May 6th 1864.—1y

AN ELEGANT NOVELTY IN WATCHES.

The cases of this Watch are an entirely new

invention, composed of six different metals combined, rolled together and planished, producing an exact inutation of 18 carat gold called Arcana, which will always keep its color. They are as beautiful and durable as solid gold and

cana, which will always keep its color. They are as beautiful and durable as solid goles and are afforded at one eight the cost. The base is beautifully designed, with panol and shield for name, with Patent Push Pin and engraved in the exact style of the celebrated field Hunting Levers, and are really handsome and desirable, and so exact an imitation of gold as to defy detection. The movement is manufactured by the well kmym St. Jimer Wateh Company of Europe, and are superbly finished, having ongraved palets, fancy carved bridges, adjusting regulator, with gold balanced, and the improved ruby jowelled action with line dial and skeleton hands, and is warranted a good time keeper. These watches are of three different sizes, the smallest being for ladies, and all are Hunting Cases. A case of six will be sent by mail or express for \$125 00. A sing c one sent in an elegant moreocce case for \$25 : will readily sell for three times their cost. We are the sole agents for this Watch in the United States, and none are genuine which do not bear our trade mark.

The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of Alei's Sarsatarlill, although it is composed of ingredients, some of which exceed the best of Samsayailla in alterative nower. By its ingrements, some of which exceed the loss of Samparilla in alterative power. By its aid you may protect you'relf from the suffering and danger of these disorders. Purge out the foul eprruptions that not and fester in the blood, punge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the virtue functions and thus excels the distance.

its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more efectual than any other which has ever been

DYSPEPSIA DYSPEPSIA!

I, Moses Tobin, of Cheltenham, Montgomery county, Pa., have suffered for more than one year, everything but death itself from that aw it ul disease-called Dyspepsia. I employed that time fixed the most enfinent physician Philadelphia. They did aff they could for with medicines and cupping, but will I we mild that time fixed the country, but their medicines alled to do me any good and oftentimes I westly in order to place myself in of the best medical talents of the country, but their medicines failed to do me any good and oftentimes I wished for death to relieve me of my sufferings but seeing Dr. Wishart's advertisement in t.e Philadelphia Builetin I determined to tryonce more, with little faith. I called on Dr. Wishart and told him if I could have died I would not have troubled him, and then related my sufferings to him. The Doctor said that if he failed to cure me of Dyspepsia, it would be the fifth case in two years, so I put myself under his treatment, and although I had been for menths woullen with wind, and filled with pain beyond description, I bought a box of his Dyspe, a Pulls. I used them as directed, and in tan days I could off as hearty a meal as any person in the State of Pennsylvania, and in thirty days was a well man, I invite any person sufferings as I was to call and see me, and I will relate my sufferings and the great cure I received. I would say to Dyspepties, severywhere, that Dr. as I was to call and see me, and I will remove my sufferings and the great cure I received. I would say to Dyspeptice, everywhere, that Dr. Wishart is, I believe, the only person on earth that can cure Dyspepala with any degree of certainty.

DYSPEPSIA! DYSPEPSIA!

I, Samuel It, Haven, have been a great sufferer with Chronic Dyspepsia and Inflamation of the Kidneys for three years. I employed three or our of the most eminent physicians of Philadelphia, also of Burlington, New Jersey. They did all they could for me, but all to ne purpose. I was constantly filled with awful pain and distress, and with constant helobing of wind and sour acid. My tangue was covered with a white coating of inseus until it cracked with a white coating of meets until it cracked with a white coating of meets until it cracked with a white coating of meets until it cracked with a white coating of meets until it cracked with a white coating of meets until it cracked with a white coating of meets all hope of ever being well squist. It made it a subject of prayer to 'O'd that he would direct me to some physician or medicine that would cure me. I was told to read an advertisement of Dr. Wishart's in the Philadelphia, by the Great American Dyspesia Pills. I went to the Dostor's Office and placed myself under his treatment and told him if he failed to cure me it would be the last effort I would make. It has been all wooks since I commenced uring his medicine and I am now a well man, free it us all pain and distress fail day as the best in the Harty make a well-man, free it us all pain and distress fail day as the best in the Harty make a day with comfort sid the personny well.
