Arbitrary Arrest.

A. B. Boileau, editor and publisher of the Philadelphia Ecening Journal, the particulars of whose arrest will be found in anothof to day's paper, has been released on condition that he will publish no more last message, with comments, comparing it with the last effort of old Abe, and contained nothing "treasonable or inflammatory" in it. If there was any cause for his arident Davis may be in the course he is now thinking that if the people submit once thousands of orphan children, now fatherpursuing, it does not cover up the fact that, in point of ability or intelligence, he has but few superiors.

Hoileau has, coward-like, sued for mercy at the snank of a sheep, he would have courted an investigation, well knowing that the sturdy yeomanny of the old Keystone State Had he been endowed with spirit enough to plead -for edit a paper respectably, he would never, NEVER have promised to publish nothing discreditable to the band of hieves in Washington. As a man, he is not worth making a fuss about ; it is the principle involved in the case that should be attended to. The sovereignly of the State of Pennsylvania has been violated-her laws outraged-the rights of her citizens trampled upon, and it matters not whether it was done by kidnap ping the humblest person or the most influential man, the act was the same and should be inquired into with the same spirit. If the people are to be protected only as usurgarded by the representatives of the general government, if State lines, State laws and State Rights are to be entirely crushed out, of the "blessed black legion." then may we well exclaim. God save THE COMMONWEALTH!

And now there rests a weighty responsibility upon the Legislature of our own State -a solemn duty which they owe to their constituents, and that is to see that the perpetrators of this late outrage be duly tried and punished according to the laws of Penn- "control" and everything olse over to the the slavery question-their abolition petiaylvania, though it taise an issue between blacks. If our government is not a gov-tions—their John Brown raids—their actual the State and Federal governments. Let it be raised. The laws of the State demand it -the Constitution of the State demands it the fiberties of the people that have been thus wishated, demand it—the future weltare of rising Lenerations demands it—fight. Justice, Honosety and Freedom demand it—the future weltare of rising Lenerations demands it—it with. For the respect of our State, for the respect of our sace, and for the respect of our the South to secede, but the just belief that

THE ANDERSON TROOP. - The mistake is was the old body guard of General Buel let those who have starte and took so part in the late result what means to put it through. ever. The members did their duty like soldier, and are still in the serice. So is interesting.

The Negro Army.

his goodness, long suffering, and mercy, are the same yesterday, to day, and forever? The Hon. Edward Wade, of Onio, in a speech in Congress, August 2, 1856, said: speech in Congress, August 2, 1856, said: As every tree is known by its fruit, so are the attribute of Deity made manifest by law, with its catch pole bevy of slave-hunting commissioners and deputy marshals, becomes a nulity and nuisance—The villian becomes a nulity and nuisance—The villian lignity and hostility towards our race,—

The Hon. Edward Wade, of Onio, in a speech in Congress, August 2, 1856, said: As every tree is known by its fruit, so are the attributes of Deity made manifest by the effects which proceed from them, and until we know that benevolence produces making in the same yesterday, to day, and lorever?

As every tree is known by its fruit, so are the attributes of Deity made manifest by the effects which proceed from them, and until we know that benevolence produces making the same yesterday, to day, and lorever?

As every tree is known by its fruit, so are the attributes of Deity made manifest by the effects which proceed from them, and until we know that benevolence produces making the same yesterday, to day, and lorever?

As every tree is known by its fruit, so are the attributes of Deity made manifest by the effects which proceed from them, and until we know that benevolence produces making the same yesterday, to day, and lorever?

As every tree is known by its fruit, so are the attributes of Deity made manifest by the effects which proceed from them, and until we solve the sight of this soldier excited no pity from his comrades, they did not even stop to support him, or direct his tottering steps.

Becomes a nullity and nuisance—The villian becomes a nullity and his comrades, they did not even stop to support him, or direct his tottering steps.

He was only the object of their horror and the attributes of the attributes of the same year. ous concoction of slave holding usurpation that cruelty is the offering of mercy, we derision—they can from him and burst in and dough-faced subserviency and dissolves have no evidence that the practice of war loud laughter at his motions which resem-

by a resort to arms, but as the light of taken up his quarters.' This terrible truth truth and civilization beamed on the besays the narrator, which I cannot help reof settling disputes was abolished, all civilized nations now agree, that justice is more feelings of an army. destroying their instutions, and against their solemn protest that they could never live under a Republican Administration. To do this we shall quote from those who elevated this we shall quote from those who elevated Mr. Lincoln to the presidency, for the very purposes which are now carried out. Mr. Lincoln himself said—"I have always hated Lincoln himself said—"I have always hated their plans represent their instrument to the presidency, for the furtherance of their instrument to the presidency, for the furtherance of their instrument to the presidency, for the furtherance of their plans?

But I will not further transgress upon the patience of your readers at present, in our next we shall show the Republican party the proposed with they perpetuated; we involve ourselves in these outrages, from the impious profanation of the kind services of the character of God in deeming him present in these outrages, from the moral cegradation out of which they sprang, and which they perpetuated; we involve ourselves in complacent virtue, and thank God that we are not as these men, that ours is, indeed the character of God in deeming him present in these outrages, from the moral cegradation out of which they sprang, and which they perpetuated; we involve ourselves in complacent virtue, and thank God that we are not as these men, that ours is, indeed the character of God in deeming him present in these outrages, from the moral cegradation out of which they sprang, and which they perpetuated; we involve ourselves in complacent virtue, and thank God that we are not as these men, that ours is, indeed the character of God in deeming him present in these outrages, from the moral cegradation out of which they sprang, and which they perpetuated; we involve ourselves in complacent virtue, and thank God that we are not as these men, that ours is, indeed the character of God in deeming him present in the character of God in deeming him present in the character of God in deeming him present in the character of God in deeming him presen cases of individuals is openly avowed by the countries of the earth, as a proper mode of determining justice between them

Nations are no more likely to obtain justice by a resort to arms, than individuals were who submitted the settlement of disputes to the arbitraments of trial by battle. The principle, and rule of action are the same, the enormity, cruelty and folly of the tution, deny them their privileges and rights under that Constitution, liberate their under that Constitution, liberate their ly requires to follow this simple rule of acusage are as great in one case or the other, whether it be advocated by the semi-barba-

rian of the Feudal age, or the statesman a more civilized and enlightened reonle .-Both alike involve the right of closing the probation of an immortal being-a liberty not delegated to man- and which can never be exercised either by individuals or nations.
