

THE ONLY DISCOVERY WORTHY OF ANY CONFIDENCE FOR RESTORING THE BALD AND GRAY.

Many, since the great discovery of Prof. Wood, have attempted not only to imitate his restorative, but to have discovered something that would produce results identical; but they have all come and gone, being carried away by the wonderful results of Prof. Wood's preparation, and have been forced to leave the field to its restorer.

It is precisely what its name indicates, a white pleasant to the taste, its revivifying, exhilarating, and strengthening to the vital powers. It also revitalizes, reinvigorates and renews the blood in all its original purity, and thus restores to the system its invulnerable to attacks of disease.

It is the only preparation ever offered to the world in a similar form so as to be within the reach of all. So chemically and fully combined as to be the most powerful tonic, and yet, so perfectly adapted to the system as to act in perfect accordance with the laws of nature, and hence smooth the vascular system, and tone up the digestive organs, and allay all nervous and other irritations.

It is also perfectly exhilarating in its effects, and yet it is never followed by lassitude or depression of spirits. It is composed entirely of vegetable and those thoroughly combining powerful tonic and soothing properties, and consequently can never injure the system in any manner.
