PHILADELPHIA & ERIE RAILROAD.

(PENNSYLVANIA RAILROAD CO. LESSEE) On and after Monday, May 5th, 1862 TIME at LOCK HAVEN STATION will be as follows:

LOCAL MATTERS.

W. H. ARMSTRONG, Esq., the Abolition Republican orator for Congress, addressed a meeting in the Court House, at this place, on Tuesday evening last.

Mr. Armstrong made a most desperate attempt to secure the votes of the conservative Republicans by alleging that he was a Union candidate nominated as such by Union conventions in four counties in the district.

Notwithstanding the recent great battle in Maryland and more lately the severe fight at Corinth, have absorbed the attention of the people of this vicinity, there is still a great interest felt in the success of the Clothing Store on the Diamond, now kept by those prices of fashion, A. Sternberg & Co.

CAPT. DOLAN, of Millsburg, who raised a company of volunteers for the 148th or Centre County Regiment, has been detailed for the recruiting service in this county, and has opened an office at the Pennsylvania Hotel.

Persons calling for letters in the above list will please say that they are advertised by WM. COOK, P. M.

Vote for Blair. Persons wishing to enlist can do no better than by enlisting with the Captain, who is authorized to recruit not only for the Centre County Regiment, but for all other Pennsylvania regiments in the service.

DEMOCRATIC FAITH.—There is something sublimely heroic in the calm faith with which the Democrats look forward to the inevitable triumph of their principles. They know that their principles are eternal truths, and must, therefore prevail.

Remember that this same man Armstrong is flooding the District with false circulars, papers and hand-bills. Believe not a word of them.

pretentious patriots of the day shall have shrunk away from the dangers which now impend upon us, the last hope of the nation grounded upon their political faith, which will be equal to the terrible ordeal, and the salvation of your country will be wrought by your own hands.

Look Out!

Driven to despair, by the certainty of the defeat which now stares them in the face, the advocates of free negroism will resort to all manner of tricks and deception to break in upon the ranks of the Democracy and bolster up their broken down cause, hand-bills circulating all kinds of reports about our candidates, will be distributed all over the county and LIES, barefaced and black will be told of this man and that on the Democratic ticket, for the purpose of procuring votes for the Free Negro party and defeating our candidates.

White men of Centre County, if you would have the Negro placed upon an equality with yourselves, vote the ticket headed by Cochran, Ross, Armstrong and Harris.

If you would starve your wives and mothers, beggar yourselves and mortgage the bones of your children to purchase the niggers of the south, vote the ticket headed by Cochran, Ross, Armstrong and Harris.

The Public Debt. The Republican papers are endeavoring to make their readers believe that our public debt is only about \$500,000,000. The annual interest on this sum at six per cent. would be (30,000,000) thirty millions of dollars.

Senator Browning and the President. After all it seems that senator Browning and the president heartily, cordially and fully agree upon the confiscation measure. Senator Browning persistently appealed to the senate to modify the bill, and declared he could never vote for it.

Remember that this same man Armstrong is flooding the District with false circulars, papers and hand-bills. Believe not a word of them.

The President's Proclamation.

On first reading this proclamation, we supposed that it referred to the 6th section of the confiscation act, and proclaimed what the President understood to be the legal effect of that section.

Lincoln's Abolition Proclamation. This foolish proclamation will be the death-blow to the radical abolition faction. This is however, small consolation to those who fear that it will be a farther mortal stab to all hopes of reconstituting the Union.
