

P. GRAY MEEK,

nd depths of infamy to which your leaders will

did hope that the great principles of which he ice, Truth and Honor.

where the people pretended to revere and respect the sanctity of the elective franchise and the purity of the ballot box, and they and the purity of the ballot box, and they could have carried Centre sounty had they only ten days more it in el. In one sense of the words, this is undoutedly true. Had they continued for ten days longer concocting and perpetrating such frauds as they actually did practice in such frauds as they actually did practice in this county, beyond doutt they would the county and perpetrating the county and perpetrating the county and the proceeded with his speech. It tickled to mot proceeded with his speech. It tickled to mo this county, beyond doubt they would upon our banners and Right triumph over which would have been disgusting had it have drowned the voice of the patriotic Wrong. The hisses and hoots and howls and law-abding crizens of the people effectally as they did the voice of the people plaints of oppression. Taxes will teach of the state at large. We will mention some the people what Truth has failed to improve the people what the pe

of the state at large, we will mention some of these acts of frauds and outrage, reserving however for a future article a full day of victory dawn upon the followers of Washington, Jefferson and Jackson.

The Soldiers Right to Vote.

The Mentan Agrontage of the state of feeding and then will the day of victory dawn upon the followers of Washington, Jefferson and Jackson.

Now that the election is over, and the people what Treth has failed to impress upon their ordered for the days of the specific order of the ward that this was their residence, when some of them are keeping and the way in favor of another draft, or of keeping for the past campaign. We might last, Gov. Curtin said he specified in Bellefonte and order different was in favor of another draft, or of keeping for the past campaign. We wish to the same thing. Before the election about the every time when Russian rule is applied with undertsken at the very time when Russian rule is applied with undertsken at the very time when Russian rule is applied with undertsken at the very time when Russian rule is applied with undertsken at the very time when Russian rule is applied with undertsken at the very time when Russian rule is applied with undertsken at the very time when Russian rule is applied with undertsken at the very time when Russian rule is applied with undertsken at the very time when Russian rule is applied with undertsken at the very time when Russian rule is applied with undertsken at the very time when Russian rule is applied with undertsken at the very time when Russian rule is applied with undertsken at the very time when Russian rule is applied with undertsken at the very time when Russian rule is applied with undertsken at the very time when Russian rule is applied with undertsken at the very time when Russian rule is applied with undertsken at the very time when Russian rule is applied with undertsken at the very time when Russian rule is applied with

What the abolitionists have to crow

Beaten But Not Conquered.

Anxious as every one has been to hear rio's term, who is new the Chief Justice, but out -cast down, but not dismayed -for as he ever had. whose term has nearly excited. Julge Wood long as truth shall last, as long as wrong ward takes his defeat very philosophically, and and oppression shall find a foot-hold on the speech a boy away out near the door, more to an article in the Philadelphia Press, aswhose term has nearly excited. Judge Wood- long as truth shall last, as long as wrong During the first part of the Governors

ent of the count over THETY democratic voted for Curtin in order that the "rebelIt is the duty of all good citzens to lion" would be "crushed," will get a that these violators of the law are that these violators of the law are chance to help do the "crushing" part.—

See that these violators of the law are located to. We hope that those who this was the lie gotten up, that Judge on littons, and, as we are positively assured. Woodward by his decision had deprived the soldiers of the right of voting. The election day came round and with it came the who lies gotten up, that Judge on those conditions and, as we are positively assured this was the lie gotten up, that Judge on those conditions and, as we are positively assured the soldiers of the right of voting. The election day came round and with it came the believe, however that the first of these duly punished, and we hope every man will see the necessity of prosecuting these coundress to the extremity of the law in funderstand have made up their minds to future.

The duly punished, and we hope every man one thing they can rest assured of is that men from the army, in order that none stipolation is sufficient to the men from the army, in order that none of them would be prevented from voting.—

Judge Linn, who had all through the campaign harped about Judge Woodward's infinity to the solders, wrote a letter to future.

We believe, however that the first orders the treatments of the men from the army, in order that none stipolation is stipolation is sufficient to render the Archduke's acceptance impossible. rance may, per happy promise the required guarantee. England never will, and Spain has already determined the interest of the men from the army, in order that none stipolation is sufficient to render the Archduke's acceptance impossible. rance may, per happy promise the required guarantee. England never will, and Spain has already determined to the contraction of them would be prevented from voting.—

Judge Linn, who had all through the campaign harped about Judge Woodward's infinite to find the first of the contraction of them would be prevented from voting.—

Judge Linn, who had all through the campaign harped about Judge Woodward's infinite to find the first of the solders will be sufficient to render the Archduke's acceptance impossible. Find the first of the stipolation of them would be prevented from voting.—

Judge Linn, who had all through the campaign harped about Judge Woodward's infinite to render the Archduke's acceptance impossible. Find the first of the stipolation of the wood was acceptance in the first of the stipolation of the sufficient to render the Archduke's acceptance in the first of the stipolation of the army, in order that none stipolation of the men from the army, in order that none stipolation of the army, in order that none stipolation of the army, in order that none for th

Gov Curtin in Bellefonte.

Last Saturday Gov. Andrew G. Curtin the official returns of the election in this made a flying visit to this place for the pur-State, painful as has been the suspense in which all have been kept since the 13th of ection and of taunting the honest men of lying Hypocrites, they have proven them-October, yet no patriot, no lover of his Centre county who voted against him with selves to be? October, yet no patrix, no lover of his country, no admirer of the government of our fathers, but would willingly wait for months, ay, even years, rather than be commonths, ay, even years, rather than occurrence the home of "the solders friend" gave a people of Pennsylvania, were willing to see the Constitution of our country violated—

the Constitution of our country violated—

the people of "the solders friend" gave a people of Pennsylvania, were willing to see the Constitution of our country violated—

the people of crowing over his the truth, by the miserable faction of abolithe truth, by our State debased—her people insulted and election, was certainly in bad taste, to the appearance, as determined and bold as the laws defied. But so it is; the die is say the least of it, and he must surely have ever. It is double the size of the Caucarian, criminal violence of the wretches of the French our State debased—her people insulted and her laws defied But so it is; the die is cast—the verdiet sealed—and we must meet it as it comes. Whether those who labored to again place our State in the proud position of the production of the production of the position of the production BELLEFONTE, PA.

Triday Morning, Oct. 23, 1863

ANSIVERS TO CORRESPONDENTS, White the early and the produced of the second part of the production of the control of the second part of the production of the produ battled for the white man's government, have been compelled to yield for the present to "treason, stratagem and spoils."

This made the duty of every such person to the saughter pen, but Abe drives none better of General McClellan made its appearance at so late a date in the campaign. Had it appeared two weeks before it did, it is made the duty of every such person to the saughter pen, but Abe drives none being strated of the land to serve, if elected a penalty to the slaughter pen, but Abe drives none being strated of the land to serve, if elected a penalty to the slaughter pen, but Abe drives none being strated of the land to serve, if elected a penalty to the slaughter pen, but Abe drives none being strated of the land to serve, if elected a penalty to the slaughter pen, but Abe drives none being strated of the land to serve, if elected a penalty to the slaughter pen, but Abe drives none being strated of the land to serve, if elected a penalty to the slaughter pen, but Abe drives none being strated of the land to serve, if elected a penalty to the slaughter pen, but Abe drives none being strated of the land to serve, if elected a penalty to the slaughter pen, but Abe drives none being strated of the land to serve, if elected a penalty to the slaughter pen, but Abe drives none being strated of the land to serve, if elected a penalty to the slaughter pen, but Abe drives none being strated of the land to serve, if elected a penalty to the slaughter pen, but Abe drives none being strated of the land to serve, if elected a penalty to the slaughter pen, but Abe drives none being strated of the land to serve, if elected a penalty to the slaughter pen, but Abe drives none being strated of the land to serve, if elected a penalty to the slaughter pen, but Abe drives none being strated of the land to serve, if elected a penalty to the slaughter pen, but Abe drives none being strated of the land to serve a serve and serve and serve a have been compelled to yield for the pres- would catch it. Hon. Charles J. Biddle :--

GEORGE B. MCCLELLAN.

excellent.

Jesse Klinger Esq., Judge of the election in this borough, explaining who had and who had not a right to vote, in that letter which that shotol keeper named Gaylor, in Phillips over since the official returns are beginning to come in, is more than we can imagine. The State has gone for them to be sure but it must be recollected, that Curtin was election, a flag with the mottof "death to Copted three years since by over 32,000 of a majority, now with the five millions of greenbacks that were sent to this State to greenbacks that were sent to this State to greenbacks that were sent to this State to greenbacks that were sent to the serious description of the entire country by the French, had not a right to vote, in that letter which was published in the Press and in sips and was published in the Press and in sips and the country, on the morning become very three country, on the morning become varieties to obtain the votes of all munications of the country, on the morning become varieties to obtain the votes of all munications of the country, on the morning become varieties to obtain the votes of all munications of the country, on the morning become varieties to obtain the votes of all munications. Up to the present time the fore the election. Judge Lum quotes three of the cighten States of which Maxico consists woodward, (the sane decision that they describe the whole French had not a right to vote, in that letter which had not a right to vote, in that letter which had not a right to vote, in that letter which had not a right to vote, in that letter which had not a right to vote, in that letter which had not a right to vote, in that letter which had not a right to vote, in that letter which had not a right to vote, in that letter which had not a right to vote, in that letter which had not a right to vote, in that letter which had not a right to vote, in that letter which had not a right to vote, in that letter which had not a right to vote, in that letter which had not a right to vote, in that letter which had not a right to vote, in that letter which had not a right to vote, in that letter which had not a right to vote, in that letter which had not a right to vote, in that letter which preenbacks that were sent to this State to greenbacks that were sent to this State to sarry on the campaign, the tremendous patronage of the "Government," the countless officials, who are interested in continuing the Abolition reign, and all the influence that Abram and his hosts could command, given to them, they are but able to count a little over ten thousand; even here at the little over ten thousand; when his whisky will kill at forty yards, and that people who go there run the risk of starving to death as he has scarcely ever anything to eat, and when has, its cleanliness is not above suspicion.—Gaylor's is the worst hotel in Phillipsburg, as ever the that Abram and his hosts could command, given to them, they are but able to count a little over ten thousand; even here at the little over ten thousand; when his will kill at forty yards, and that people who go there run the risk of starving to death as he has scarcely ever anything to eat, and when has host scarcely ever anything to eat, and when has be soldiers the right of suffrage) to ple who go there run the risk of starving to death as he has scarcely ever anything to eat, and when has has scarcely ever anything to eat, and when has he stearedly ever anything to eat, and when has the soldiers the right of suffrage) to occupy a councry that is four times the size of France. With the best wil in the world has he has scarcely ever anything to eat, and when has scarcely ever anything to eat, and a little over ten thousand; even here at the home of "Shoddy Audy," he is beaten 344 that gave him 341 of a majority three years a majority, and that thousands upon thousands of dollars was spent during the late this own home and among his own kine this own home and among his own kine this own home and among his own kine advocates rights of \$686, against him.

Poss that look against him.

Oct. 23—3t

Emperor of the French, who wants a mondard wond to thank for it but himself and out-blind friends.

Why, sin, as the phrace is one the John white and nowhere elsewhis one, now gives over that against him.—

Creditable to him, is it?

The analysing to even here at the window, Judge Woodward's decision was quoted to Sustain his right to vote, how H. N. McCalister and the ballance of that batch of contemptible falsifiers could Archduke Ferdinand Maximilian insist upon the absolute fulfillment of his stipulations to decision that soldiers had the window, and argue from that decision that soldiers had the window, and argue from that decision that soldiers had the window, and argue from that decision that soldiers had the window, and argue from that decision that soldiers had the window, and argue from the ballance of that batch of contemptible falsifiers could Archduke Ferdinand Maximilian insist upon the absolute fulfillment of his stipulations to decision that soldiers had the window, and argue from that batch of contemptible falsifiers could Archduke Ferdinand Maximilian insist upon the absolute fulfillment of his stipulations to decision that soldiers had the window, Judge Woodward's decision was appered to Sustain his right to vote, himself and bat-blind friends.

Why, sir, as the phrace is now used the follow who has smelt as greenbark to some the follow.

Why, sir, as the phrace is now used to some the follow in the slow, is now and argue from that solute fulfillment of his stipulations

The Polish Parliament.

There is something wonde ful in the enthe means resorted too. Will the people still believe what they tell them, or will secret Government of Poland. We have had power has succeeded in organizing an exte

to vote and to serve, if elected a penalty being attached for a edus 1. The commis-sioners who are intrusted with the c flec-tion of the National taxes, have been insioners who are intrusted with the cilection of the National taxes, have been instructed to collect the voting lists in the several districts, and the cores are requested, in order to prevent too great a scattering of votes, to vote for whatever person public sentiment seems to point out as the fittest to represent them in the National lists in the Scattering of votes, to vote for whatever person public sentiment seems to point out as the fittest to represent them in the National lists in the Scattering of votes, to vote for whatever person public sentiment seems to point out as the fittest to represent them in the National lists in the Scattering of votes, to vote for whatever person public sentiment seems to point out as the fittest to represent them in the National lists in the several districts. Now, if I were a black man and the editions.

Now, if I were a black man and the editions, which is a specific to the second of their olderness; but both white men and black have common mac has captured four little ragged newsboys, and locked them up in the guard-house. What will they do with them; sell them to the should contractors for rags?

NEW ADVERTISEMENTS. by the sentment seems to point out as the fittest to represent them in the National Parliament. Patriotism and a certain degree of education are the only requirements for a representative. He must at least be able to read and write. The mode in which the election is to be conducted in each district, is furnished by the Government.

But Wood's district, and to be a candidate for the next Presidency of the United States.

But before doing any of these things, I would first call myself an American—out

The object for which this National Parliament is called toge her are thus stated; To provide fo an organization of the National army to provide for an equal distribution of taxes and assessments, to provide the mode of electing the members of National Government and the form of ernment generally, to appoint a ministry from the members of the National Govern-ment, to draft a triminal code, to the National authorities, &c.

been ridiculed, is every day more and more demonstrated in this battle between an Conditions Of Accepting The Mexican elevated national sentiment, and the brute force of a powerful Empire. And it should,

declaring that our Siste legislature had passed a Law permitting all persons to vote who had served one year, whether they were Crizeas or not! In Burnside township, an abolition board arbitrarily threw ent of the count over Third y democratic of the count over the count over the count of the count over the count of the count of the count over the count over the count of the count of the count over the count of the count of the count of the count over the count over the count of the count of the count over the count of the coun ctic districts. The cruelties of the Republicans in La. Vendee are re-enacted and imrated by the tools of a despot in unhapt y Poland. Women are hung in the most in-humam manne: Neither sex nor age is spared where the Rossian Cossacks set their feet. But the spirit of liberty, of independence and right is strengthened by each such bap ism of blood and even the ho, eless must become hopeful when such determination and energy are shown.

termination and energy are shown.

The fifteenth of August is now at hand.
The whrld wil, woo der to see a Polish Pariament, elected by the people, holding its daily sessions in the metropolis of England.

The whrld wil, woo der to see a Polish Pariament, elected by the people, holding its daily sessions in the metropolis of England.

Berone of the commissioners appointed by Burnside to try Vallandigham, was formerly a citizen of Paterson, N. J. where he kept a disreputable house. He was inducted by the Grand Jury of Passaic country for the offence, but before his trial ran away, and produced a commission from the Mr. Lincoln as Captain in the U. S Army, He was a fit tool for Burnside's disreputable business.

Different of August is now at hand.

The fifteenth of August is now at hand.

The whrld wil, woo der to see a Polish Pariament? But, on the government? But, of the submarrassing the government? But, on the government? But, or the government? But,

would first call myself an American-not an African—plucking my name as a flower from my own soil, instead of reaching across the sea to borrow the poor title of an alien.

I am your friend, now and ever. THEODORE TILTON,

Everything Advancing.

Heaven help the poor this winter. The be somewhere solvent of Rosks. The losses on either side are not stated. It is reported that Gen. Rosecrans has been removed; the reasonafor dring so are not given. Gen. Meade will no doubt receive his take Rishmond and capture General Lee while to take Rishmond and capture Ceneral Lee while to the crowd, "put him out!" Adult the wards and indication to the sheriff, "put him out." Inducted the Governor of Pennsylvanta and for tenants, now tenants are begging for houses. The consequence is, rents are advancing upwards, upwards, and there is no telling where they will stop. Stop they can not so long as Mr. Chase keeps on issuing "greenbacks." The fever grows hotter, the infia ion increases. Shoddy has grown suddenly rich and feels proud, hat py and content ed. And Mrs. Shoddy and all the little Shoddies must have the best of everthing. Have they not lived long enough pinching and starving and did not that contract, or that lucky peculation in stocks make them independently rich? Why should they not may be a shawly shave been sold within a shawly was considered the very acme of extravagance. But Shoddy scouts at such small potatoes. Now two hundred and fifty dollars is nothing for a new silk dress, and India shawls have been sold within a stranger of the contract of the sale and the residue in two equal annual payments with interest.

By virtue of an order of the Orphans' Court of Centro county, will be exposed to public sale, at the Court House, in the borough to public sale, at the Court House, in the borough to public sale, at the Court House, in the borough to public sale, at the Court House, in the borough to public sale, at the Court House, in the borough in public sale, at the Court House, in the borough to public sale, at the Court House, in the borough to public sale, at the Court House, in the borough to public sale, at the Court House, in the borough to public sale, at the Court House, in the borough to public sale, at the Court House, in the borough to public sale, at the Court House, in the borough to public sale, at the Court House, in the borough to public sale, at the Court House, in the borough to public sale, at the Court House, in the borough to public sale, at the Court House, in the borough to public sale, at the Court House, in the borough to public sale, at the Court House, in the borough to public sale, at the Court House, in the borough to public sale, at the Court House, in the borough to public sale, at t houses. The consequence is, rents are adshawl was considered the very acme of extravagance. But hold's south at such small potatoes. Now two hundred and fifty dollars is nothing for a new silk dress, and India shawls have been sold within a few weeks for three thousand dollars! Think of that, ye old habitues of Saratoga, Newport, and ye denizens of Fifth arenue.

Or every one his own Doctor—being a private Instructor for married persons or those about to

and India shawls have been sold within a few weeks for three thousand doilars! Think of that, ye old haditues of Saratoga, Newport, and ye denizens of Fifth avenue.

The milliners had thair fall opening during the past week, and all the Flora McFlimseys in town were aut. Such as splendid display was never before seen.—

Day Book.

The Cost.—In preparing the census of effort the real and personal estate as assessed for traxator, and instructions were given these offlicers to add the roper amount to the assessment, so that the return should represent as well the true or mtrinsic value, as the inadequate was generally attached to property for taxable purposes. According to the calculations thus made, the entire value of all the individual property in all States and Territories was a little over \$16, 000,000.000 or a little more than five times the estimated amount of our present debt. The total value of the property in the slaves the estimated amount of our present debt. The total value of the property in the slaves the estimated amount of our present debt. The total value of the special purposes, according to the calculations thus made, the entire value of all the individual property in all states and Territories was a little over \$16, 000,000.000 or a little more than five times the estimated amount of our present debt. The total value of the property in the slaves the serior that the slaves are now "forever free," it will be seen that it would have been cheaper to have bought the Southern Age.

TERMS OF SALE.—One-half the purchase money to be paid on confirmation of the sale, and the remainder in one year thereafter, with interfered the property in the slaves are now "forever free," it will be seen that it would have been cheaper to have bought the Southern Age.
