LOCAL AND OTHER MATTERS.

Summer-like - The weather.
Our amiable friend Kutz of the Richter paid us a pop visit on Monday last.

The new Sheriff, Prothonotary, Register and Recorder, will be sworn into office next week.

Read - "Day-dreams," by our talented young friend J. P. Mitchell on the outside of today's paper.

Court week in this place generally the lawyers harvest, and the week after is the time to see rowdiness and red-eyes.

The next grand jury we suppose will decide the question whether we are to have a new jail, or be content with the old one.

Some fellow (he wasn't booked up, or he would have divided with the printer) passed through town on Tuesday last with eight large deer on a wagon.

The business on the Bald Eagle Valley railroad, has been increasing so fast, of late, that it will be necessary to place another freight train on the road, to accommodate the public.

The adjourned court now in session in this place is but sparsely attended, but little interest seems to be taken in the proceedings. We expect a large turn out to the regular session next week.

Our friend Dyer, in the Arcade has just received his fall and winter assortment of goods, he has some of the nicest dress goods we have seen in town, and our lady friends would do well to call and see them.

If any of our readers imagine that it is an easy matter to write local news, when there is nothing to write, we will give them our chair, pen and paper, and they can try their hand at it, or if they don't go away with a different idea, we'll "care."

We have an idea, that if the street commissioner would have some of the rubbish removed from Bishop street, and clean out the sewers and gutters it would add considerably to the comfort and health of the residents of that part of town.

"Bob," said young fellow to his companion at a fancy fair, "you are missing all the sights on this side." "Never mind Bill," retorted Bob, "I am sighting all the misses on the other." You will be missing a sight of the finest, fattest, plumpest boys in town if you do not go to our friend Dyer's under the Pennsylvania Hotel.

Iron City College. - The following from one who is acquainted with the School and who has had ample opportunities of judging is but the opinion of all:
"After having visited nearly all the leading Commercial Schools in the country, I feel constrained to say that the Iron City College of Pittsburg, Pa., stands unrivaled, and without an equal. I know of no institution more eminently deserving of public confidence and public patronage than this.

Sup't of Com. Schools for Fulton Co., Pa.
Peterson's Magazine. - We are in receipt of this popular Lady's Magazine, for December. It is a splendid number. "Peterson" will be greatly improved in 1864. It will contain nearly 1000 pages of double column reading matter; 14 steel plates; 12 colored steel fashion plates; 12 colored patterns in Berlin work, embroidery or crochet, and 900 wood engravings - proportionally more than any other periodical paper. Its stories and novels are by the best writers. In 1864, Four Original Copyright Novels will be given. Its fashions are always the latest and prettiest. Every neighbor ought to make up a club. Its price is but Two Dollars a year, or a dollar less than Magazines of its class. It is the Magazine for the times! To clubs, it is cheaper still, viz. - three copies for \$5, five for \$9.50, or eight for \$10. To every person getting up a club, [at these rates], the publisher will send an extra copy gratis. Specimens sent [if written for] to those wishing to get up clubs.

Address, post-paid, CHARLES J. PETERSON, 205 Chestnut Street, Philadelphia.

STERNBERG HALL, BY PUMP STINKINS, Esq. The times, they say, are mighty hard, But men can find a dollar, To spend on pants or coat or vest, Or even on a collar.

Republicans blame Democrats, Democrats blame Republicans - So each one blames the other.

Some swear that Lincoln's just it, To cure his wretched eyes, While others say he's trying hard To send us to the Devil,

And so it goes - and so it goes, Makes our friends fight each other, And kindles bitter feelings, which They try in vain to smother.

Now, this is all a silly thing, And comes of human kindness, For all men should be brothers, and Should live in peace and kindness.

If you're a "pud" and a "Dem," Don't need me to say a word, Nor make us call each other names, Nor beat each other double,

For where's the use to you and I, To call one more or less together, Just for a nasty grudge bit, Or woody-pated niggers.

So let us stop it - and we'll try To call one more or less together, And bid you Sternberg Hall our clothes For this cold winter weather.

He's got a large and handsome stock, Just brought here from the city, And that is what I wanted to say, When I commenced my ditty.

So roll in, folks - Sternberg a man (The honest truth to make you see,) Who only tries to make his "pud," By fair and upright dealing.

As Sternberg & Co., Republican Agents, next door above the "Conrad House," have just received a splendid lot of fall and winter clothing, suited to the season, at astonishingly low prices. Oct. 16, '63-1y. A. STERNBERG, & Co.

THE GREAT American Tea Company, 61 VESEY STREET, N. Y. Since its organization, has created a new era in the history of Wholesaling Teas in this Country.

They have introduced their selections of TEAS, and are selling them at not over Two Cents (.02 Cents) per pound above cost.

Never deviating from the ONE PRICE system, another peculiarity of the Company is that their TEAS are not only devoted to the selection of their TEAS as to quality, value, and the TEAS are represented as such, but they help the Tea buyer to choose out of their enormous stock such TEAS as are best adapted to his particular wants, and not only this, but point out to him the best bargains.

It is easy to see that the introduction of a Tea here, has in this establishment over all others. Parties can order Teas and will be served by us as well as though they came themselves, being sent to get original packages, true weights and measures, and the TEAS are represented as such, and if it is no judge of Tea or the Market, if his time is valuable, he has all the benefit of a well organized system of doing business, of an individual man's capital, of a professional TEAS, and the knowledge of superior salesmen.

This service all Tea buyers - no matter if they are thousands of miles from this market - to purchase on as good terms here as the New York market will be sent to all who order it; comprising: Hyson, Young Hyson, Imperial, Gunpowder, Wansay and Skin. OOLONG, SOUCHONG, ORANGE & HYSON PEKOE.

JAPAN TEA, of every description, colored and uncolored. This list has each kind of Tea divided into four classes, namely: OOLONG, high OOLONG, FINE, FINEST, and every kind of tea, and the best of each class, and the prices annexed, and the Company are determined to undersell the whole Tea trade.

We guarantee to sell ALL OUR TEAS at not over COSTLY, and we guarantee to pay for every article, believing this to be attractive to the many who have heretofore been paying enormous profits.
