FRENCH BREAKFAST AND DINNER COFFEE.

Owing to the very high price of Coffee, and the great difficulty in procuring a good and reliable article, our customers have expressed a wish that they could be supplied from first hands. It was the intention of THE GREAT AMERICAN TEA COMPANY to do a strictly Tea business, but as we have had some customers living at a distance that have relied upon us to supply them exclusively with Tea and Coffee, it being inconvenient for them to come to New York...

IT IS FAST SURPASSING ALL OTHER COFFEES.

This Coffee has been used for more than a century in Paris, and since its introduction into this country it has been in use by some of the leading French Restaurants here. The Parisians are said to be the best judges of coffee; and the great favor in which it is held by them is the best recommendation that can be produced for its fine flavor and healthy effects upon the human system.

We put up but one grade of this Coffee, and that is of a quality that our customers have found from experience will give perfect satisfaction and meet all the demands of their trade. It is the lowest price that we can recommend.

We do all our business on the most extensive scale, buy by the cargo and sell at only 2 cents per pound profit.

We put up this Coffee in Barrels of 125 lbs each. This method of putting it up saves from 2 to 5 cents per pound to the consumer, and by its being in a large quantity it retains its fine flavor much longer in this form than in any other. We send with each barrel Show-Cards, Circulars and Posters, to assist the dealer to introduce it to his customers. We hope our customers will take pains to have them well posted up and instructed, as it will be to their advantage to do so.

This Coffee we warrant to give perfect satisfaction, and if it does not please, the purchaser has the privilege of returning the whole or any part of it within 30 days, and having his money refunded, together with all the expenses of transportation both ways.

We issue a price circular of our Teas and Coffees, which we are glad to send free to all who wish it. Consumers of Coffee should enquire for the French Breakfast and Dinner Coffee and be sure that it was purchased of the

THE REV. JACOB SECHLER. Well known and much respected among the German population in this country, makes the following statement for the benefit of the afflicted:

HANOVER, Pa., Feb. 16, 1859. Dear Sir:—Having realized in my family important benefits from the use of your valuable preparation—Wistar's Balsam of Wild Cherry—it affords me pleasure to recommend it to the public.—Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case, made frequent use of your valuable medicine, and have also been benefited by it.

JACOB SECHLER. FROM JES-IE SMITH, ESQ., President of the Morris County Bank, Morris-town, New Jersey. Having used Dr. Wistar's Balsam of Wild Cherry for about fifteen years, and having realized its beneficial results in my family, it affords me great pleasure in recommending it to the public as a valuable remedy in cases of weak lungs, colds, coughs, &c., and a remedy which I consider to be entirely innocent, and may be taken with perfect safety, by the most delicate in health.

FROM TON, JOHN E. SMITH. A distinguished lawyer in Westminster, Md. I have on several occasions used Dr. Wistar's Balsam of Wild Cherry for severe colds, and always with decided benefit. I know of no preparation that is more efficacious or more deserving of general use.
