## MEDICINAL.

The peculiar taint or infection which we call SCROFULA lurks in the constitutions of multitudes of men. It either produces or is produced by an enfeebled, vitiated state of the blood, wherein that fluid becomes incompetent to sustain the vital forces in their vigorous action, and leaves the system to fall into disorder and decay. The scrofulous contamination is variously caused by hereditary disease, low living, *ill-ordered digestion from unhealthy* food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generations," indeed, it seems to be the god of Him who says, "I will visit the iniquities of the fathers upon their children." The diseases it originates take various names, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally Consumption; in the glands, swellings which suppurate and become ulcerous sores; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, eruptive and cutaneous affections. These, all having the same origin, require the same remedy, viz., purification and invigoration of the blood. Purify the blood, and those dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the flesh", healthy, you cannot have scrofulous disease.

**Ayer's Sarsaparilla**

is compounded from the most effectual antidotes that medical science has discovered for this afflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does combine virtues truly extraordinary in their effect upon this class of complaints, is indisputably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: King's Evil, or Glandular Swellings, Tumors, Eruptions, Pimples, Blotches and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weaknesses, and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in AYER'S AMERICAN ALMANAC, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. Those cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The vast importance of these considerations leads us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of AYER'S SARSAPARILLA, although it is compounded of ingredients, some of which exceed the best of *Sarsaparilla* in alterative power. By it and you may protect yourself from the suffering and danger of these disorders. Purify out the foul corruptions that rot and fester in the blood, purge out the causes of disease, and vigorous health will follow. In its powerful virtues this remedy is found for the worst functions, and thus expels the humors which lurk within the system of the least on any part of it.
We know the public have been deceived by many compounds of Sarsaparilla, and promised much and did nothing. But they will neither be deceived nor disappointed in this. Its virtues have been proven by accidental trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.

AYER'S
**CHERRY PECTORAL.**
The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease.
This has been so long and so extensively known, that we need do no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done.

Every family should keep this remedy in the house: its use on all occasions, when seized with sickness, will *immediately stop pain* and arrest the disease.

**RADWAY'S READY RELIEF IS THE GREAT ARMY AND NAVY MEDICINE.**
NO SOLDIER OR SAILOR SHOULD BE WITHOUT IT.

We have the evidence of Army Surgeons and officers in the Army and Navy, to certify to its saving over twenty thousand lives. No soldier or sailor will die of exposure, disease, or climate changes, if this medicine is used as a preventive and drink.
Bear in mind that whenever you drink strange water, a few drops of the RELIEF in water will give you a delightful stimulating drink, and protect your stomach from deleterious effects arising from change of water.

**IT STRENGTHENS THE STOMACH—IT NEUTRALIZES MALARIOUS POISONS—IT CHECKS WEAKNESS OR DECLINE—IT WARMS—EXHILIRATES AND SOOTHES—IT CALMS—CLEANSES AND PURIFIES.**

**FRIENDS OF SOLDIERS.**

No one will be appreciated by the soldier so highly as Radway's Ready Relief. It is a substitute for liquor, and the best Cure Going in the world. Let every soldier in the army read this letter from
