We call the attention of all having relations or friends in the army to the fact that HOOK-LAND'S terman Bitters will coure nine-tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion spe suffering from debility. Every case of that kind can be readily cured by Hoofands German Bitters. We had so hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise would be lost.
