IRON IN THE BLOOD! It is well known to the medical professio It is well known to the medical profession that Iron is the vital principle or life element of the blood. This is derived chiefly from the food we cat; but if the feed is not properly digested, or if, from any cause whatever, the necessary quantity of iron is not taken into the circulation, or becomes reduced, the whole system suffers. The bad blood will irritate the heart, will clog up the lungs, will stuggly the brain, wills obstruct the liver, and will send the disease producing elementate all parts of the system, and every one will enfor in whatever organ may be picelisposed to disease.

TESTIMONIALS.
The following opinion of Dr. White, as to the high esteem in which he holds the Dental Cream, must be sufficient evidence of its value; to quote other testimonials in detail is needless, contenting ourselves by simply giving the names and addresses of persons who speak of its excellency for the teeth.

PHILADELPHIA, April 15, 1864.
Having carefulle examined A. Hawley's "Solidified Dental Cream," I hereby cheerfully recommend it to the public generally. It is am excellent preparation for cleasing and preserving the teeth, and can be used by all persons with the utmost, confidence, as its properties are perfectly harmless. Besides proserving the teeth, and can be used by all persons with the utmost, confidence, as its properties are perfectly harmless. Besides proserving the teeth, in promotes a healthy action to the gams, and imparts a pleasantness to the breath.
