

The Watchman.

BELLEFONTE THURSDAY, SEPT. 19.

Here shall the press the people's rights maintain. / 'Tis hard by party or untried by gain; / Pleas'd but to track to liberty and law, / No favor sways us and no fear shall awe.

DEMOCRACY—"A sentiment not to be upstart, / corrupted or compromised. It knows no business; / it covets no danger; it opposes no weakness. / Destructive only of despotism, it is the / sole conservator of liberty, labor and property. / It is the sentiment of Freedom, of equal rights, / of equal obligations—the law of nature pervading / the love of the land."

C. T. ALEXANDER, Editor and Publisher.

DEMOCRATIC NOMINATIONS.

- FOR SENATOR, WILLIAM H. BLAIR, OF BELLEFONTE. ASSEMBLY, ROBERT F. BARRON, OF FERGUSON. ASSOCIATE JUDGES, SAMUEL STROHECKER, JOHN S. PROUDFOOT, OF MILES AND MILESBERG. TREASURER, JOHN B. MITCHELL, OF BELLEFONTE. COMMISSIONER, AMOS ALEXANDER, OF PENN. AUDITOR, GEORGE BUCHANAN, OF GREGG.

Our Paper.

The publication of our paper was detained a couple of days last week in consequence of the retirement of the junior editor, and this, in connection with the printing of the election tickets and the failure of our paper agent to supply us with paper in time, has compelled us to issue a half-sheet this week.

Look to Your Interests, Voters.

Democrats, and Union loving Republicans, arise. Your country is in danger—arouse—arm, and be ready. The enemy to the principles of Democratic Government is in the field. Their secret spies and emissaries are watching and reporting to the chief of the rebel clan your every move. Therefore, be ready; buckle on your armor—the great battle is to be fought on the second Tuesday of October. A glorious triumph awaits you, if you only work—work among your friends—work on unit victory perches upon your banner. The men for whom you work—the Democratic nominees—are the only Union representatives in the field. They are for the Union first, last, and all the time, now and forever. The Republican nominees are willing under certain contingencies, to "let the Union slide." They cannot, they must not triumph. Their triumph will be your ruin, therefore work—work—work. Show to the world that Centre county is true to the Union by the election of Democratic Union men. Elect Wm. H. Blair because he is a patriot—a soldier—an honest man—and a statesman. Do not believe the scurrilous, contemptible charges of W. W. Brown, in his smut machine of last week—they are not true—they are false—they are nailed to the counter by the testimony of an honest Republican—Captain Snyder—whose word, as a soldier, no one will doubt. The Centre Democrat says he (Blair) was a Lieutenant in the redoubtable fourth regiment, which, when the battle of Bull Run took place, moved away to the music of the enemy's cannon. Who do you think of that, Eagle Guards? You were with him, Eagle Guards—the charge is made against you, as well as Lieutenant Blair, by a bragging bully, who says, "I won't say go, boys, but come, boys." yet stays at home and charges men with cowardice who, upon the first call of our country to arms, rushed to her rescue. Repudiate Brown and his faction, Eagle Guards and all soldiers and Union loving Republicans, by voting for Lieut. Blair, and the whole Democratic ticket.

The Democracy presents to you another soldier—Captain John B. Mitchell—who has shown his devotion to his country. Will you support him or will you withhold your support, and elect a stay-at-home abolition patriot? We cannot believe you will; we have too much confidence in the intelligence of this people, to believe that they will thus give the cold shoulder to men who volunteered in defence of our country. To defeat them is to denounce them, and to denounce them is to denounce the cause in which they enlisted. For Assembly and the other offices, our candidates are taken from the walks of civil life, and are men of sterling integrity. They are superior to the Republican nominees, in that they are true Democrats—men who have never been led astray by isms of any kind, and for whom all parties can vote without the fear of misplaced confidence.

ROBERT F. BARRON, our candidate for Assembly, is one of the old Jeffersonian and Jackson school of Democracy—a man who has never sought an office, and of course, is free from the objection of being an office hunter. All men then, who believe that office seeking politicians have been the ruin of our country, will of course vote for him in preference to SAMUEL McWILLIAMS, whom we, to be candid, must admit to be a very polite, good looking gentleman, but when we say this, we say all in his favor that a respect to truth will admit, for we believe him to have been an office seeker ever since he was a boy. He has been mixed up with all the abominable isms that have ever disgraced American history, and as he has been an aspirant for legislative honors for some years, it would be well to know before voting for him, whether he has not, by this time, procured an interest in the Pennsylvania Railroad.

The tonnage tax infamy, it is true, is but merely fastened upon the people; but there are more to come. At the next session this mammoth corporation will, no doubt, ask to receive full pay for the transportation of troops and munitions of war over this road, which their charter binds them to transport for 33 per cent, under the usual rates. Look to it, voters, that you are not again deceived in the man you select to represent you at Harrisburg.

Mr. BARRON, our candidate, is a man of fifty summers, whose judgment is mature, and who cannot be bought by monied corporations, nor swindled by designing politicians. Mr. WILLIAMS is a good looking young gentleman, who can best represent Centre county with a Captain's commission in the battle field; let him go there and send BARRON to the Legislature.

For the Associate Judgeship, we have Dr. SAMUEL STROHECKER and JOHN S. PROUDFOOT. Two men better calculated for this position could not have been found within the limits of Centre county. They are both good Union men—men of good judgment—who will make very competent officers.

One of them lives within two miles of the Court House, which of itself, granting all other qualifications of his competitors equal, is a great deal in his favor. All lawyers know that it is a great advantage to have one of the Associate Judges within a few minutes walk of town. The President Judge is often necessarily away from home, when, if we have no Associate close by, their clients are put to the expense of hiring a horse and buggy to send eight or ten miles into the country after him to transact some business, which cannot be postponed until the President Judge arrives at home.

Fellow citizens of Centre county, vote for both STROHECKER and PROUDFOOT, and it will save you money, and it will insure you justice in all questions coming before them for their decision.

For Commissioner, AMOS ALEXANDER, of Penn Township, is the Democratic nominee, and THOMAS HUTCHINSON, of Potter, the Republican. Any person that is acquainted with these two men, can not long hesitate for whom he will cast his vote. Tommy, the profound thinker, has served one term and the people are about satisfied with his administration. His acquaintance with the "routine" of the office, has become too perfect to insure a proper administration of justice, and the people feel that a change would be very desirable.

The Commissioners office is a very important one to the tax paying people, and one that should, above all others, be filled with an upright, honest man—a man whose political prejudices will not cloud his sense of justice, and who in all things, will keep an eye single to the interest of the people.—Such a man is AMOS ALEXANDER, and we are very much mistaken in the tone of public sentiment, if the people won't elect him over the aspirant to the Governorship.

The candidates for Auditor, are Gen. Geo. BUCHANAN and HARVEY McCLURE—both very nice men—but the business qualifications of the former are far superior to the latter. HARVEY McCLURE makes a very good set of harness, but will make a very poor Auditor. Gen. BUCHANAN, on the contrary, is one of the best accountants in the County, and is just the man to audit and adjust the account of the will soon be Treasurer.

This is the ticket, laboring men of Centre county for which you should cast your votes. They are honest men—they are men of judgment—they are patriots—they are sound Union men—they are the best men in this County. Vote for them, friends, and our word for it, you will never regret it.

PARTY "UNION" SINCERITY.—The late Republican Convention of this county denominated itself a "Union" (no party) convention. The candidates nominated are all Republicans. At the conclusion of the proceedings, to give the ticket nominated a good name, a resolution complimentary to Col. BLAIR, the Democratic nominee for Senator, was unanimously passed. In noticing these proceedings, the Harrisburg Telegraph which claims to be in favor of "Union" nominations, denounces its brethren of this county for this action. And this is an illustration of what party "Union" means. The Administration must remove all Democrats from office—counties were the Republicans have a clear majority must elect none but Republicans—but in Democratic localities, party lines must be dropped; yet, in making up the tickets, no firm reliable Democrat must be nominated! That is the feat, Democrats, to which you are invited!

Col. Blair and the Fourth Pennsylvania.

BELLEFONTE, Sept. 7, 1861.

DEAR SIR.—The appended article appears in the Harrisburg Telegraph, of the 6th inst. As Mr. Blair was a member, under your command, we wish you to state whether the imputations contained therein are well founded. The charge is leveled against every one attached to the Fourth Pennsylvania Regiment, but we know from your career throughout the Mexican war, that such wholesale denunciations cannot be deserved. GEO. LIVINGSTON, WM. COOK, JOHN HOFFER, H. N. M'ALLISTER, JOHN WAY.

WILLIAM H. BLAIR, an old line Breckinridge Democrat, by some means, has succeeded in getting the endorsement of the Republican Convention of Centre county as a candidate for State Senator. Probably our old Republican friends of Centre county imagined that as Blair ran so well just before the battle of Manassas, he having been attached to the ever memorable and redoubtable Fourth Regiment of Pennsylvania, he will run equally well as a senatorial candidate. Will the Centre Democrat or the Centre Press explain the logic in which the Delegates to the Republican Convention so completely hoodwinked? We cherish a pride not only for the Republican party of Centre county, but for her entire population, and therefore feel an interest in the nomination, because we have regard for the integrity of their representation.

BELLEFONTE, Sept. 10, 1861.

GEO. LIVINGSTON, WM. COOK, JOHN HOFFER, H. N. M'ALLISTER, JOHN WAY.—GENTLEMEN.—Yours of the 7th inst. has been handed me. The scribbles which I have been hashing Russel's falsehoods could find more patriotic employment with the musket on their shoulders. It is known that I did not approve the course taken by the majority of the Regiment; at the same time, I am fully satisfied that if General McDowell had shown himself to the men and asked them to stay until after the battle they would have done so unanimously. As to Lieut. Blair, he was among the most active in endeavoring to induce the regiment to remain, voted in favor of staying two weeks longer, and after the majority had decided otherwise he asked permission of the commander of the Regiment to be allowed to go on with the Brigade and was refused, as the officers could not be separated from their commands.

A. B. SNYDER, Commanding Company, H. 4th Reg., P. V.

A NOBLE SOUTH CAROLINIAN.—The following general order which has been issued to the East India Squadron by Flag Officer S. K. Stribbling, has just reached us: "JUNE 30, 1861.—The Commander in Chief called upon at this time to address the crew of the command upon the condition of our country.

"By the last mail we have authentic accounts of the commencement of 'civil war' in the United States, by the attack and capture of Fort Sumter by the forces of the Confederate States. "It is not my purpose to discuss the merits of the cause or causes which have resulted in plunging our country into all the horrors of civil war; but I wish to urge under my command of their obligations to a faithful and zealous performance of every duty.

"Coming as we do from the various sections of the country, unanimous of opinion on this subject cannot be expected, and I would urge upon all the necessity of abstaining from all angry and inflammatory language upon the causes of the present state of things in the United States, and to recall to mind that here we have nothing to do but to perform the duty of our respective stations, and to obey the orders of our superiors in authority to which we are bound by the solemn obligations of our oath.

"I charge all Commanders and other officers to show in themselves a good example of virtue, honor, patriotism and subordination, and to be vigilant in inspecting the conduct of all such as are placed under their command.

"The honor of the nation, of the flag, under which many of us have served from boyhood, our own honor and good name require us now, if ever, that we suffer no blot upon the character of our country while the flag of the Union is in our keeping."

(Signed) C. K. STRIBBLING, Flag Officer.

Commodore Stribbling is a South Carolinian, and his conduct is in bright and noble contrast with that of Tatnall and other Southern officers, who have dishonorably left the Navy since the war began.

WHO ENCOURAGES THE SOUTH?—The Democrats tell the Southern rebels that the entire North is determined to put down rebellion, and that this unanimous North has the power to do it. The Democrats tell the Union men of the South to stand firm, that their rights shall be protected, and if not sufficiently secured at present additional guarantees will be given.

The Republicans assure the Southern rebels that a large number of the Northern people sympathize with them and wish them success. The Republicans say to the Southern Union men, they shall have no further guarantees for their rights, and those they have already will not be further respected than events render true.

Who, then, are the true friends of the National cause? Who is acting wisely and patriotically? OWEN LOVEJOY'S PAPER PRESENTED.—The Bureau County Republican, Mr. Owen Lovejoy's paper, printed at Princeton, Ill., recently published an offensive abolition article upon the war, and upon Col. Dickey (Dem.) who is raising a cavalry regiment. The Grand Jury of Bureau County at once took notice of the matter, and by a unanimous vote reprobated "an article published in the Bureau County Republican on the 22d inst.," and added: "That we believe said article unfounded in truth, injurious to the public safety, and evidently dictated by a narrow partisan and proscriptive feeling rather than from any worthy or patriotic motive."

Mr. Lovejoy is a Republican member of Congress from the 3d district of Illinois.

Words of Warning.

We presume that nobody will dispute the claim of General JACKSON to have been a friend of the Union, and a far-seeing; sagacious patriot and statesman. Read, then, the following extract from his Farewell Address in reference to the encroachments of the Federal Government, and its tendency to overstep the limits imposed upon it by the Constitution:

It is well known that there have always been those amongst us who wish to enlarge the powers of the general government; and experience would seem to indicate that there is a tendency on the part of this government to overstep the boundaries marked out for it by the Constitution. Its legitimate authority is abundantly sufficient for all the purposes for which it was created; and its powers being expressly enumerated, there CAN BE NO JUSTIFICATION FOR CLAIMING ANYTHING BEYOND THEM. EVERY attempt to exercise power beyond those limits should be PROMPTLY AND FIRMLY OPPOSED. For one evil example will lead to other measures still MORE MISCHIEVOUS; and if the principle of construction is powers, or supposed advantages, or temporary circumstances, shall ever be permitted to justify the assumption of a power not given by the Constitution, the general government will before long absorb all the powers of legislation, and you will have, in effect, but one consolidated government."

THE STATE COMMITTEE OF MINNESOTA have issued a call for a State Convention, to which they "invite the electors of the State, who are for maintaining the Constitution, and rescuing it from its enemies, North as well as South, and who are for setting it up, as Moses lifted up the serpent in the wilderness, that all who have been bitten by the fiery serpent of sectionalism North, or the rattlesnake of secession South, may look upon it and be healed—all who are for maintaining the Union, whether by the olive branch or the sword, or by both, or by any compromise which does not compromise the Constitution even if it should compromise a party—all who believe the principles of the Democratic party as safe and as efficacious for good in war or in peace, as those of the Republican party."

The Democrats of California, in the recent call, define their position thus: "The people of California have been most anxious for peace throughout the land, and will hail with joy an honorable adjustment in the future, at the same time they are, above all things, for the Union, the country, and the flag; against all assaults, no matter who they are, whence they come or with what power armed."

Who will deny to the Democrats of the North the patriotism and the wisdom which the crisis demands? They prefer to the Government the means of war; but they do not cease to hold out to the people of the South in the breasts of millions of whom the love of the Union still survives the pledge of their rights and the offer of honorable peace.

SUPPORT THE GOVERNMENT.—"I am for supporting the government. I do not ask who administers it. It is the government of my country, and as such I shall give it, in this emergency, all the support in my power. I regard the pending contest with Secessionists as a death struggle for Constitutional Liberty and Law."—John A. Dix.

These are the sentiments of the Hon. John A. Dix, a member of Mr. Buchanan's Cabinet, now a Major General in the army, and the sentiments of the entire Democratic party of the North. The Democratic party will stand by the Union, and fight for the Union; and the Republican party, much as they would like it, cannot drive them from their loyalty by calling them "traitors." The Republicans may as well give up calling him bad names. We must mutually assist one another in putting down this rebellion, and when that is accomplished we can look over the battle-fields and see, in this as in every other war in which our country has engaged, who have done the fighting and who have been the "traitors."

The Grand Jury of Centre county made a presentment to the Court, favorable to the indicting of the editors of the Bellefonte Watchman as dangerous persons giving aid and comfort to the enemy through the columns of their paper. Thirteen voted for and eleven against. It is strange, yet true, that there happened to be only two Democrats in the whole Jury. This Jury must have been especially packed with this object in view. This is some more of the Republican Free Speech and Free Press doctrine!—Seltisgrove Times.

We have received telegraphic intelligence from Gen. Banks' command, stating that a detachment of Federal troops under Col. Geary, were attacked by a large force of Rebels near Harpers Ferry, on the 16th inst. After a fight of about two hours, the rebels were completely routed, with a loss of 70 killed and wounded. Our loss was one killed and eight slightly wounded.

On the 12th inst., a detachment of 300 men, from the Fourteenth Indiana and Twenty-fourth and Twenty-fifth Ohio Regiments, dispersed three Tennessee regiments under Gen. ANDERSON, on the west side of Cheat Mountain, completely routing them, killing 80 and obtaining most of their equipments. Our loss was 8 killed.

THE PRESIDENT has issued an order for the modification of Gen. Fremont's proclamation. Instead of the slaves belonging to rebels in arms against the Government, only those employed by them for martial purposes are declared to be free.

SNOW fell on the White Mountains, New Hampshire, on Tuesday, the 10th inst. The visitors up there are hurrying down into a warmer climate.

The following dispatch was received to-night at the head quarters of the army: Sr. LOUIS, Sept. 12.—Col. E. D. Townsend, Assistant Adjutant General:—A dispatch from Gen. Pope, received to-day from Hannibal, on the North Missouri Railroad, states that he made a night march on the rebels under Gen. Green, last Sunday, who, however got notice of his approach, but he was successful in causing the dispersion of 3,000 rebel force, who left behind them much of their baggage, provisions and forage; also the public property seized by Gen. Green, at Shellbina.

Gen. Pope's infantry were too much fatigued to pursue them. The horsemen, however, followed in pursuit for ten or fifteen miles until the enemy were completely scattered and dispersed.

A REBEL THREAT TO CLOSE THE POTOMAC.—The Richmond Examiner of the 9th says: "Before many hours the Potomac will be effectually closed by powerful batteries.—The chief of the ordnance department in Virginia, in responding to a call for all the field artillery, says ten batteries are now ready for immediate duty, and eight or ten more can be got ready soon."

The high reputation enjoyed by this firm constitutes its best recommendation.

HEAVY STORM.—A most terrific rain and hail storm passed over this place, on last Tuesday afternoon, flooding the streets, uprooting trees, demolishing windows, tearing off window shutters, cellar doors and shingles, stripping flags from their staffs, and leveling all the corn in this vicinity.
