ferson Davis, but voluntarily give himself up on record, and Jais published speeches to stand trial on the charge of being implicated are models of eloquence and intellectual in the assassination of Mr. Lincoln- Jacob, power. He was considered to be one of Thompson offers to surrender himself of he shall the most brilliant men in the United be guaranteed a fair trial on the same charge | States Senate, and the chamber of that Nashvilie despatch announces the capture of Isham G. Harris, Confederate Governor of Tennessue, together with State documents and ux hundred thousand dollars in specie.

There is a report from New Orleans of the assassination of the Confederate General Kirby Smith by a Major McKee, in consequence of a difficulty with the latter growing out of some leven successful. otton speculations

General Herron has occupied Clinton and Osyka, in Louisiana. The people in Louisiana are represented as overjoyed at the end of the

General Sherman was before the War Committee yesterday, testifying in relation to his the secession ordinance, seeing that it conference with Johnston. His official report of the conference will shortly be published. Five tons of the archives of the late Confed-

ington from North Carolina. Jeremiah Clemens, formerly United States Senutur from Alabama, died at Huntqville on Saturday last.

ARRESTED AGAIN. On Tuesday last the Editor of the WATCHMAN was taken into custody by the Deputy United States Marshal of this District, and conveyed of the Fel ral cause. Since then, howto Pittsburg to answer a charge of coun- ever, he has lived in retirement, devoseling resistance to the draft, and with advising drafted men not to report. At the time of his death, or shortly before that event, it is said he was engag-Mr. Meek arrived home again late on ed in writing a romance of the war. Thursday, none the worse for his little | Whether the book had been finished or jaunt, much to the disappointment of not, we do not know. Like too many of some of his abolition friends, who had the most talented men of our country, given it as their opinion that he was at and while, at the time of his death, his last finally disposed of, and froped to mind was yet brilliant, his body was but of hear of his death by hanging, or some the wreck of what it had been in the other such dire intelligence.

This makes the fifth time that the editor of this paper has been arrested through the instrumentality of abolition bloodhounds. It seems to be their intention to pursue him to the death. They will fail to accomplish their object.

In consequence of Mr. Meek's absence the matter in this paper has been prepared by a friend. If its deficiencies should be observed, this will be a suffi-

General Lee and the Baltimoreans.

We see it stated that over forty thou-

sand dollars have been raised in Baltimore for the relief of General Lee and duced, by the confiscation of their propwas thought that these subscriptions share in its blessings. would amount to one hundred thousand dollars before they closed, in Baltimore alone. This shows the estimation in which General Lee is held, as a man, by everybody, and will, no doubt be most the war on his own book, has, we too, gratifying to the general himself. Of course, abolition journals will denounce this generous proceeding, and quote it as What his men will do now without their another evidence of the sympathy of copperheadism" with "rebellion" and rebellious chieftains." We look upon it, however, only as the sympathy of the warm hearted people for a brave, generour, and humane, but unfortunate man. In the course which General Lee took in the war, he acted upon his honest convictions of right and wrong. He has been a noble enemy, and a foeman worthy of the steel of the most honorable of our commanders. He has been a humane and merciful general, and, although the Fates were against him, and he is now a prisoner on parole, he yet retains reinvigorate business in all directions. mot know what a great thing it is to be many and the second of the t the respect of both friends and enemie.
