TO THE

INVALIDS!

IRON IN THE BLOOD!

It is well known to the medical profession that Iron is the vital principle or life element of the blood. This is derived chiefly from the food we eat; but if the food is not properly digested, or if, from any cause whatever, the necessary quantity of iron is not taken into the circulation, or becomes reduced, the whole system suffers. The bad blood will irritate the heart, will clog up the lungs, will stupify the brain, will obstruct the liver, and will send the disease producing elements to all parts of the system, and every one will suffer in whatever or-
