THINGS ABOUT TOWN & COUNTY.

ANSWERS TO CORRESPONDENTS.

JOHN.—We heard of a man that got rich by minding his own business. We suppose you try it.

ED.—A great many people say that the Militia will be called out. We do not know whether they will or not.

J. J. J.—The prospects of the crops in this section are exceedingly poor. There will not be more than a half a harvest of Wheat.

S. T. S.—The *Knickerbocker* and the *Old Guard*, are the only Democratic magazines we know of in the North; either one of them is worth double the price of subscription.

WHIG.—From the way you talk, we have no doubt you belong to that class of beings yourself. You believe the war is wrong, yet think the Administration should be sustained in carrying it on. We believe it is wrong, and believe that it is wrong to give it *any support or countenance, whatever.*

☞ Court is but slimly attended this week.

☞ Mr. Stone, is selling at auction, at "Our House," quite a large lot of dry goods, hats and caps, &c., Sales every evening.

☞ Our thanks are due to the Hon W. H. Miller, Representative in Congress, from the Dauphin district, for copies of the Congressional Globe.

☞ If any of our readers desire a dish of splendid Ice Cream, we would advise them to go to Mrs. Bayaday by the depot. We speak but what we know and what every hand in this office will testify to, when we say that her Ice cream *cannot be beat.*

THE CONTINENTAL MONTHLY.—This large and ably conducted Magizine for May, has just reached us. To those of our friends who desire the best, Abolition Magazine of the day we would commend it. Address John Trow 50, Green St. N. Y. Terms $3, per annum.

☞ The emergency men who served under Capt. Wilson, will be paid off at Boalsburg, on Friday, May 13th, those that served under Capt. Burchfield, at Pine Grove, Saturday, May, 13th, and those that served under Capt. McAllister, at Bellefonte on Tuesday May, 17th. Be on hand boys if you want your wages.

☞ We would call the attention of our readers to the Adv. of the "Union Hotel" Milroy. Mr. D. C. Keller, formerly of Centre Hall this county, has taken charge of that well known stand, and fitted it up in a style, not surpassed by any country Hotel. He has clever, obliging, *host*, and those who favor him with their patronage, will find no cause for complaint.

TERRIBLE AFFAIR.—We learn from the Blair county papers that a young man named Nearim, of Tuckyhoe valley, a painter by trade, who, many of our readers will remember as having work d in the upper end of the county for a considerable time, and afterwards for Mr. Brackbill in this place, shot his father and himself on Thursday the 21th ult. while laboring under an at tact of Manua Potua.

DEATH OF DR PUGH.—It is with feelings of sorrow that we announce the death of Dr. Evan Pugh, Principle of the Agricultural College of Pennsylvania, which occurred on Friday night last, at the residence of Mr. Valentine, near this place. He had been ailing but a short time, and his death was quite unexpected.

Dr. Pugh was a native of Chester county, and in early life set out in pursuit of scientific knowledge, attending lectures in England, France and Germany, on science in its applicability to agriculture, attaining in his course the position of principle at Rotherham farm in Yorkshire, one of the most distinguished honors in the field of agricultural pursuits. He was soon after called to preside over and organize the Agricultural College of Pennsylvania, and had attained a starting point for great future usefullness, when his labors were brought to a sudden termination. His remains were interred in the Cemetery at this place on Sunday afternoon in the presence of a vast concourse of friends and admirers.

The following is a copy of the resolutions adopted by the students of the Agricultural College on learning of the death of their late President Dr. Evan Pugh.

WHEREAS:—It has pleased *Almighty God* to remove from our midst our late President, Dr. Evan Pugh, while in the prime of life, and the ripe and vigorous exercise of his rare powers—be it therefore;

Resolved, That we the students of the Agricultural College of Penna. deeply deplore the loss which we have sustained in the death of our late President. Gifted with a mind of unusual vigor, and clearness, enriched by ripe scholarship and varied culture, he united to these a temper so genial, so frank and so just and a judgment so mature, as to combine in rare measure, the talent of felicitous instruction with that of successful administration. To his unwearied and cordial devotion to our interests, and his quick and clear perception of our needs, is largely due the success which has thus far attended us—and whatever measures of usefullness may in future attend our career we deeply feel that upon all *that* future will be impressed the stamp of his character and his labor.

Resolved, That in the death of Dr. Evan Pugh, we have been deprived of an able instructor, a kind guardian and a genial friend.

Resolved, That to his bereaved widow and relatives we tender the heartfelt tributs of our sympathy under their heavy affliction.

Resolved, That we attend the funeral in a body.

Resolved, That a copy of these resolutions be given to the bereaved widow and relatives, and that they be published in the "Village Record" (Chester co) "West Chester Republican." "Phila. Press" "Germantown Telegraph." "New York Tribune" "New York Herald," "Pittsburg evening Curonicle" "Pittsburg Post," and the Centre Co., papers.

Thieves Abroad.—Bellefonte seems to be the favorite hunting ground for thieves. On Friday night last the saloon of M. Andrews was broken into, and robed, of almost every thing that could be carried away handily. On saturday night the barber shop of Meshloh Graham, was attended to in the same manner, and on sunday night the Tailering establishment of Mr. John Montgomery, met the same fate. Upwards of a thousand dollars worth of goods was carried from the later place, but as luck would have it, the the theives feared to take them home, and hid them under the steps of the School house, where they were discovered, and returned the next day. Suspicion we are told rests on a couple of men belonging to the borough who were seen that night in the neighborhood when the goods were found. If so, we do not know why they are not arrested and made to suffer if guilty. This business has become too common in Bellefonte and unless something is done to put an end to it, we may expect more fires, more robberies, and perhaps some cold blooded murders. Men that will break open a house to steal, would burn it down to steal and men that would burn it down to steal, would murder its inmates to steal. Let the people be on the alert.

HOYT'S HIAWATHA HAIR RESTORATIVE.

The standing staple preparation for the hair, *warranted* in all cases to restore faded and gray hair, and whiskers, to their original color. It does not claim to make the hair grow in where it has once fallen out: nothing will do that whatever may be advertised to the contrary, but it will prevent it from falling out, make it soft and silky, cleanse it and the scalp from impurities and humors, and entirely overcome bad effects of previous use of preparations containing sulphur, sugar of lead, &c. It requires no souping, washing, and hours for its application, nor will it stain the skin, but it is easily applied and is fed from the skin as any hair dressing.—it restores the natural shading of one hair to another, which Gives it a lively appearance, instead of the dull uniform black of dyes.

HOYT'S IMPERIAL COLORING CREAM.

Superior to any hair *dressing* in use. Oils and Colors the hair at the same time Changes light and red hair to a beautiful black. Sold everywhere

NEW ADVERTISEMENTS.

MEDICINAL.

DR. WISHART'S
PINE TREE
TAR CORDIAL.

IN THE VITAL PRINCIPLE OF THE PINE TREE

Obtained by a peculiar process is the distillation of the tar, by which its highest medical properties are retained.

Have you a Cough? Have you Asthma? Are you Threatened Have you any of the premonitory symptoms of that most fatal disease, Consumption?

Those who have these symptoms generally think little of them until it is too late. From this fact perhaps more than any other, arises the sad prevalence and fatality of disease which sweeps to the grave as many as "one sixth" of death's victims
