BATH, MANNE, April 18th, 1859.
Proof C. J. Wood & Co: Gents:—The letter Hwrote year in 1856, concerning your valuable Hair Restorative, and which you have published in this vicinity and elsewhere, has given rise to numerous enquiries touching the facts in the case. The enquiries are, first, is it a fact of my habitation and name, as stated in the communication. second, is it true of all therein contained; third, dees my hair still continue to be in good order and of natural color? To all I can and do answer in variably yes. My hair is even better than in any stage of my life for 40 years past, more soft, thrift ty, and better colored; the same is true of my hwiskers, and the only cause why it is not genorally true, is that the subsacabe is washed off by frequent abolution of the face, when if care were used by whing the face is close connection with the whiskers the same result will follow as the hair. I have been in the receipt of a great number of letters from all parls of New England, asking me if my hair still continues to be good; as there is so much fraud in the manufacture and sale of various compounds as well as this, it has, no doubt been basely imitated and been used, not only without any good effect, but to absolute in jury. I have not used any of your Restorative of any account for some months, and yet my hair is as good as ever, and hundreds have exam inedit with surprise, as I am now 61 years old and not a gray hair in my head or on my face; and to prove this fact, I senu you a lock of my hair taken off the past week. I received your favor of two quart bottles last summer, for which I am very grateful; I gave it to my friends and thereby induced them to try it, many were skeptical until refer trial and then purchased and used it with univer salucees. I will asks as a favor, that you send me a test by which I can discover fraud in the Restorative, sold by many. I fear, Warrantee.

AARONS REN. KY., Nov. 30, 1858.
Prof. O. J. Wood: Dear sir.—I would certainly bedoing you a great injustice not to make known to the world; the wonderfail, as well as the unexpected result? I have experienced from using oxe bottle of your Hair Restorative. After using every kind of Restoratives extant, but without success, and finding my head nearly destitute of hair, I was finally induced to trya bottle of your Hair Restorative. Now, candor and justice compel use to amounce to whoever may read this, that I now possess a new and beautiful head of hair, which I pronounce richer and handsomer than the original was. I will therefore take occasion to recommend this invaluable remedy to ALL who may reel the recessity of it.
I remain respectfully yours?
REV.S. ALLENBROCK.
P. S.—This testimonial of my approbation for your valuable medicine (as you are aware of) is unsolicited—but if you think it worthy a place among the reat, insert if you wish; if not destroy and say nothing. Yours, REV.S.A.B.
The Restorative is put in bottles of three sizes viz: large, medium and small; the small hold half a pint and retails for one dollar per bottle; the medisms hold at least twenty per cent. more in proportion and retails for three dollars a bottle, the large holds a quark, forty per cent. more in proportion and retails for three dollars a bottle, o, J. Our citizens have for many years been in the habit of going to distant cities for their Bugies and Carriages, thus depreciating discountenancing our home manufactories, and giving to foreign establishments the patronage that should properly be extended to our own.
