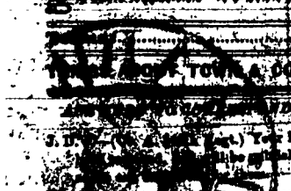
...RESPONDENTS.



J. D. ... (Cass, Pa.) Your lines have ... be published as soon ... Many thanks for your ... and return ... Mac ... our thanks for the paper, ... shall write pretty soon ... hear from you.

Historian ... of the Caesars, in the ... says of Constantine died, A. D. 337.

O. S.—That is not for us to say. The time you speak of must come, unless by the interposition of Divine Providence it is prevented.

Rev. O. V. (Covington,) Thanks for your kindly letter, and will be pleased to hear from you again.

☞ Some eight or nine recruits, left this on Tuesday last, to join the 148th, Reg. They were mostly very young boys but may make good soldiers, if trained well.

☞ Soldiers and Officers in the Army, being frequently suddenly chilled, should always be supplied with Brown's Bronchial Troches, as they give prompt relief in a Cold, Cough, or an Irritated Throat.

☞ The attention of Dealers in and Consumers of Indigo Blue, is invited to read adv. in this issue. Indigo Blue, put up at Alfred Wilhberger's Drug Store, 238 N. Second St., Philad'a, &c., &c.,

☞ Nearly all the rubish and dirt has been removed from the ruins of the Aracade and our enterprising townsman Maj. Reynolds intends having a building that will be an ornament to the town erected thereon by the first of August.

☞ Our thanks are due to Gov. Curtin for a pamphlet copy of his inaugerable address. Also to Hon. C. L. Lamberton of the Senate, and our excellent representative C. T. Alexander Esqr. for valuable public documents. "Cleo" will also consider us under obligations for illustrated papers &c.

Knickerbocker Magazine for Feb. reached us just as we were going to press last week, like the numbers that have preceded it, 'tis filled to overflowing with the choicest articles, from the best authors. It is doubly worth the subscription price, $3. per annum. Kinnahan Cornwills, N. Y

☞ We notice that our friend Dolan formerly of the Pennsylvania Hotel, has taken up his abode at the Cummings House, where he is dealing out Oysters, in the way that "Jim" alone knows how. Clean tables and every thing in the finest style will always be found where his pleasant countenance is to be seen.

☞ Our friend Derr, who was chased out of the Arcade by the fire on the 20 ult, has opened, what goods the miserable thieves about here didn't steal from him, together with a splendid new lot, at the store room formely occupied by the Messrs Hume's on Allegheny St. Give him a call.

☞ Quite a number of the members of 45 & 51 Regts. P. V. reached home here on on Monday & Tuesday last.

The boys look well and we are glad to see them in such good spirits. Many a brave heart that went forth with them now lies silent and cold in its lone grave, and who knows how many of the hopeful men that are now visiting their families and friend, will fill a soldiers grave, before the dawning of another year.

☞ Mr. Barnhart the well known Photographer and Daguerrian, has just received the largest and finest lot of Photographic Albums we have ever seen. They range in number from 300 to 10 and in price from $15. to 75 cts. Mr. Barnhart makes his purchases direct from the manufacturers, and is enabled thereby to sell 20 per cent cheaper than the usual price in Phila. His Albums are of the best, gotten up in the latest style, and surpass anything of the kind that we have come across yet. If any of our readers desire to procure one we would advise them to call and see his, and we know they will purchase one.

☞ Through the kindness of Provost Marshal Blain, we have been furnished with the following estimate of the quota of the several townships in this county. He says, it is not official, but is as near correct as can be made at present. The numbers may vary 25 or two in some districts but not more.

The first is the estimate under the call for 300,000, the second for 500,000, or the whole quotient. If the credit due the county for men, is given, it will reduce the following numbers materially.

WANTED!!!

STAVES, SHINGLES, POPLAR, LOCUST, ETC.

The undersigned is about extending his lumber business to fill a needed gap in the trade of Philadelphia, by making a *speciality* of the *cooper-stock trade*, and now desires to make arrangements to secure supplies. The city coopers, shippers, &c., owing to the impossibility of obtaining them in Philadelphia, now depend largely on other markets for their Staves, &c.—With proper encouragement by the manufacturers, the undersigned hopes to stop this diversion of trade by keeping on hand a large stock, in every variety of quality and size. By giving this branch of trade particular attention, he hopes to make more early returns to consignments, and establish for the manufacturers a more valuable communication with purchasers than is possible by those who trade mainly in more heavy lumbers.

Manufacturers and others who can furnish (particularly *continuous* supplies) either by contract, purchase, or on commission, *Staves, Heading, Hoop-poles*, &c., should address

W. A. LEVERING,
Callowhill St. Wharf,
Philadelphia.

☞ Large supplies always wanted of Locust Timber, Oak-Knees, and frequently long Oak Plank, Oak and Yellow-Pine Timber. Also, now opening a trade in and wanting supplies of Shingles, Walnut, Cherry, Poplar and Ash Lumber, &c.

PARTICULAR NOTICE!

There are many preparations sold under the name of Bitters, put up in quart Bottles, Compounded of the cheapest whiskey or common rum, costing from 20 to 40 cents per gallon, the taste disguised by Anise or Coriander Seed &c.

This class of bitters has caused and will continue to cause, so long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept constantly under the influence of Alcoholic Stimulants, of the worst kind, the desire for Liquor is created and kept up, and the result is all the Horrors attendant upon a drunkard's life and death. Beware of them.

For those who desire and will have a Liquor Bitters, we publish the following receipt. Get One bottle of Hoofland's German Bitters and mix with three quarts of good Brandy or Whisky, and the result will be a preparation that will far excel in medical virtues and true excellence any of the numerous Liquor Bitters in the market, and will cost much less. You will have all the virtues of Hoofland's Bitters in connection with a good article of Liquor, at a much less price than these Bitter preparations will cost you.

DELICATE CHILDREN,

Those suffering from MARASMUS, wasting away, with scarcely any flesh on their bones, are cured in a very short time; one bottle in such cases, will have most surprising effects.

DEBILITY,

Resulting from fevers of long standing. These Bitters will renew your strength in a very short time.

FEVER AND AGUE

The chills will not return if these Bitters are used. No person in a fever and ague District should be without them.

From the Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I yet know of no medical means by which a man may not testify to the benefits he believes himself to have received from any simple preparations, in the hope that he may thus contribute to the benefit of others.

I do this more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against the use of them by the fact that, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq. for
