**LOCAL AND OTHER MATTERS.**

By reference to the bills, it will be seen that R. Throck's vendue, will come off on the 22d inst. Let all who want good bargains attend.

Fire - The house of a named Lavery living about half a mile above Unionville, was burned down on Tuesday evening last. We are not acquainted with the origin of the fire.

Trade - Fair for the evening when we mentioned a couple of weeks ago as having lost the use of his limbs, died on Monday last. His remains were interred in the Catholic cemetery in this place, on Wednesday, attended by a large concourse of sympathizing friends.

We learn that on Thursday last, a man named Kochan, living somewhere in the vicinity of Salt Lick, this county, while attempting to cross a dam on the Mohamud creek; with a load in which he was carrying home some articles of domestic use, accidentally fell overboard and was drowned. His body was recovered, and interred in the Catholic cemetery in this place on Saturday last.

Grand Supper - Mr. R. D. Cummings, proprietor of the "Cummings House," is giving a grand Oyster and Turkey supper on the evening of next Christmas, to which all lovers of good things are invited to be present. The occasion is expected to be one of much enjoyment, and as Mr. Cummings cannot be excused in the art of getting up a good supper, it is a foregone conclusion that the affair will be worth attending.

Tickets - Fifty cents.

To "Sir" - In reply to your question as to whether commutation money will be accepted as a means of exemption from the coming draft, we have only to say that, unless Congress should pass the three hundred dollar clause prior to the 5th of January, drafted men can purchase their exemption for that amount of money, the same as heretofore. But should Congress pass that clause, there is no money to be had, and a substitute will be accepted. This is all the information we possess upon the subject.

John Koch of Pennsylvania, to whom we referred last week as having been established by George Champion, died on Friday morning last from the effects of the injuries received on that occasion. Mr. Koch leaves a wife and one child to mourn his sad fate. The unhappy end of this affair, makes the case of Mr. Champion a very serious one, and a warning to all who are in the habit of giving way to sudden impulses of passion. Champion is now in jail awaiting his trial at the next session of Court, which will be held in January.

A Successful Institution - The Pittsburgh Evening Chronicle says: "There is no more permanent institution in the country so successful, in which is established on a more permanent basis, than the Iron City Commercial College of this city. The unusual facilities here afforded, the superior qualifications of the Principals, who besides teaching upright gentlemen, are also experienced Teachers and practical business men, offer a combination of advantages nowhere surpassed, if equaled, in the country."

The Cautious of Fanaticism.

It is as idle to reason with a fanatic as with a madman, or to expect mercy from a fanatic as from a wild beast. There is no wickedness which fanaticism has not perpetrated, none which it is not capable of. It is under the influence of their most diabolical of all delusions that Lincoln and his abolitionists are waiting up to their necks in human gore, and perpetrating and designing atrocities which make the blood run cold in the veins of sane men whose reason had sufficed a total obscuration, and who had lost all sense of the distinction between right and wrong, could serve as they are perpetrating in the most monstrous sacrifices of the human life and happiness which they are causing in every year of this war.

Amid the widespread sea of horrors which surround them on every side, they are as unmovable and calm as sedimentary rocks. They exhibit no emotions, they feel no remorse on the contrary, their cry is more fervent, more agony, more blood. They dream they are doing good, justice in this they will never waken from that dream in this world. But unless God be himself a dream, unless Providence be a delusion and the Bible a fable, the dream of these fanatics is either on earth or in hell, will not they bring back to his own bosom every fury they have visited upon an innocent and unoffending people.

61 VESLEY STREET, N. Y.

Since its organization, has created a new era in the history of

### Wholesaling Teas in this Country.

They have introduced their selections of TEAS, and are selling them at not over

### Two Cents (.02 Cents) per pound

Never deviating from the ONE PRICE asked. Another peculiarity of the COMPANY is that their TEAS are not only devoted to the time and selection of the TEAS as to quality, value, and particular styles for particular localities of the country, but in the TEAS they choose out of their enormous stock TEAS as are best adapted to the particular wants, and not only this, but guarantee to him the best bargains.

It is easy to see the considerable advantage a TEA BUYER has in this establishment over all others.

Parties can order TEAS and be served by us as well as though they came themselves, being sent to get original packages, true weights and measures, and the TEAS warranted as represented.

If he is no judge of TEA or the Market, if his time is valuable, he has all the benefits of a well organized system of doing business, of an immense capital, of the judgment of a professional TEA TASTER, and the knowledge of superior sales.

This enables all TEA BUYERS - no matter if they are thousands of miles from this market - to purchase on as good terms here as the New York merchants.

We have a price list of the Company's TEAS, which will be sent to all who order it; complimentary.

Hyson, Young Hyson, Imperial, Gunpowder, Twankay and Skin.

OOOLONG, SOUCHONG, ORANGE & HYSON PEKOE.

### AT STERNBERG HALL.

BY PUMP SUNKINS, ESQ.

The times, they say, are a mighty hard, And men can't find a dollar To spend on pants or coat or vest, Or even on a collar.

Republicans blame Democrats, For all this mighty bother, And Democrats Republicans - So each one blames the other.

Some swear that Lincoln's just the one To cure this "mighty evil," While others say "my'n tryin' hard To send us to the Devil."

And so it goes - and politics, Makes fast friends fight each other, And kills bitter feelings, which They try in vain to smother.

Now, this is all a silly thing, And comes of human blindness, For all men should be brothers, and Should live in peace and kindness.

If you're a "pub" and I'm a "Dem," That need not cause a trouble, Nor make us call each other names, As each one blames the other.

For where's the use in you and I, To pull on trigger, Just for a nasty grudge, Or for a worldly minded anger.

Just none at all - and so say I, We've made a mighty blunder, For politics is just the thing To send us all to smother.

So let us stop it - and we'll try To pull once more together, And buy from Sternberg all our clothes For this cold winter weather.

He's got a large and handsome stock, Just brought here from the city, And that is what I want to say, With Locomotion say it.

So sell in folks - Sternberg a man The honest truth revealing, Who only tries to make his "pile," By fair and upright dealing.

A. Sternberg & Co., Reynolds Arcade, next door above the "Central Store," have just received a splendid lot of fall and winter clothing, which they offer for sale at astonishingly low prices. Oct. 16, '65 - 4f. A. STERNBERG, & Co.
