DYSPEPSIA! DYSPEPSIA!

I, Elizabeth Branson; of Brandywine, Del., formerly of Old Chester, Del., do certify that, for one year and a half. I suffered everything but death from that awful disease called Dyspepsia. My whole system was prostrated with weakness and nervons debility; I could not edigest my food; If I at even a cracker or the smallest amount of food, it would return just as I swallowed it; I became so costive in my howels that I would not have a passage in less than from four and often eight days; under this immense suffering, my mind seemed entirely to hiveway. I had dreatful horror and evil foreshodings. I thought everybody hade me, and I hated everybody; I could not bear my husband or my own children, everything appeared to be horror stricken to me; I had me ambition to do anything; I lost all love of family and home; I would ramble and wander from place to place, but could not be contented; I felt that I was doomed to hell, and that there was no hoaven for me, and was often tempted to commit unicide, so near was my whole nervous system destroyed, and also my mind from that afful complaint, Dyspepsia, that my friends-thought best to have me placed in Dr. Kirkbride's Hospital, West Philadelphia, I remained there nine weeks, and thought I was a little better, but in a few days my dreadful complaint was raging as bad as ever. DYSPEPSIA! DYSPEPSIA!

Dr. Wishart:—I have beed a constant sufferer with Dyspepsia for the last eighteen years, during which time I cannot say that I eyer enjoyed a perfectly well day. There were times when the symptoms were more aggravated than at others, and then it seemed it would be a great rolle to die. Lind at all times an unpleasant feeling in my head, but latterly my sufferings to much increased that I became almost unfit for business of any kind; my mind was continually filled with gloomy thoughts and forbodings, and if I attempted to change their enrrent by schding, at ourse to sense their enrent by schding, at ourse to sense the sense would occur at my stomach, and great pain to my eyes, accompained with which was the continual fear of losing my reason. I also experienced great Institude, debility and nervousness, which made it difficult to walk by day or sleep by might. I became averso to society and disposed only to soclusion, and having tried the skill of a number of eminent physicians of various schools, finally came to the conclusion that, for this disease at my present age (4) years) there was no cure in existence. But, through the interference of Divine Providence, to whom I devontly offer my thanks, I at last found a sovereign remedy in your Dyspepsia Pills and Tar Cordial, which seems to have effectually removed almost the last trace of my long list of allments and bad feelings, and in their place health, pleasure and contentment are my every day companions.

DYSPEPSIA! DYSPEPSIA! I, Moses Tobin, of Cheltenham, Montgomery ounty, Pa., have suffered for more than one I, Moses Tobin, of Cheltenham, Monigomery county, Pa., have suffered for more than one year, overything but death itself from that twiful discase called Dyspepsia. I employed in that time five of the most eminent physicians in Philadelphia. They did all they could for me with modicines and cupping, but still I was no better. I then went to the Pennsylvania University, in order to place myself in of the best medical talents of the country, but their medicines failed to do me any good and oftentimes I wished for death to relieve me of my sufferings but setting Dr. Wishart's advertisement in the Philadelphia Bulletin I determined to try oned more, with little faith. I called on Dr. Wisehart and told him if I could have died I would not have troubled him, and then related my sufferings to him. The Dector said that if he fail ed to cure me of Dyspepsia, it would be the first case in two years, so I put myself under his treatment, and although I had been for months vomiting nearly everything I ato, my stomach swollen with wind, and filled with pain beyond description, I bought a box of his Dyspepsia Pills. I used them as directed, and in ten days I could eat as hearty a meal as any person in the State of Pennsylvania, and in thirty days was a well man. I invite any Ferson suffering as I was to call and see me, and I will relate my suffering and the great cure I received. I would say to Dyspepsia with any degree of certainty.
