LOCAL & OTHER MATTERS.

Towing to the great length of the Audbeen unable to bestow any attention on the ny for the past year: local department this week. We hope our Assetts-Bilis receivable, befriends will excuse us.

To FARMERS AND POULTRY RAISERS. —We would state for the benefit of the farmers and Of which amount 3 per cent. all who are in the habit of raising Poultry, that Mr. George F. Quick is now in town, stopping at the "Conrad House" for the purpose of buying up turkeys, ducks, geese and chickens, old and young for foreign markets. He offers a liberal price, and those who have poultry to sell can no doubt dismother than adventure of them adventure or sell can be selled into the Treasury, from agents, during the past year, pose of them advantageously to him. He requires all poultry to be killed, by bleeding in the neck, and will give a higher price for dry-picked poultry than for those which have been scalded and picked. Still he buys all kinds and in the hope that it may be of some advantage to at least some of our readers, we give them the benefit of this notice.

A STARTLING STATEMENT. -The Chicago Tribune publishes the following paragraph editorially;

"We have before us three cartridges brought to us from Annapolis by a friend.— They are a portion of the ammunition for Enfield rifles served out to Burnside's forces for the great expedition. To the eye they are alike in appearance, and the slight difference in weight could not instantly be detected. But the difference is that one of the three contain not a particle of powder.—
A prominent officer of the expedition told our informant that this was about the proportion throughout the entire lot of Enfield cartridges—one-third of them carefully put up without powder. Now here is a case for investigation. Was it fraud, or treachery, that seeks to palm off upon our brave troops on the eve of an expedition, sham cartridges? Let us have an explanation of this affair, Secretary Stanton.

ABOLITION SONGS NOT RELISHED BY THE SOLDIERS. - The Hutchinson Family, having the commendation of Secretary Cameron and the permit of Gen. McClellan, commenced last week what they expected would be a series of concerts through the camps across

Visiting the camps of the New Jersey Volunteers, they indicated their abolition principles by singing Whitter's song, com-mencing "We wait beneath the furnace blast," which being decidedly untimely, was received by an expression of scorn by Sur geon Oakly and others of the Fourth Regi

In view of this Gen. Franklin considered it his duty to remove the license of his singers as a simple method of avoiding dangerous disorder. Gen. Kearney had the family arrainged before him, and informed them that there where so many of different opinions in regard to slavery were gathered together no abolition songs could be permitted. Gen. Franklin also gave the vocalists some wholesome advices. some advice.

Governor Curtin.

31 8

Governor Curtin appears to be a true representative of the Republican party, unscru pulous despotic and better on partizan malignity than David Wilmot of the Bradford District ever dared to be. When Byerly, of Philadelphia, was convicted of fraud upon the ballot box, giving a Republican an elec- elected Directors, to serve the ensuing year tion to Congress over a Democrat that was rightfully elected and has since got his seat.

Governor Curtin pardoned the notorious Jacob G. Moyer, Governor Curtin pardoned the notorious covernor Curtin pardoned the notorious b. O. Bowers, secundrel, thus giving countenance to forgeries and frauds upon the most sacred right that the freemen of this country possess. In Luzerne county be gives a certificate to a Republican who was not elected, because he was a Republican, and withholds a certificate from a Democrat who was elected. In Lycoming county, where the Jury and Court found some mobbites guilty of riot and as-AUDITOR'S NOTICE.

Auditary, and fined them 15 or 20 dollars and the cost of Court, the Governor sends an educt of pardon, thus overturning the authority of the court and making a perfect mockery of trial by jury and judicial proceedings. Where in the name of sense is to be the end of these outrages. Is the highest office in the Commonweath to be prostituted into an engine of partizan favor itism and to endorse fraud, riot and every other outrage? There is no use holding elections if the Governor means to defeat the sault and battery, and fined them 15 or 20 highest office in the Commonweath to be prostituted into an engine of partizan favor itism and to endorse fraud, riot and every other outrage? There is no use holding elections if the Governor means to defeat the voice of the people, and there is little use for law and courts of justice, if he continues to interfere and set aside its decisions.—

Symbury Democrat.

There is not a word of truth in the report, said to have originated in Washington last week, that Mr. Buchanan had refused a seat in Mr. Lincoln's Cabinet. No such offer has yet been made.

Dr. J. C. Ater. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two fyour Pills. It seems to arise from a foul stomach, which they cleanse at once.

Bilious Disorders - Liver Complaints. From Dr. Theodore Bell, of New York City.

Not only are your Fills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejeice that we have at length a purgative which is worthy the confidence of the profession and the people;

Six: I have used your Fills in may general and hispital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regularing action on the liver is quick and decledel, consequently they are an admirable remedy for derangements of that organ. Indeed, I have soldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine Hospital.

To much cannot be said of your Fills for the care of cationase. If others of our fraternity have found them as efficacions as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although had enough in 180f. Is the progenitor of others that are worse. I believe costieness to originate in the liver, but your Fills after that organ and cure the disease.

HONDAD SHI: I SHOULD be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold sottled in my limbs and brought on excraciating neurodgic pains, which ended in chronic rhemmatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.
