process of the courts.

I beg again to assure you, in all sincerity

A Negro Army.

John Hickman's bitl, presented by him in Congress last week provides for 100 regiments of negroes to be raised, in order to suppress treason, rebellion insurrection and for other purposes. The field officers are to have double pay over those of the Regular Army.

A regiment, by army regulation, consists of 1,000 men. There is a Major, Lieut. Their pay by Hickman's bill would stand

Negro Major, ""
White Lieut. Col. pay yearly,
Negro Lieut. Col. ""
White Colonel, pay yearly, \$3,600 Negro Colonel ""
White Brig, Gen. pay yearly \$5.000 Negro Brig. Gen. White Maj. Gen. pay yearly, Negro Maj. Gen. " \$12,000
