Grand Democratic Rally!

A grand Democratic MEETING To ratify the nomination of WOODWARD AND LOWRIE, will be held in Bellefonte, Centre County, ON SATURDAY, OCTOBER 24, 1863.

Let the Democracy turn out, en masse, from every portion of the country, and show the tyrant at Washington that the people are yet jealous of their liberties and are determined to maintain them.

Hon. Geo. W. Woodward has expressed his intention to be with his Centre county friends on this occasion.

Hon. W. H. Witte, Col. Kane and S. H. Reynolds, Esq., will positively be present to address the people, and other able speakers are expected.

The Lock Haven and Boalsburg Brass Bands will be in attendance.

The abolitionists are endeavoring to create the impression that Judge Woodward will not be here to-morrow. We can assure our friends that this is a base falsehood and is only gotten up to keep them away from the meeting.

Messrs. Atwood & Deise—These staunch and able exponents of democracy have been canvassing this county for about a week, doing able service for Woodward and Lowrie.

Our principles find able advocates in them, and for our success in this county, our cause will be followed them round from place to place, presenting flags (which he could easily do, as they were paid for by the State) and making speeches, with the sinister motive of making them believe he was their friend, in order that he could use them to secure his election.

A Lie Nailed.

We are informed, and we believe correctly, that some of the Abolitionists, that go belching forth their infamous doctrine in the school houses and churches throughout the county wherever they can find any one to listen, are making the statement and asserting it, to be a positive fact, that Mr. Alexander our candidate for Assembly, has always refused to contribute anything towards the support of the wives and families of the volunteers, or for the purpose of paying the cost of transportation of troops to the Railroad Stations.

On the other hand we have a party of unprincipled men, who are endeavoring to sustain them through all coming time, and to make the desolation of homes, civil war, anarchy and despotism. But George W. Woodward is the true and faithful exponent of Democratic principles—true to the principles of the Constitution and a restoration of the Government.

The Nation's Life.

The election is fast approaching, and ever did there rest more responsibility upon the people than at the present time. The Union League, or in-league-with-the-Devil, (it matters but little which name you may call it) are busily engaged in disseminating the principles of their NO PARTY patriotism. They feel the criminal responsibility of their conducting this war upon unconstitutional measures, and they know that freedom will arise in the majesty of the powers that are delegated to them in the Constitution, and cast aside the fetters which binds them.

Infamous Sentiments!

An Abolitionist in this town remarked a few days since in the hearing of several respectable men, that he "WOULD RATHER BEAR OF ROBERTS' ARMY BEING ANNIHILATED AND MEAD'S WIFE FROM THE FACE OF THE EARTH, THAN THAT THE DEMOCRACY HAD SUCCEEDED IN ERECTING WOODWARD GOVERNOR OF PENNSYLVANIA."

Bill Lewis's Charge.

A poor, miserable, drunken, thieving rascal, named Lewis, who publishes a paper at Huntington, a short time since made a statement in his paper in relation to a speech alleged by the abolition press to have been made by Judge Woodward in the Reform Convention, in 1837.

Thoughts on the Crisis.

Turn to history and see what the Democratic party has done; then to our present terrible condition, and see what has been accomplished by the opposition. Democrats never ask any one to believe their assertions unassisted by proof, do they attempt to compel you to support them? They seldom support only because of promises for the future. We point all men to the doings of the past. Wherever a bright page is found in our history, it was written by the Democrats, wherever a dark page is seen, it was made by the opposition.
