

THE ONLY DISCOVERY
WORTHY OF ANY CONFIDENCE FOR
RESTORING THE BALD AND GRAY.

Many have tried the various remedies for baldness and gray hair, but have failed to obtain any permanent benefit. It is a well known fact that the hair follicles are the only part of the body which are capable of regenerating themselves. If the hair follicles are diseased, the hair will fall out and will not grow again. The only way to restore the hair is to cure the disease of the hair follicles. This is the only discovery worthy of any confidence for restoring the bald and gray.
