The People are beginning to find out that the place to get job work done neatly and expeditiously is at the Watchman office.

The roads throughout the country are in a most miserable condition, the consequence is business in Bellefonte is extremely dull.

A New Post office has been established in Gregg Township, this county called "Penn Hall," we have not yet learned who has been appointed Post Master.

Subscribers changing their Post offices on the first of April will please inform us that the Watchman may be forwarded to their new place of residence.

We learn that the Germans intend having another Ball, at the Cumming's House on Easter Monday. They know how to get things up, and will no doubt make it a grand affair.

After the 1st of April, Mr. Sussman's Store, will be located at his residence on High Street, having purchased the property of G. F. Potter, and fitted it up admirably, he invites his old friends to call round and see him.

A smoke house belonging to Geo. W. Tate Esq., on Spring Street, was burned to the ground on last Friday morning. It was with the utmost difficulty that the flames were prevented from reaching the Gas Works which were close by.

Messrs. Heller Brothers intend moving their store to the splendid room in Reynolds front, now occupied by Dr. Sussman. So after the 1st of April their friends will call there to see them.

Lyeurgus J. Lingle, son of ex-sheriff Lingle of this place, and a member of the Anderson Troop, was understood to be now at home. Whether he is here on furlough on parole, or sick, we have not been able to ascertain. At all events, he is welcome home.

Mr Hamilton, the horse Tamer is still in town and we are happy to say meeting with deserved success. On Monday next we understand he intends taming a lot of vicious Mules, when all who desire it, can see him performing free of charge.

We had the pleasure of taking by the hand on Monday last, our good looking friend, J. Miles Kephart, Brigade Quartermaster in the Army of the Potomac. Miles is a good officer and a clever fellow, we wish him success wherever his duties may call him.

We had the pleasure of shaking hands with Capt. James H. Larimer, of the 5th Pennsylvania Recorders, on Thursday. The Captain has not been in good health and has been home on a visit. He is a gallant soldier and a perfect gentleman. He left for the army on Thursday afternoon. Success to him.

IRON CITY COLLEGE.—This institution the largest and most extensively known in the country, has longest retained its corps of Teachers, who are business men, and long enjoyed an enviable reputation, insuring a thorough business education to all holding Diplomas of this institution. Every young man before entering on active life should graduate at this school, and by the foundation of a substantial fortune, with hundreds who are now engaged in business, secured by advantages afforded only at this College.

BELLEFONTE READING ASSOCIATION.—This institution held its bi-monthly election for officers on last Friday night, with the following result: President—J. W. Furey. Secretary—N. M. Hoover. Treasurer—John W. Morris.

With the exception of the Secretary, the officers elected are the same as the previous term. Mr. C. W. Harrod was appointed by the President Corresponding Secretary for the next two months, to whom all letters and communications intended for the Association, must be addressed.

The Association is in a flourishing condition and bids fair to become a permanent institution.
