Democratic Watchman

TERMS—$2 per year when paid in advance $2,50 when not paid in advance, and $3,00 when not paid before the expiration of the year.

ANSWERS TO CORRESPONDENTS.

W. R.—We have mailed the tickets to your address this morning.

"GREENBACK."—You can have your bet taken up any day you call at this office.

W. H. B. (Lebanon.)—As soon as we can ascertain, your inquiries shall be answered by letter.

H. B.—As soon as the crowded state of our columns will admit, the letter sent us shall have a place.

POLITICO.—The official vote of Ohio gives the State to the Abolitionists by 26,183. Last year they had 87,574 majority on the home vote. Where the "victory" comes in for them we can't see.

J. J. J.—If you think we do not get out the right kind of a paper you had better come and try it yourself a while. The cowardly course you would have us pursue, would be honorable, wouldn't it?

JOHN.—We may be wrong, but we believe that if Abraham Lincoln is re elected, nothing short of a bloody revolution will save the American Republic. He will force the people into it.

JACOB.—In our estimation you deserve all that you have got. A man that is not enough to stick to Abe Lincoln, after he has shown himself to be a fool, a traitor, and a tyrant, *should* be conscripted, and made buy a substitute every month, or to go to the front the army for thirty years, or during the war, if the old cuss lives to be elected.

THINGS ABOUT TOWN AND COUNTY.

REMOVED.—Messrs Reynolds & Co have removed their Bank, into the new room on the South east corner of the Diamond.

HAD A SWEET TASTE.—The Democrat that wanted to kiss a nigger on Wagner's Store a few days after the election. How are you brother McClure?

TICKETS! TICKETS.—We have printed, and ready for distribution, McClellan and Pendleton electoral tickets, and we hope our friends throughout the county will call and supply themselves.

☞ The new R. R. Depot, at this place, we are informed, will be finished and ready for the reception of freight in the course of a few days. The track is being laid round the building at the present time.

CAN ANY ONE BEAT IT?—Our friend Daniel Derr, Esq., of this place presented us with a potato grown on his lot, that weighed THREE POUNDS, all but one ounce. If any of our readers can beat that, we should like to hear from them or see the potato.

CHEAP.—Potatoes are said to be selling in parts of this county at twenty five cents per bushel in Lincoln currency. At that rate laboring men in Democratic times could purchase ten bushels for a days work.

CLOSED AT LAST.—We understand that the M. E. Church in this place has been closed until after the election, in order to give the "loyal" divine that is run by the grace of God" intends to stump it for Lincoln, time to get up his "speech" and to learn a other "star" story. How are you sh—tar?

CORN HUSKING.—The farmers in this section are busily engaged in getting in their corn. The crops in most parts of the county is excellent, and the scarcity of hands renders husking and hauling considerable of a job for the few that I people this not torn from their homes by his merciless conscriptions.

AN EXCELLENT REMEDY.—Whoever is troubled with hoarseness, cough, or soreness of the throat, can apply an excellent and safe remedy by using *Brown's Bronchial Troches*. We have tried the article and can safely recommend them in all cases of throat Irritation. To singers and public speakers they are of great value.

HE SAW SOMETHING.—A lady had the very bad taste to enter a drawing room in such ultra full dress, or rather undress, that more bust than barege was visible. "Did you ever see anything so unblushing?" whispered a gentleman whose sense of decorum was outraged by the exhibition. "No never since I was weaned!" was the reply. "You can see something at Dolan's saloon, and can see and taste some plump Oysters."

THIEVES.—Bellefonte seems to be infested with a gang of house breakers at the present time. During the past week we have heard of no less than five dwellings being entered and robbed of whatever the villians could lay their hands upon. Our citizens cannot be too well prepared to protect their property and persons, for the man that will enter a house to steal, will burn it down to steal, and he that will burn it down to steal would murder its inmates to accomplish his purpose.

WHY IS IT?—We should like to know why it is, that a statement of the borough expenditures is never published or given to the public. We have been a resident of the place for almost three years, and as yet have never seen anything that looked like an official summing up of our expenses or liabilities. We know that the borough taxes are enormous, we know that the borough debt must be considerable, we know that the body of men styled the "town council" are ready to borrow any amount of money and pay the highest rates of interest for it. But what comes of it, the Lord and themselves alone know. It seems to be their intention and design to keep the tax payers of our town as much in the dark as possible. If matters and things were conducted in the manner they should be, those having charge of the borough affairs would not be afraid to let the people know what becomes of the money paid them

WISTAR'S BALSAM OF WILD CHERRY.

So general has the use of this remedy become, so popular is it everywhere, that it is unnecessary to recount its virtues. Its work speak for it, and find utterance in the abundant and voluntary testimony of the many who from long suffering and settled disease have by its use been restored to prime vigor and health. We can present a mass of evidence in proof of our assertions, that

CANNOT BE DISCREDITED.

THE REV. JACOB SECHLER,

Well known and much respected among the German population in this country, makes the following statement for the benefit of the afflicted:

HARLEYVILLE, Pa., Feb. 16, 1859.

Dear Sir.—Having received in my family important benefits from the use of your valuable preparation—Wistar's Balsam of Wild Cherry—it affords me pleasure to recommend it to the public.—Some eight years ago one of my daughters seemed to be in a decline, and little symptoms of her recovery were discovered. I then procured a bottle of your excellent Balsam, which had [illegible] the use of two bottles she had [illegible] the most improvement in health. I have in my individual case, met frequent cases of incurable disease, and have also been benefited by it.

JACOB SECHLER.

FROM JESSE SMITH, ESQ.,

President of the Mauch Chunk Bank, Morristown, New Jersey.

Having used Dr. Wistar's Balsam of Wild Cherry for about seven years, and having realized the benefit I did from its use, I consider myself under a moral obligation to bear my testimony to the [illegible] of weak constitutions. I can safely say that I consider it the only remedy which I can depend upon with perfect confidence in the most desperate cases, and may be taken with perfect safety by the most delicate in health.

FROM HON. JOHN B. SMITH,

A distinguished lawyer in Westchester Co. N. Y. I have used Dr. Wistar's Balsam of Wild Cherry in my family for several years, and find it a safe and reliable remedy for coughs and colds, and all diseases of the throat and lungs. I have also found it very beneficial in cases of general debility.

The Balsam has also been used with excellent effect by J. B. Elliott, Merchant, Hall's Corners, N. Y.

FRENCH BREAKFAST AND DINNER COFFEE.

Owing to the very high price of Coffee, and the great inability in procuring a good uniform and tolerable article, our customers have often expressed a wish that they could be supplied from first hands. It was the intention of THE GREAT AMERICAN TEA COMPANY to do a strictly Tea business, but as we have at times received orders for a quantity of Coffee that have come to us [illegible] with Tea and Coffee exclusively we have concluded to meet [illegible] to New York, The Great Tea and Coffee Emporium of this country—and as our Tea Taster was possessed of information relating to a Coffee that could be furnished at a moderate price, and of a quality to satisfy them, and at the same time afford the retailer a handsome profit—we have been compelled to supply these parties. This Coffee has become so popular with our customers and their sales have increased to such an extent that we have been compelled to make large additions to our machinery, which will enable us to supply a few more customers with it. We will therefore send it to those who may order.

IT IS FAST SUPERCEDING ALL OTHER COFFEES.

This Coffee has been used for more than a century in Paris, and since its introduction into this country it has been in use by some of the leading French Restaurants here. The Parisians are said to be the best judges of coffee; and the great favor in which it is held by them is the best recommendation that can be pronounced for its fine flavor and healthy effects upon the human system.

We put up but one grade of this Coffee, as I that is absolutely [illegible] our customers have found no occasion to complain of [illegible] but most all the [illegible] their trade [illegible] the lowest price that we can recommend it.

We call our business on the most extensive scale, buy by the cargo and sell at only 2 cents per pound profit.

We put up this Coffee in Barrels of 125 lbs each [illegible] of pound packages from 1 to 5 pounds for parcel to the consumer and by its being in a large quantity it retains its fine flavor much longer in this form than in any other. We send with each barrel Show Cards, Circulars and Posters, to assist the retailer to call attention to his establishment. We hope our customers will [illegible] to have them well posted on Tea, Tobacco, as it will be to their advantage to do so.

Each Coffee we warrant to give perfect satisfaction, and if it does not please the purchaser has the privilege of returning the whole or any part of it within 10 days, and having his money refunded, together with all the expenses of [illegible] both ways.

We issue a price circular of our Teas and Coffees, which we are glad to send free to all who wish it. Consumers of Coffee should enquire for the French Breakfast and Dinner Coffee and be sure that it was purchased of the
