PHILADELPHIA & ERIE RAILROAD

(PENNSYLVANIA RAILROAD CO. LESSEE)
WINTER ARRANGEMENT.

On and after Monday, Nov. 17th, 1902, TIME A LOCK HAYES STATION

Will be as follows: LEAVES EAST.
Express 8:40 a.m. Express 8:05 p.m.
Mail 9:00 a.m. Mail 10:15 a.m.
Accommodations 10:30 p.m.
Passengers for Philadelphia and Baltimore, on the West and Express trains, go through without change of cars.

Express West runs daily except Mondays, all other days except Sundays.
This line has been extended to Blomhaling.

LOCAL AND OTHER MATTERS.

Just as we are going to press, we receive a full list of the killed and wounded of the 148th Regiment, which we will publish in our next paper.

The prospects for a fall crop of Oats and Barley, the coming season in this country is not very flattering.

Mr. Isaac Miller of Pleasant Gap had his arm broken, on Tuesday last by trying to drive a fractious colt.

Our friend John V. Forster, of Millheim, has been appointed Mercantile Appraiser for this county.

A meeting of the Democracy will be held in the Democratic Club room tomorrow evening. Let there be a grand turnout.

We would call the attention of our readers to the Advertisement "Strayed or Stolen," in another part of today's paper.

We notice that hands are laboring already on the new Water Works, how long it will take to complete them we do not know.

We notice that Mr. Geo. Livingston has just received a large assortment of Photographic Albums at his Book Store on Allegheny Street.

The farmers generally throughout the county are busy planting their Corn. Better weather for the business than we have had for a few days this week, could not be wished for.

Our friend and late visitor, Joe W. Furey, Esq., paid our town on Monday and Tuesday last. Joe is looking well and seems to be enjoying life hugely for a Type.

Quite a number of candidates have announced themselves, as will be seen by reference to another column. The contest for the different nominations will, no doubt, be a warm one, and good men will be unavoidably discarded, for all cannot win.

A horse belonging to Mr. Hays, of Yorkburg, broke loose on Friday last from a post in front of Brockenbush's Row, and ran away, snatching up a good spring wagon to which it was attached and injuring several bugs in that standing in the street.

Quite a number of cattle along the line of the Bald Eagle Valley Railroad have been killed by the cars during the past few weeks. On Tuesday last three were killed and several others were wounded.

Unionists notwithstanding the case of the Unionists, as all those employed on the train. We would advise the people living along this road to keep a sharp lookout about their cars.

Below we give a list of the killed and wounded in company H, 148th Regt. P. V. which went into the fight sixty-two strong and as will be seen by the list came out with about half the number. Companies B, C, G, and H, were the only companies in the Regiment that were actually engaged, the rest being on picket duty. We have no list of the casualties of any other companies but the one given below. 1st. Lieut. Wm. Bible and 2nd. Lieut. Frank Stevenson of Co. C, were killed. Col. James A. Beaver, was severely wounded in the side.

Our country has sustained a much heavier loss in her last battle than at any other during the war. We are just at the "frenzied" stage of the war, and the difficulties, and how much better would it be could we close the bloody history, without the loss of another man.

Whit in Philadelphia last week, we made the acquaintance of Mr. Edward Miller, one of the gemmenly salesmen in the whole of the Pennsylvania State.

Whit in Philadelphia last week, we made the acquaintance of Mr. Edward Miller, one of the gemmenly salesmen in the whole of the Pennsylvania State. He is a man of great energy and business ability, and has been successful in his career. He is now in Philadelphia, and we are glad to see him.
