From a Forwarding Merchant of St. Louis, reaching the Dr. Avers. Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

From Dr. Edward Boyd, Ballimore.

Dear Bio. Ayen: I cannot answer you what complaint
I have cured with your Pills better than to say out that we ear treat with a purpatine medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

PITTSHURO, Pa. May I, 1855.

Dr. J. C. Ayen. Sir; I have been repeatedly cured of the worst beadache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED, W. PREBLES,

Bilious Disorders - Liver Complaints. From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of billions complaints than any one remedy I can mention. I sincerely rejeise that we have at length a purgative which is worthly the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,
Washington, D. C., 7th Feb., 1856.

Sir: I have seld your Pills in my general and hospital practice ever since you made the m, and cannot he slate to say they are the best cathartic we employ. Their regularing action on the liver is quick and decided, coassquently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of billous disease so obstinate that it did not readily yield to them. Fraternally yours, ALDNOS BALL, M. D., Physician of the Marine Hospital.

Dysentery, Diarrhea, Relax, Worms. From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I knys ver found. From Dr. J. P. Vaugin, Montreal, Canada.

Too much cannot be said of your Fills for the cure of
coticeness. If others of our fraternity have found them
as efficacions as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from
that complaint, which, although bad enough in itself, is
the progenitor of others that are worse. I believe costiceness to originate in the liver, but your Pills affect that
organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston. I find one or two large does of your Pills, taken at the proper time, are excellent promotives of the natural scenarios wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

ANTI RHEUMATIC BAND

IS THE O'LY KNOWN REMEDY FOR RHEUMATISM, GOUT AND NEURALGIA, AND A SURE CURE FOR

ALL MERCURIAL DISEASES. ALL MERCURIAL DISEASES,

It is a conveniently arranged Band, containing a medicated compound, to be worn around the Waist, without injury to the most delicate persons, no change in habits of fiving is required, and it entirely removes the disease from the system without producing the injurious effects mising, from the use of powerful internal medicines which weaken and destroy the constitution, and give temporary relief only. By this treatment, the medicinal properties contained in the Band, come in contact with the blood and reaches the disease, through the pores of the slain, effecting in every instance a perfect cure, and restores the parts afficited to a healthy condition. This Band is also a most powerful ANTI-MERCURIAL agent, and will entirely relieve the system from the pernicions effected of Mercury. Moderate cases are cured in a few days, and we are constantly receiving testimonials of its efficacy in aggravated cases of long standing.
