Republicans blame Democrats, For all this mighty bother, and Democrats Republican By each one blame the other.

Some awear that Lincoln's just the man To cure this mighty evil, While others say he's trying hard To send us to the Devil.

And so it goes—and politics, Makes fast friends fight each other, And kindles bitter feelings, which They try in vain to smother.

Now, this is all a silly thing,
And comes of human blindness.
For all men should be brothers, and
6 Should the in peace and kindness.

Wyon're a " Pub" and I'm a " Dem," That need not cause a trouble, Nor make us call each other names, Nor beat each other double.

Por where's the use in you and I,
To go to pullin' triggers,
Just for a nasty greaty lot
Of wooly-pated niggers. Just none at all-and so say I.

We've made a mighty blur or politics is just the thing To send us all to thunder. So let us stop it—and we'll try
To pull once more together,
And buy from Sternberg all our clothes
For this cold winter weather.

He's got a large and handsome stock, Just brought here from the city, And that is what I wanted to say, When I commenced my ditty.

So will in folks....Sternberg's a man (The honest truth revealing,)
Who only tries to make his "pile,"
By fair and upright dealing.
