There are many preparations sold under the name of Bitters, put up in quart Bottles. compounded of the cheapest whisky or common run cesting from twenty to forty cents per gallon, the caste disgusted by Anise or Coriander Seed.

This class of Bitters has caused and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Alchoholic Stimulants of the worst kind, the desire for liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death.

For those who desire and will have a liquor bitters, we publish the following receipt. Get One Bottle Hoofland's German Bitters and mix with three quarts of good brandy or whisky, and the result will be a preparation that will far excel in medicinal virtues and true excellence any of the Liquor Bitters in the market, and will bost much less. You will have all the virtues of Hoofland's Bitters in connection with a good article of liquor, at a much less price than these inferior preparations will cost you. Particular Notice.

testiving of their own personal knowledge to the beneficial effects and medical virtues of these Bitters.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distust of their ingredients and effects. I yet know of no sufficient reasons why a man may not 'testify to the benefits he believes to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to 'Hoofland's German Bitters, prepared by Dr. C. M. Jackson, or this eity, because I was prejudiced against them for many years, under the impression that they were chiefly an alsoholic mixture. I am indebted to my friend Robert Shoomaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these bitters, at the beginning of the present year, was followed by evident relief, and restorasion to a degree of bodily and mental vigor which I had not felt for six months before, and 'had almost departed for regaining I therefore thank God and my friend for directing me to the use of them.

ATTENTION, SOLDIERS! AND THE FRIENDS OF SOLDIERS. We call the attention of all having friends or relatives in the army, to the fact that Hoofland's German Bitters will cure nine-tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are affiring from debility. Every case of thet kind can be readily cured by Hoofland's German Bitters. We have no hesitation in saying that, if these Bitters were freely used among our soldiers hundreds of lives might be saved that otherwise would be lost.

The proprietors are, daily receiving thankful letters from sufferers in the army and hospitals, who have been restored to health by the use of these Bitters, sent to them by their friends.
