MEDICINAL. Ayer's Sarsaparilla. THE WORLD'S GREAT REMEDY FOR Scrofula and Scrofulous Diseases. From Dr. J. C. Ayer & Co., Lowell, Mass.

"I have sold large quantities of your Sarsaparilla, but never felt so bold as to publish the results of its effects, and full satisfaction to those who took it. As far as our people try it, they agree there has been no medicine so successful in curing Scrofula, Pimples, Blotches, Eruptions, Ulcers, Sores, and all Diseases of the Skin. From Rev. John S. Sargent, Boston, England. "I only do this duty to do justice to the medicinal virtues of your Sarsaparilla. My daughter, aged 12, had a severe eruption on her face, eyes, and hair for years, which was very troublesome to her, and she was unable to go out. She has been well for some months since she began to take your Sarsaparilla. From Mrs. Jane E. Rice, a well known and much respected lady of Newburyport, Mass. "I had for several years a very troublesome humor in my face, which grew constantly worse, and I had to use a great deal of medicine, but without any relief. I tried almost every thing that a man could do, but nothing did me any good. I was told, however, until I took your Sarsaparilla. It immediately made my face free, and you told me to keep on taking it until the eruption was all over. I did so, and my face is now as smooth as my body, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your Sarsaparilla. From Dr. Robt. Smith, Houston, Tex., New York. "I had for several years a very troublesome humor in my face, which grew constantly worse, and I had to use a great deal of medicine, but without any relief.
