghan assur bach cluster of grapes grown on that favored | i led, and smash wenerever he could split weighed above a hundred weight. With ran the milk. Ar profound respect I gave car to all she said; saw the accidentgress providing for

Perseverance He who allows his applications to falter or shirk his work on frivolous pretexts, is any task be undertaken as a thing hot pos be performed with alacrity and cheerfulness: The nablt of strenuous, continued labor, will bothe comparatively easy in time, like every other habit. Thus, even men with the commonest brains and the most slender powers will accomplish much, if they will but apply,

the centre up a high bank, and for three When Mr Robinson talks with dignity hours the battle was undecided. At last wins soldiers' battles, and, indeed, Every battle. It is the one neck realer that wind the race and shows the blood; the one more bull of the oar that proves the " beefinesh of the five minutes' more persistent courage concentrate it more. The reply of the Spartan father, who said to his son, when complaining of his sword being too short, " Add step to it," is applicable to everything in ife It is not how much a man may know that is of so much importance as the end and purpose for which he knows it The object of knowledge should be to mature wisdom and improve character, to render us better, happier and more useful-- more benevolent, more energetic and more efficient in the have justified the supposition of two or three listled merely with reading and meditating over what other men have written and done Our best light thust be made life, and best thought action. The humblest and least literate must train his sense of duty, and accustom himself to an orderly and dilligent hie. Though talents are the gift of rature. the highest virtue may be acquired by then of the humblett abilities, through careful self-discipline. At least we ought to be able to say, as Richter did, "I have made as
